

DICTATOR OR DEITY

O p p r e s s y o u r f r i e n d s !

The Art School Reject Edition

CONTENT WARNING

This game contains dark humor about religion, so you probably shouldn't play it with your Catholic grandma.

Unless you want to send her to an early grave. In which case, be my guest.

TRIGGER WARNING: ADS

Look, you got this for free. So like any good capitalist, I'm stuffing it with ads. But really it's just two plugs for the Kickstarter. So if you end up liking the game, consider backing it for \$5.

Which is like \$2.60 in the year 2000. That's less than a booster pack of Pokeman cards!

SETTING UP THE GAME

This game works best as a slideshow where you can swipe between cards.

But some PDF viewers can be hit or miss, especially on iPhones. Use the optional steps on the next page to ensure you're viewing the game as God intended.

ENSURING THE BEST VIEW

If your PDF app sucks, follow these steps:

1. Save this file if you haven't already.
2. Get Adobe Acrobat Reader for free.
3. From within that app, open this file.
4. Change view settings to 'Single page'.

LEARNING THE BASICS

This game is broken up into 5 rounds, and each round lasts about 45 minutes.

You win by getting trivia questions right. You have fun by oppressing people who may or may not deserve it.

GETTING STARTED

1. **Go home.** Or at least somewhere you won't feel weird miming real atrocities.
2. **Split into teams.** For the best experience, I recommend 2-4 players on each team.
3. **Choose a full-time card reader.** Someone who's funny, and, ideally, a bit of a prick.

READING TRIVIA QUESTIONS

The card reader reads the question and teams come up with an answer. When ready, they share their answers.

All questions are worth 1 point except for a couple cards at the end of each round. But don't worry. That stuff is braindead obvious too.

ANNOUNCING THE ANSWERS

Answers are on the back. Check who got it right, tally the points, and then wait for everyone to shut up before reading the rest of the card.

I wrote a lot of dumb jokes on these cards, and you're going to listen to them.

OPPRESSING YOUR FRIENDS

Oppressions are mild punishments like holding a pose or performing an action.

If there's 🔥 on a card, that means an oppression is up for grabs. Teams who get the trivia question right choose who to oppress.

You can skip these if you're lame

WATCHING FOR FIRE

🔥 on the front of a card means the next card is an oppression. Get the trivia card right to use that oppression.

🔥 on the back of a card means there's a surprise oppression described on the card itself. Winners still choose who to oppress.

UNDERSTANDING SUBTLETIES

Oppressions last for a number of turns. One turn equals one completed trivia card.

If no one gets a 🔥 question right, the team in the lead chooses who to oppress.

Special oppressions are, well, special. See below.

CHECKING OUT THE DECK

Here's an overview of what's included:

- 7 types of trivia
- 8 classy characters
- 30+ oppressions

TRIVIA CARDS: THIS OR THAT

Dictator or Deity: Guess which group committed the war crime. It's a 50/50 shot.

Truth or Blasphemy: It's just true or false, but I like being dramatic.

TRIVIA CARDS: GUESS WHO

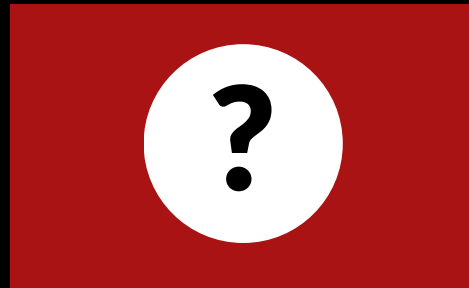

Unholy Trinity: Three suspects are in a lineup. Finger who's guilty.

Which Dick: It's dictators only. Pick the right prick.

TRIVIA CARDS: WHO KNEW?

Nazi Business?: Guess if a company worked with the Nazis. Fanta's for fascists, for example.

Blacked Out: Fill in the blank. Ex: I want to f your mother.

(answer: fist)

STANDARD OPPRESSIONS

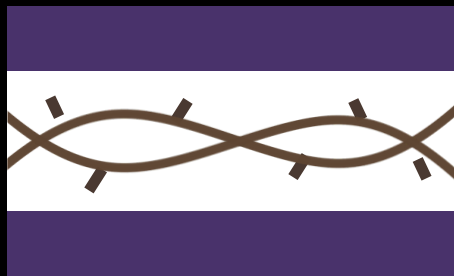

micro-oppressions: Punish friends with real-world persecutions!

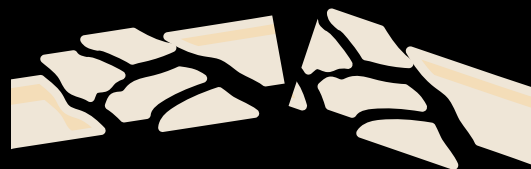

splashy surprises: Hydration “punishments”. They’re always on the back and always by surprise.

SPECIAL OPPRESSIONS

Die For Our Win: Embarrass yourself for 3 points. Optional.

Brutality Break: Losers are actively oppressed while winners take a break. It's the round's midpoint.

DICTATORS

Here are the bad boys in the game:

- Mao Zedong (China)
- Saddam Hussein (Iraq)
- Joseph Stalin (Soviet Russia)
- Adolf Hitler (Nazi Germany)

DEITIES

Here are the totally good guys:

- God (Old Testament)
- Jesus (New Testament)
- Allah (Quran)
- Muhammad (Hadith) *

*He's a prophet, I know. Don't email me.

Warning: Player Safety

All physical activities in this game are optional. Players may opt out of any activity at any time without penalty.

If you choose to participate, you do so at your own risk. Stop immediately if you feel any pain or discomfort.

A Final, Sober Note

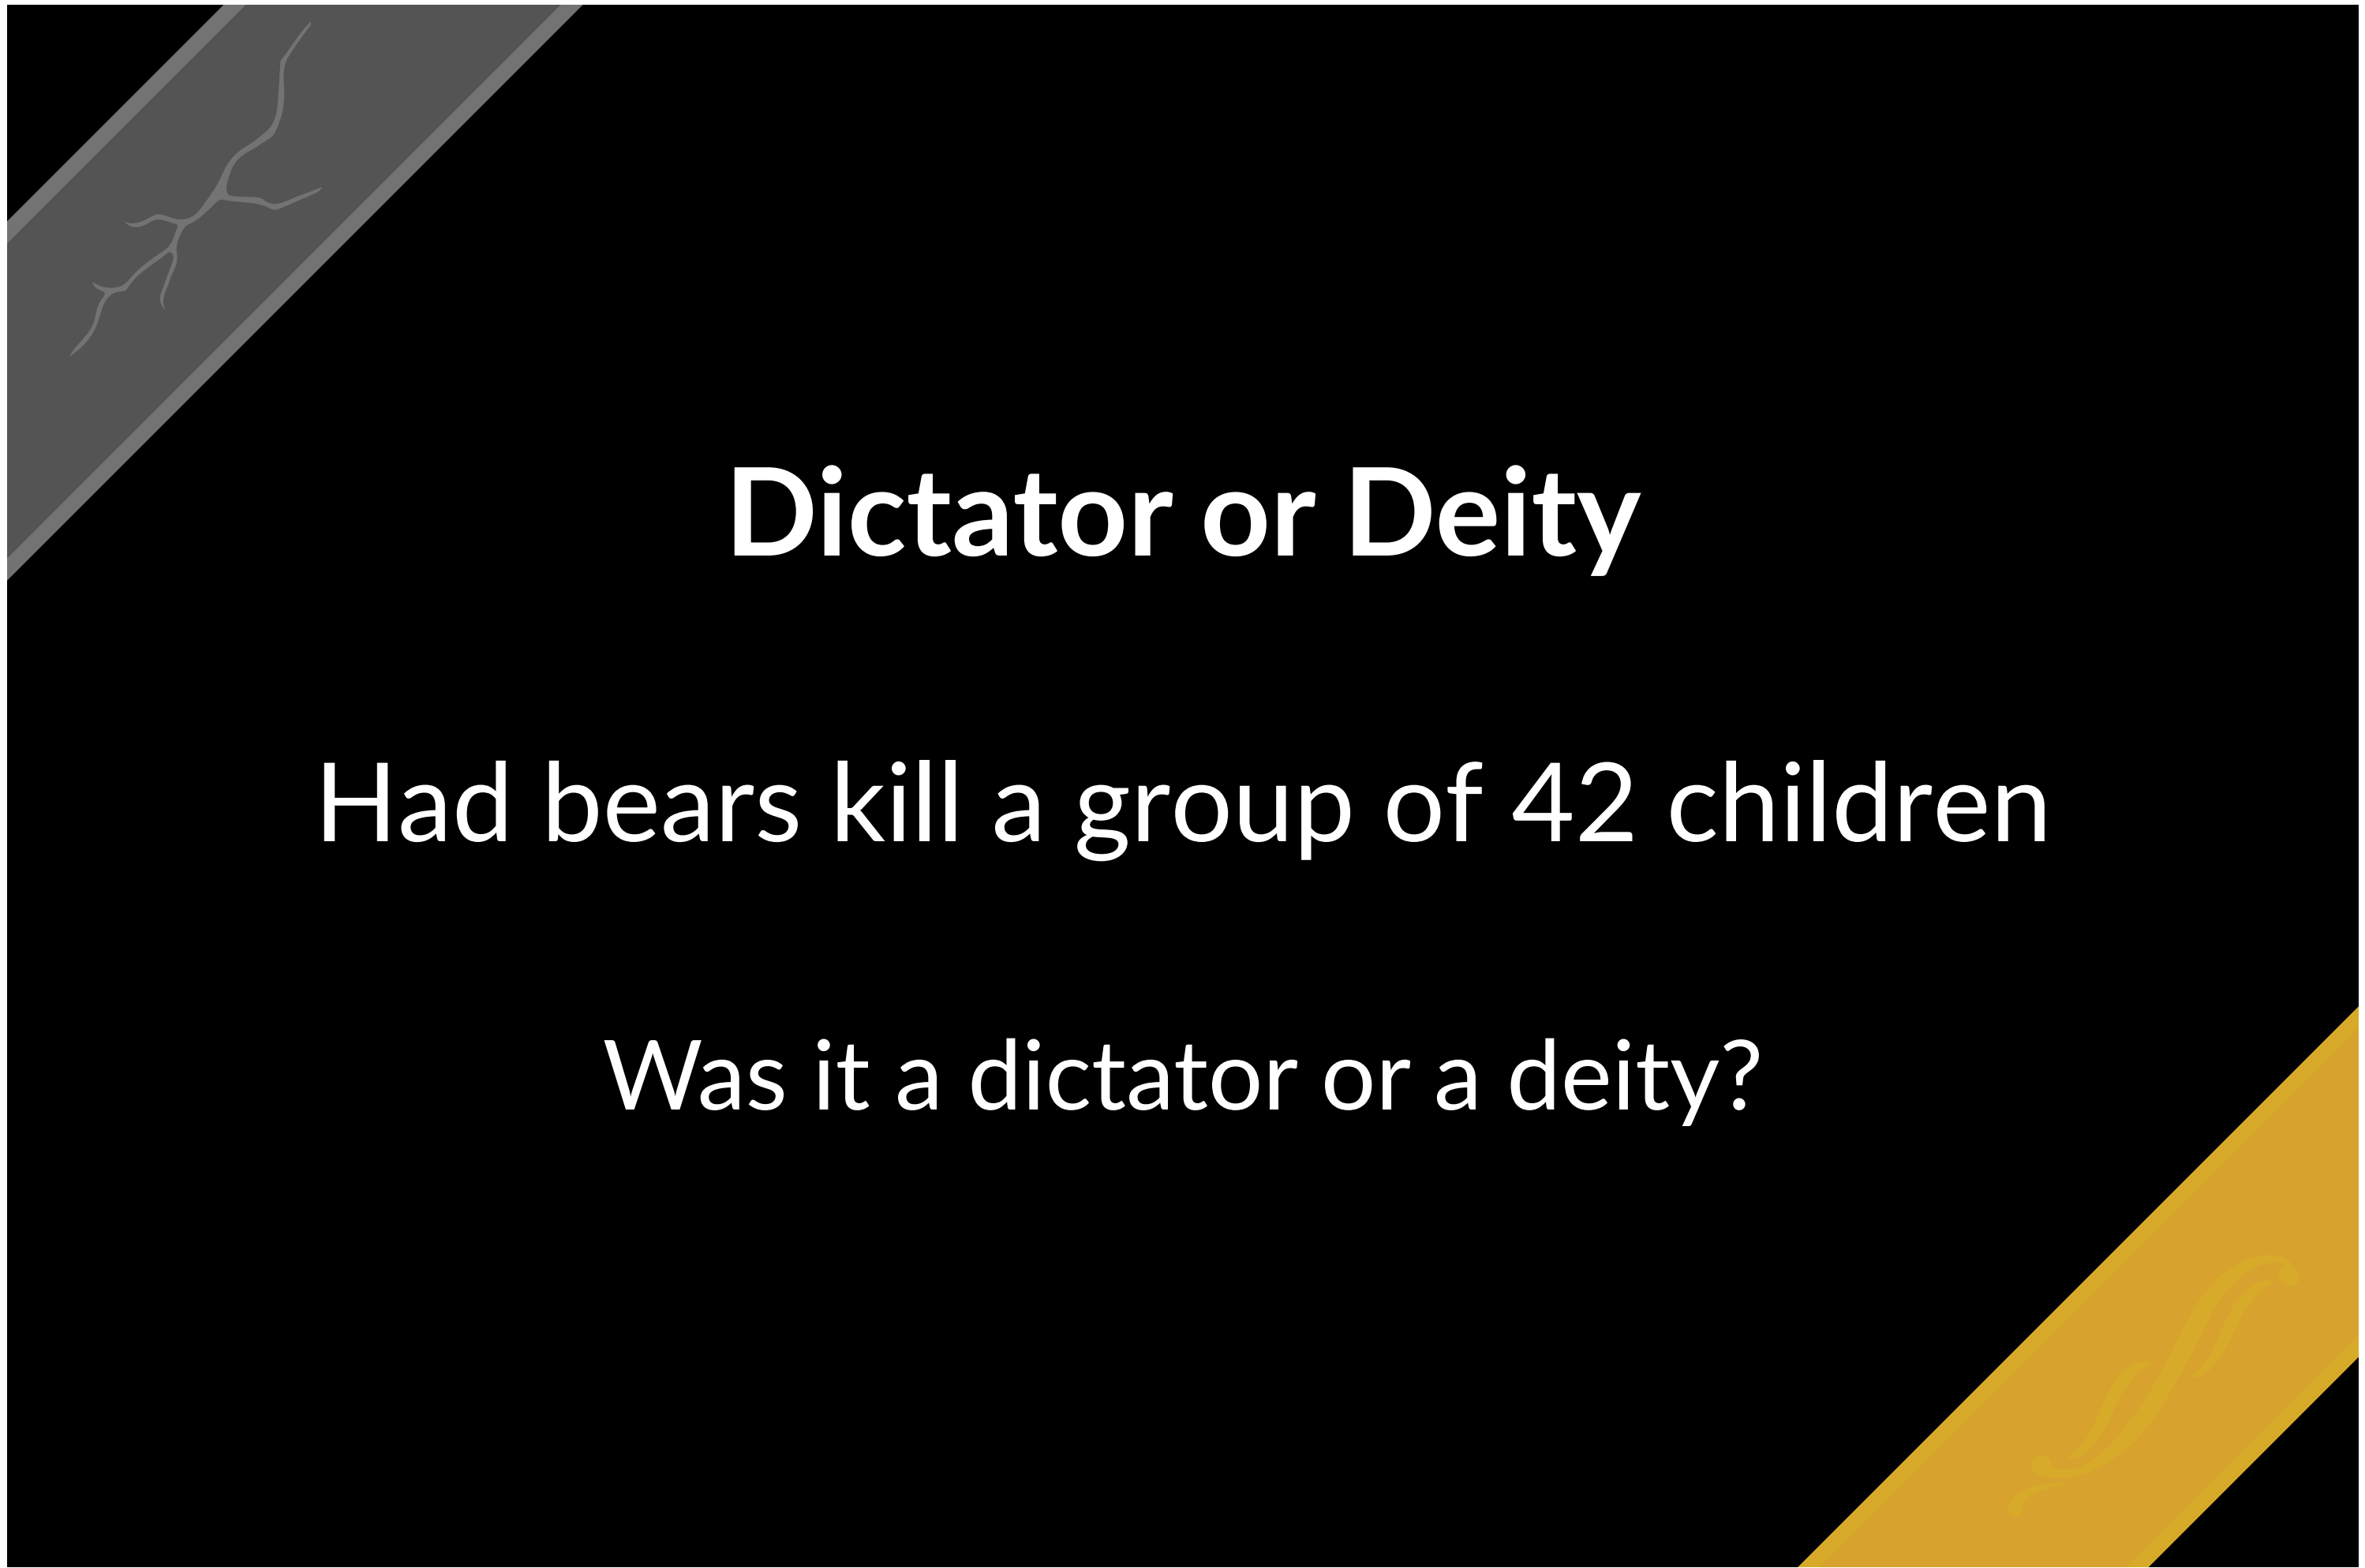

This is not a drinking game. I know some games act cute about that, but I'm serious.

Chances are, someone in your group needs to sober up (historically: me), so I've included one hydration "punishment" in each round.

Oppress accordingly.

Round 1

Dictator or Deity

Had bears kill a group of 42 children

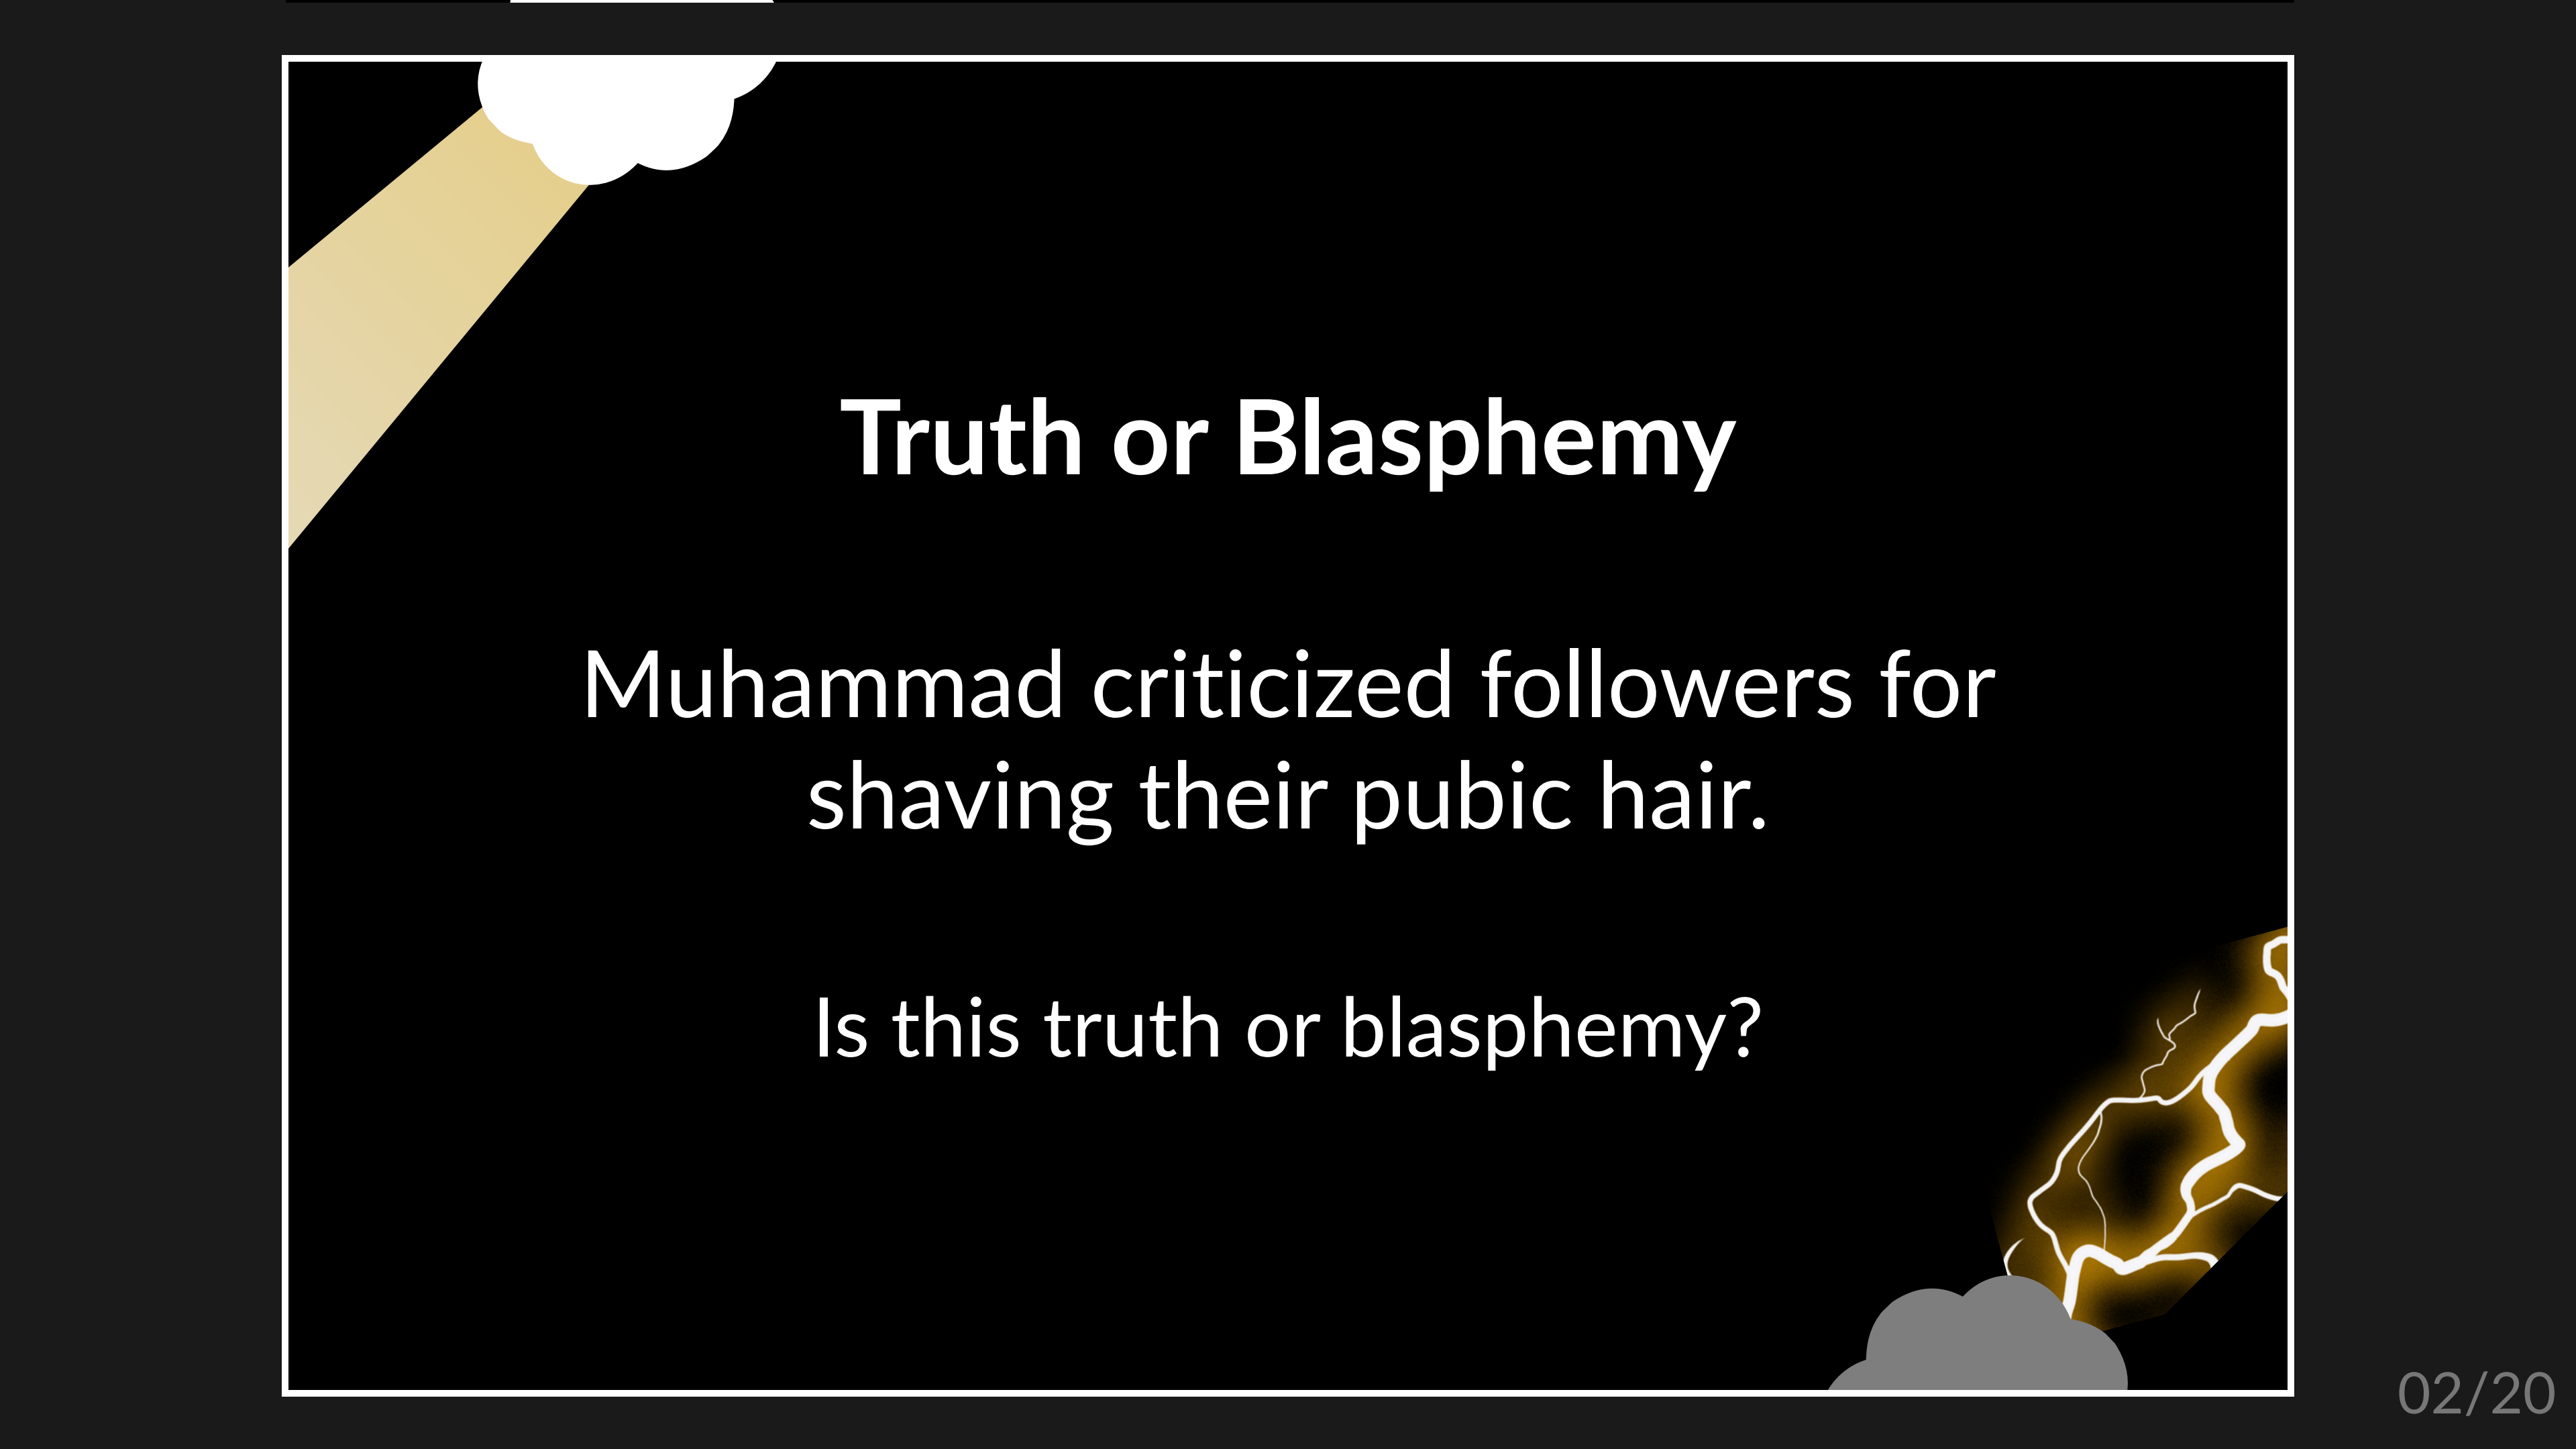

Was it a dictator or a deity?

Deity

The kids were making fun of a guy for being bald, and God couldn't allow that. Bald men are clearly the most persecuted group on the planet.

Tap or scan it nonbelievers:
2 Kings 2:23-25

Truth or Blasphemy

Muhammad criticized followers for
shaving their pubic hair.

Is this truth or blasphemy?

Blasphemy

Muhammad encouraged Muslims to shave their pubes every 40 days. He also told them to wash their hands. Some of you sickos should take notes.

Check out the Hadith, homies:
Sahih Muslim 258

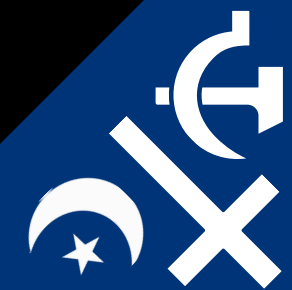

Unholy Trinity

Who encouraged his people to kill their
landlords?

Stalin, Mao, or Muhammad?

Mao

With Mao's support, peasants killed somewhere between 200,000 to 5 million landlords and took their land.

I'm pretty sure we could beat that high score today.

micro-oppression

Forget rent, this card's all about
paying respect.

Oppression on back

Bow for Mao

Winners: Make two people stand and bow to you for 2 turns.

Be grateful I went with a soft open here.

🔥 Blacked Out 🔥

The Bible says Jesus will return with eyes blazing like fire, a sword coming out of his mouth, and a robe dipped in ____.

Guess the missing word

Blood

Fun fact: This is the only time the Bible describes what Jesus looks like. Churches should really update their paintings.

Here's the cosplay guide:
Revelation 19:11-16

micro-oppression

Did you know the Bible tells women not to talk in church? Well. One verse does. But isn't picking and choosing fun?

Oppression on back

Muzzlin' Mom

Winners: Make someone firmly cup a hand over their mouth for 3 turns.

They should sound like Kenny from South Park. The Youth watch South Park, right?

1 Corinthians 14:34

Nazi Business?

Ford
car company

Did they help the Nazis?

Yes

A Ford subsidiary in Germany used slave labor during the war. Also, Henry Ford repeatedly published anti-Semitic articles and received a medal from the Nazis.

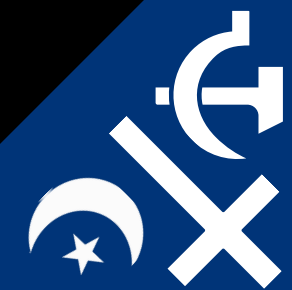

But hey, at least the cars were cheap!

Unholy Trinity

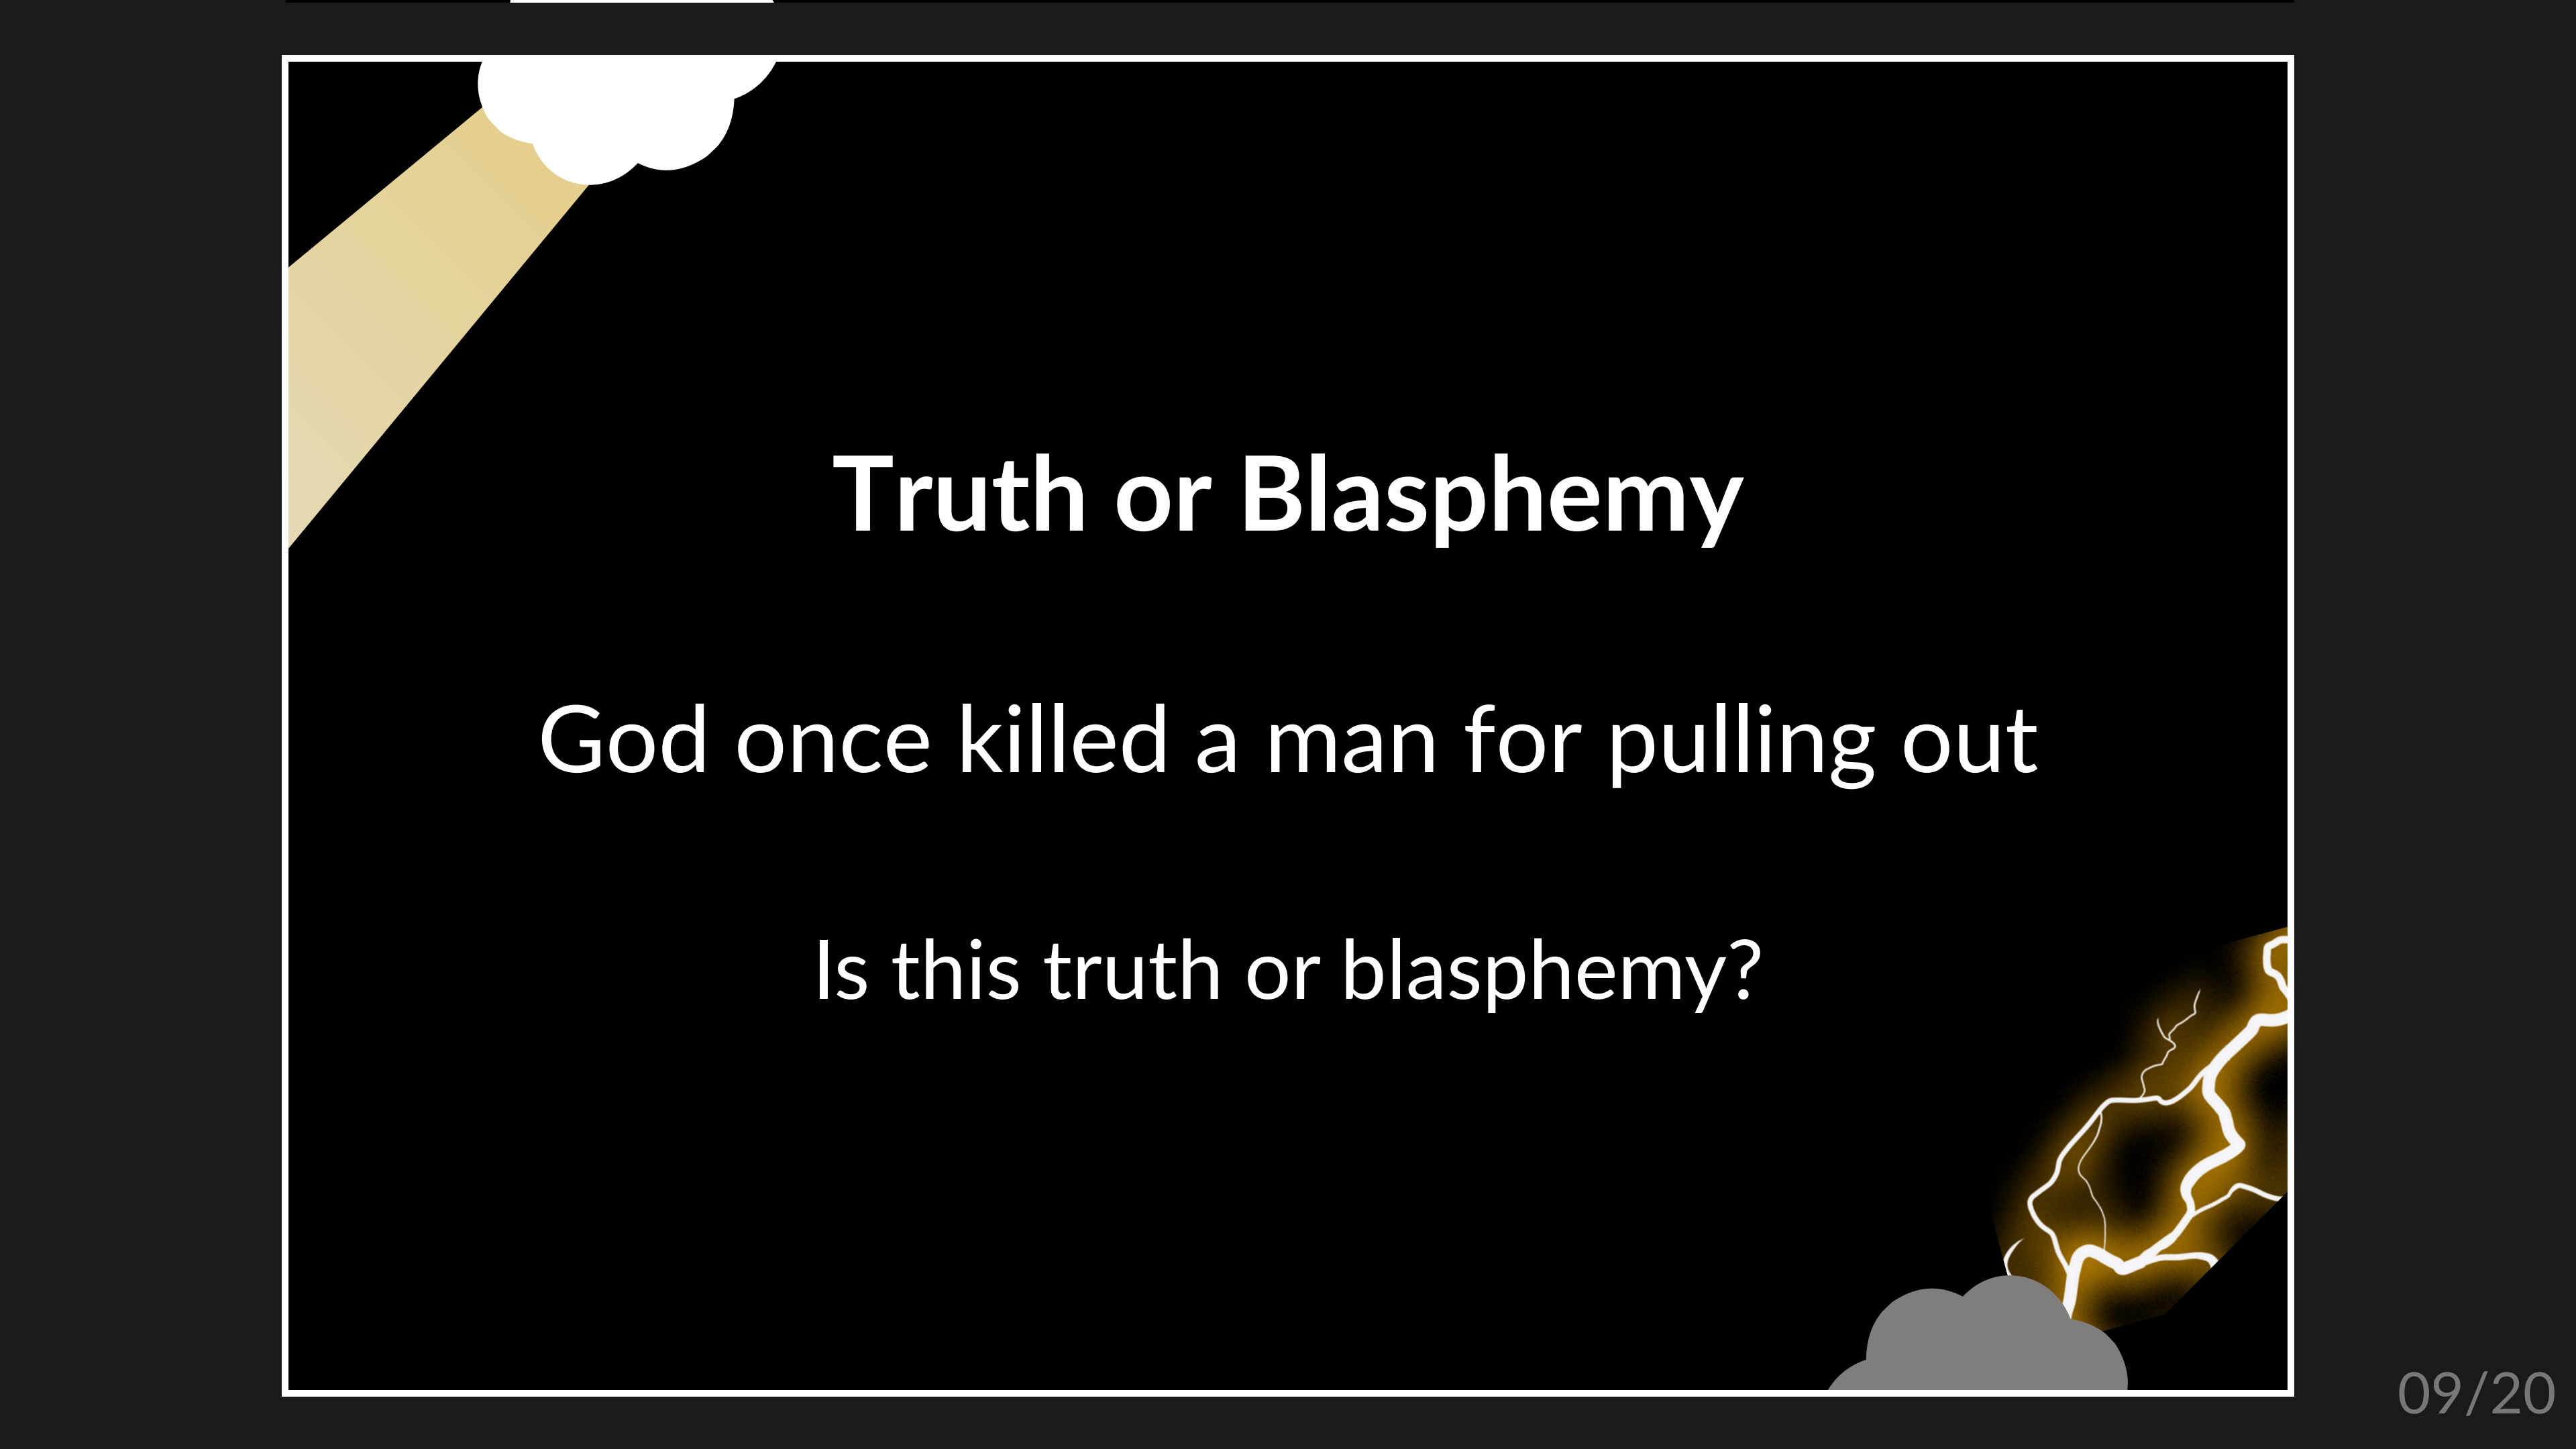

Who ordered that anyone suspected of
having a “hostile attitude” could be
executed without a trial?

Hitler, Saddam, or Muhammad?

Hitler

On the bright side, at least you wouldn't have to wait in the courthouse with a bunch of fascists.

Truth or Blasphemy

God once killed a man for pulling out

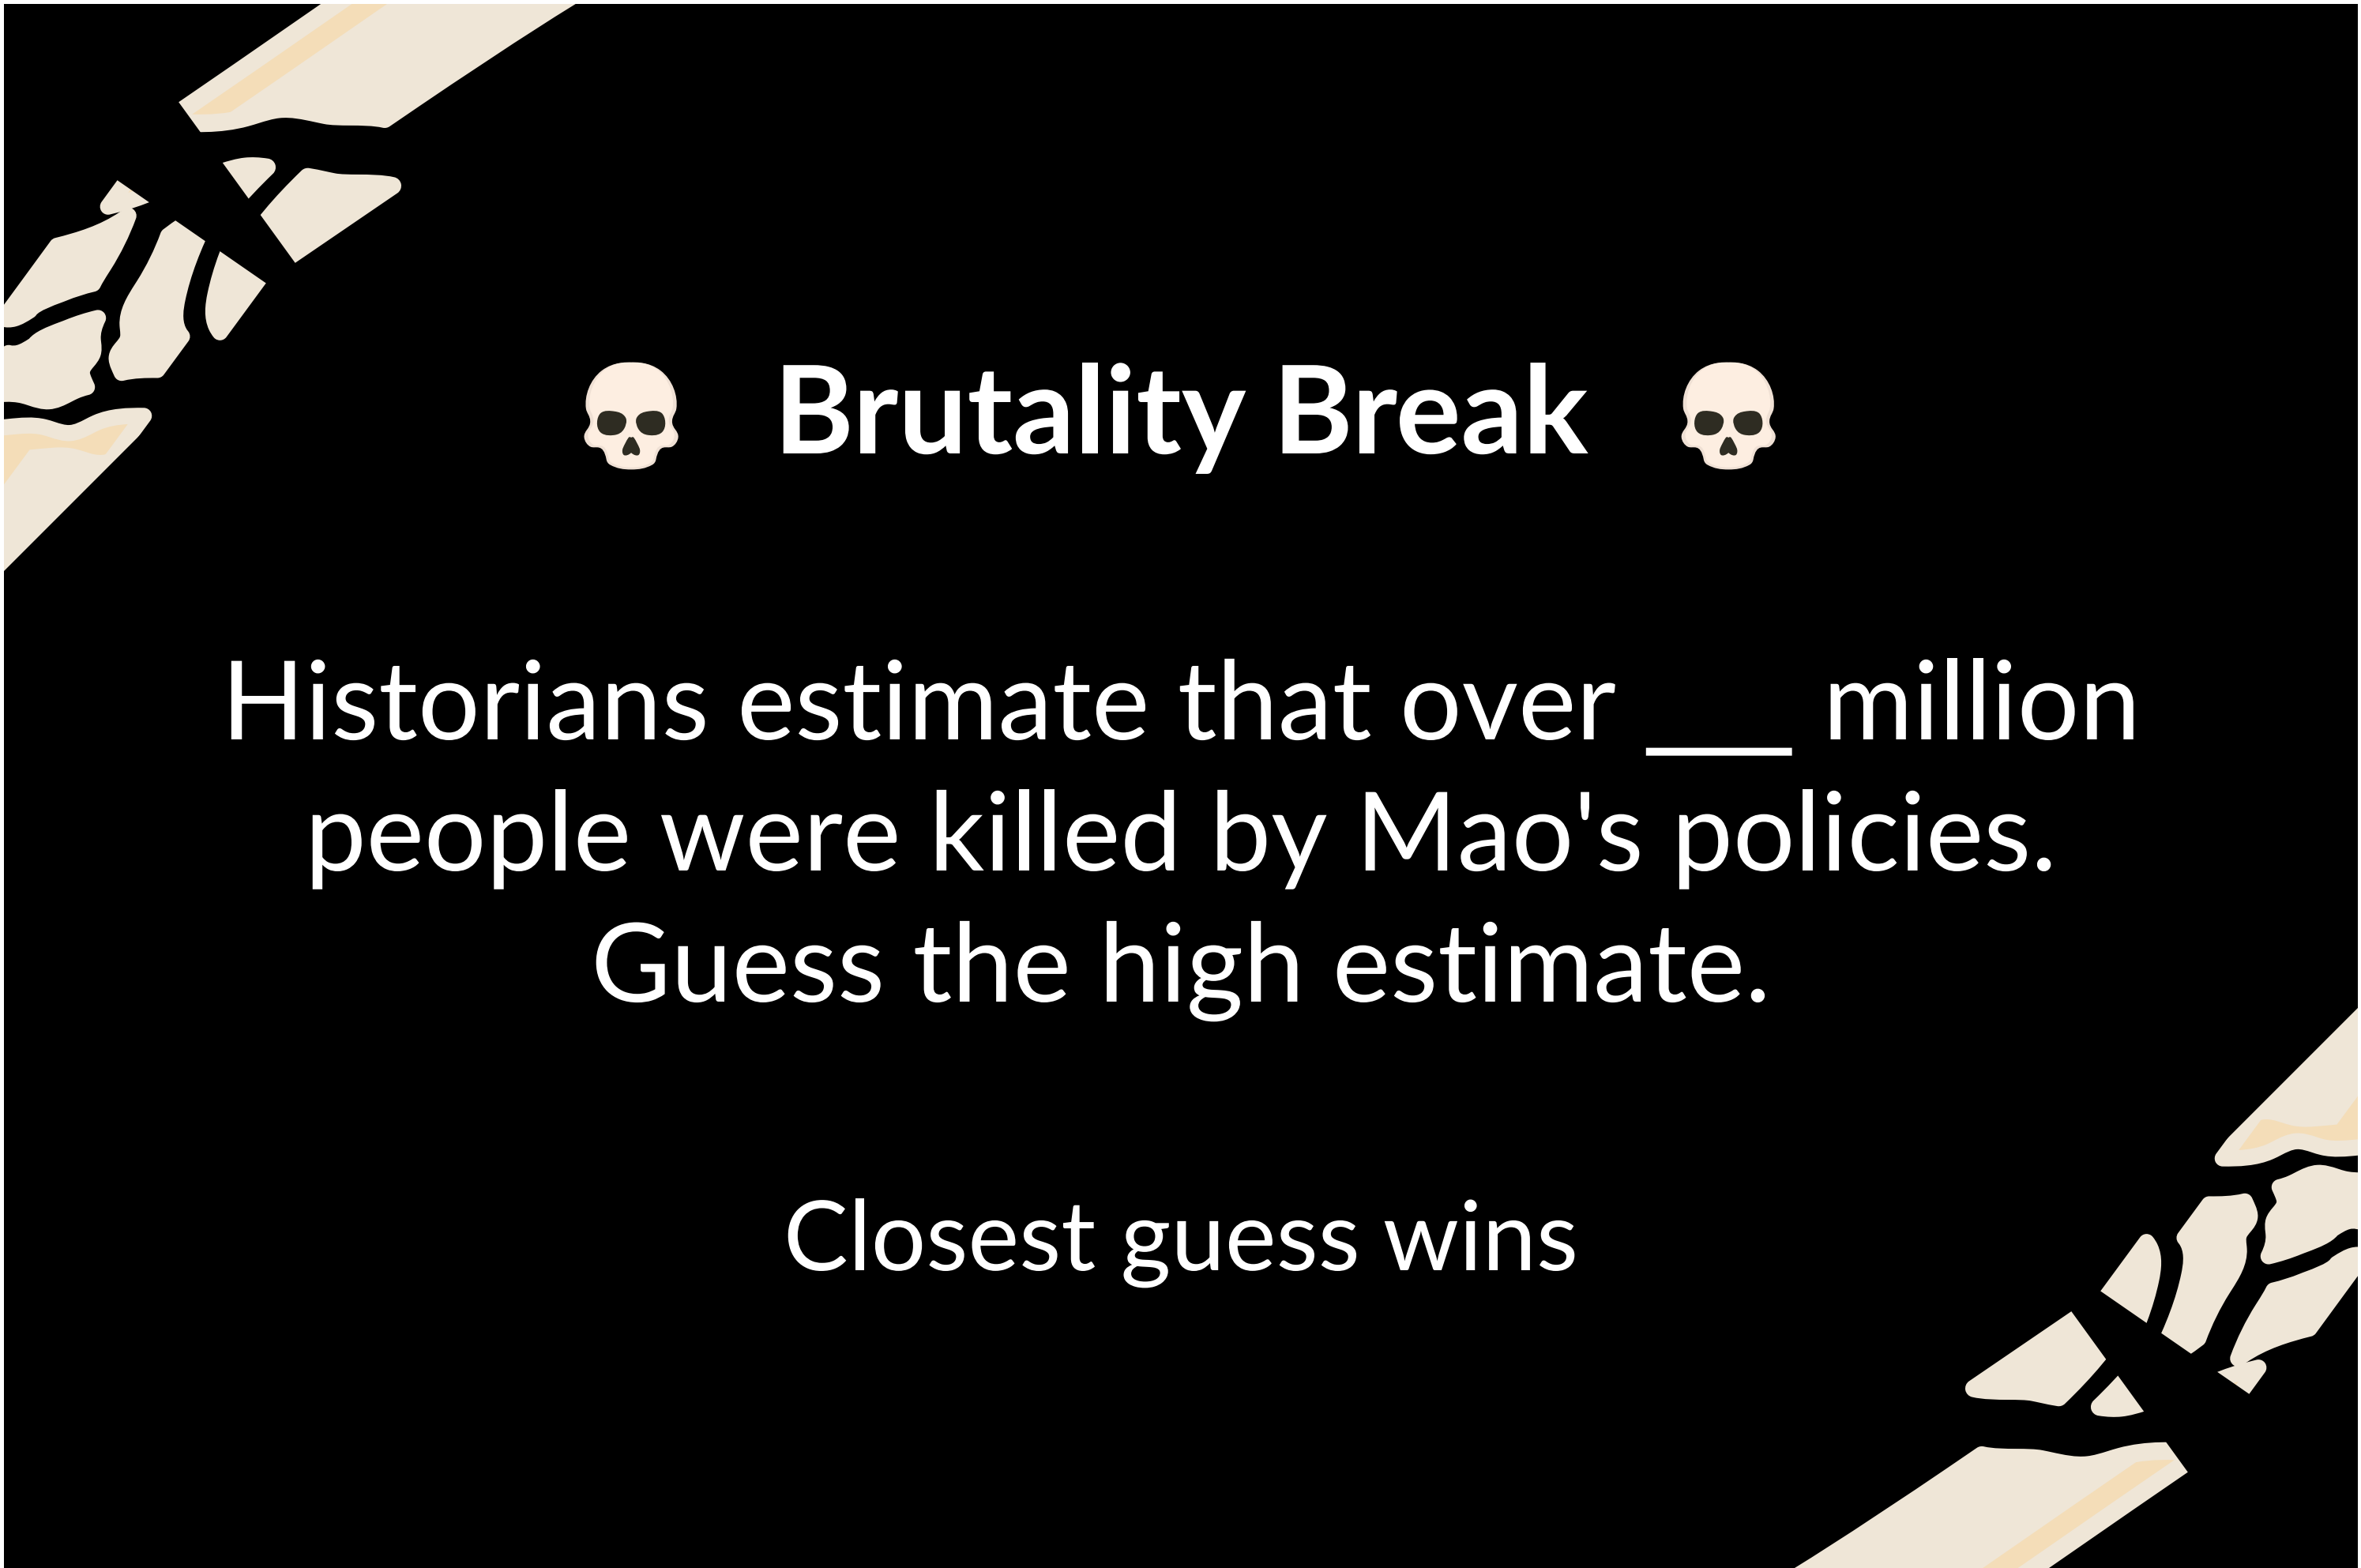

Is this truth or blasphemy?

Truth

So this guy is told to sleep with his dead brother's wife. And while he was down for that, he didn't really want kids. So he unloaded on the floor instead.

And then God killed him dead:
Genesis 38:8-10

💀 Brutality Break 💀

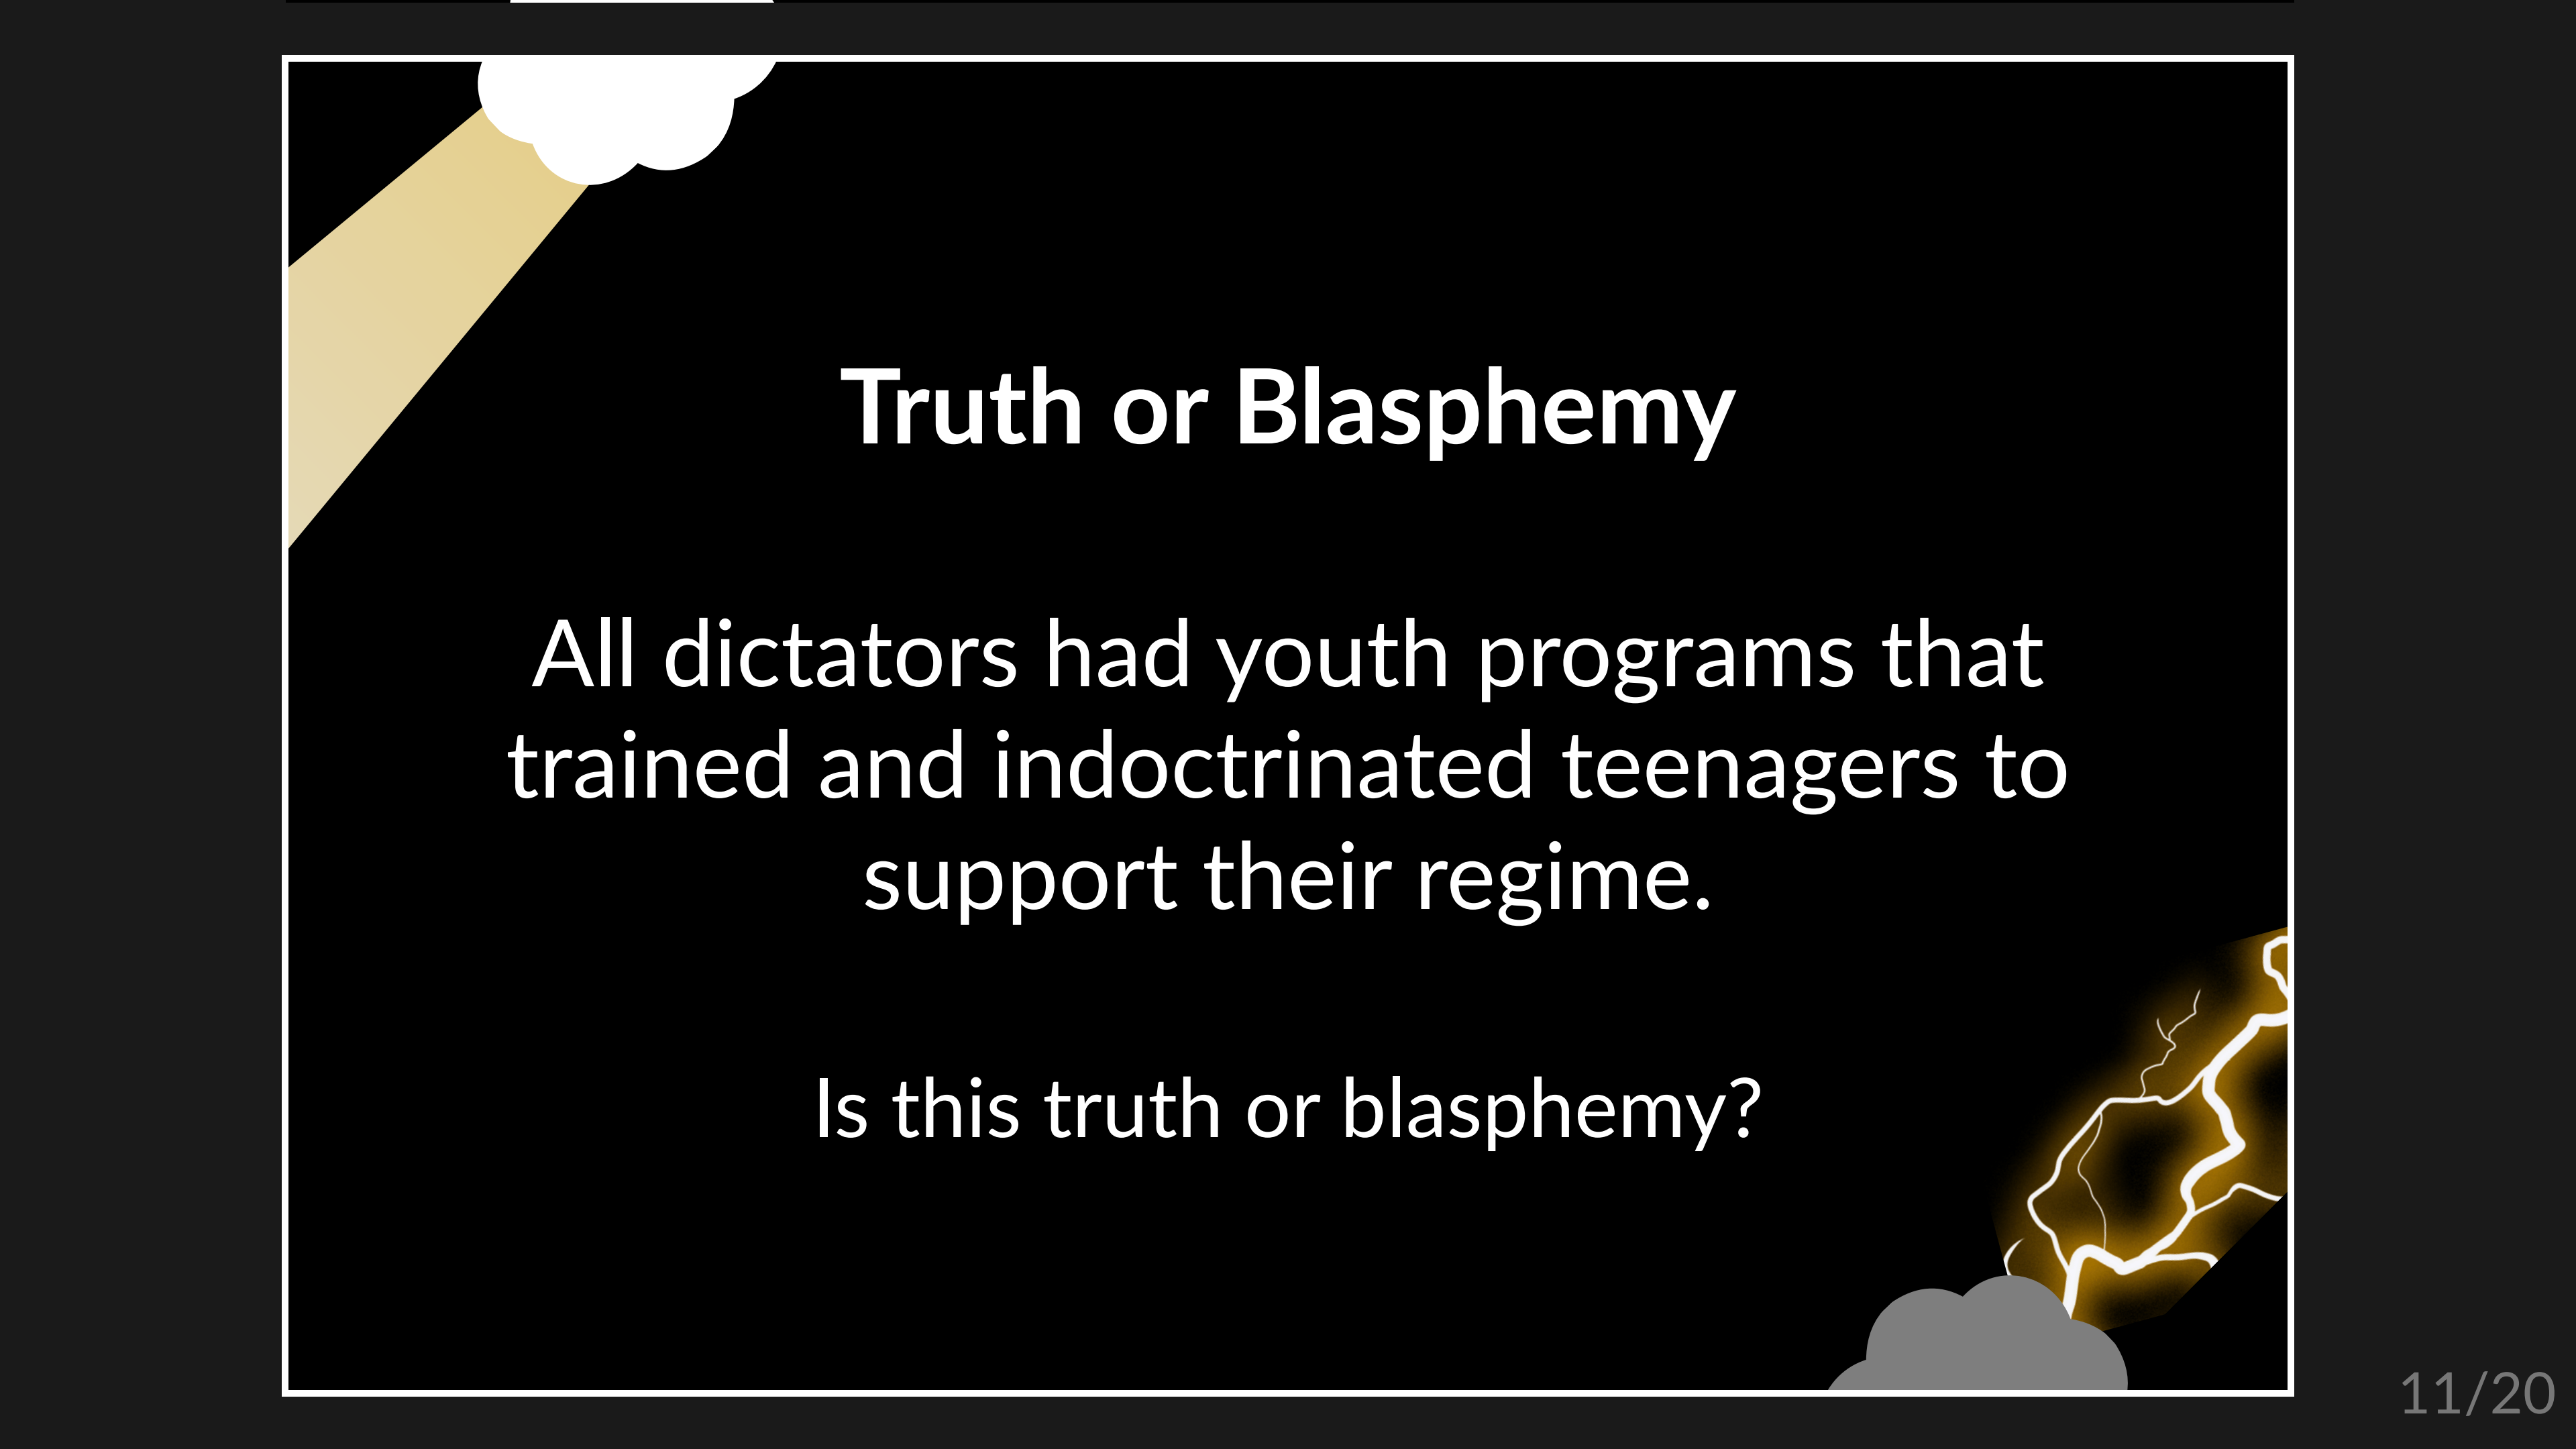

Historians estimate that over ____ million people were killed by Mao's policies.
Guess the high estimate.

Closest guess wins

80 million

Most were a result of his stupid policies, but if you said that out loud they might put you in a re-education camp.

Loser: Write "Mao did nothing wrong" 10 times each while the winners take a break.

Truth or Blasphemy

All dictators had youth programs that trained and indoctrinated teenagers to support their regime.

Is this truth or blasphemy?

Truth

I'm just glad we don't have Nazi Girl Scouts
selling sugar cookie swastikas.

Unholy Trinity

Who had citizens' tongues cut out in
public over the slightest insult?

Mao, Saddam, or Allah?

Saddam

Even saying Saddam looked tired during a speech could get your tongue cut out. Talk about doing unspeakable things.

Winners: Make another team hold their tongues out with their fingers for 2 turns.

🔥 Blacked Out 🔥

Stalin was known for putting t_____s on
his generals' seats for them to sit on.

Guess the missing word

Tomatoes

He probably killed some of those people later too. What a prankster!

micro-oppression

Stalin also loved surprising people with luxurious trips to the Gulag forced labor camps. They rarely saw it coming.

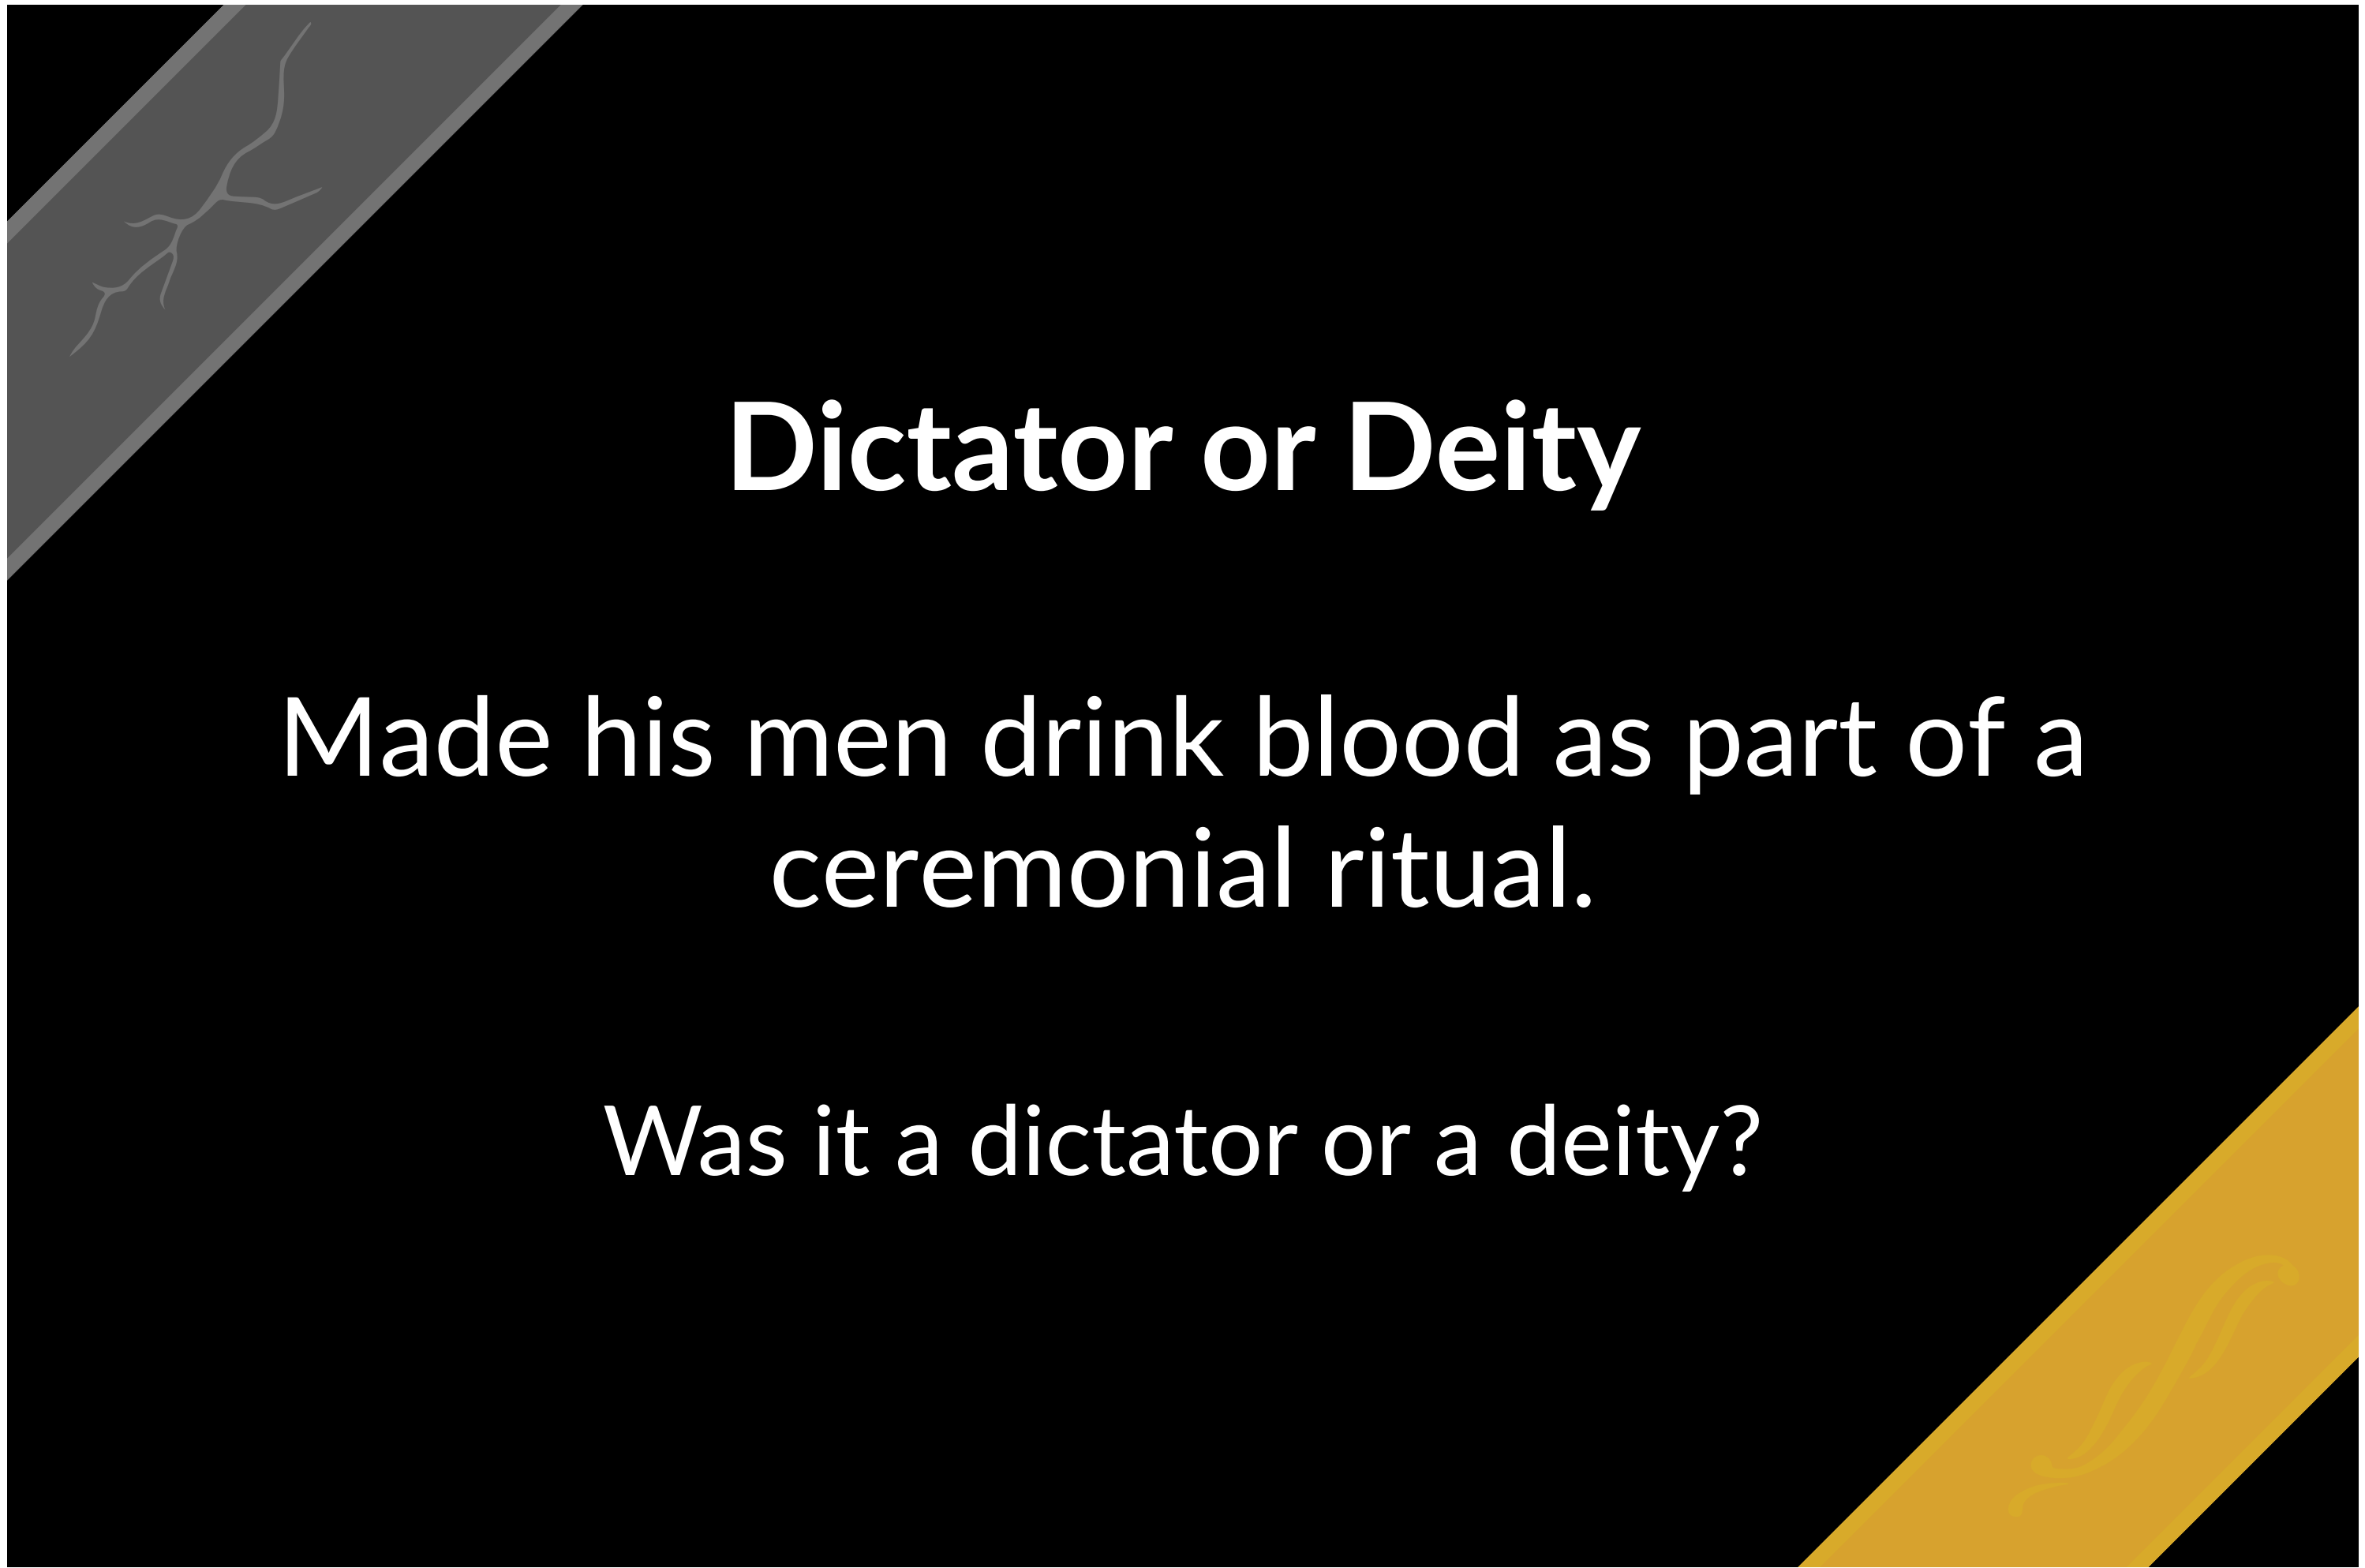

Oppression on back

Gulag Goggles

Winners: Choose someone to "blindfold".
Make them close their eyes for 3 turns.

I would've made you wear a black hood,
but I'm a kind and merciful card game god.

Dictator or Deity

Made his men drink blood as part of a ceremonial ritual.

Was it a dictator or a deity?

Deity

"Eat me" said the Lord. So I dropped to my knees and accepted his body and blood.

Winners: Make a team kneel and drink a small cup of water in their own personal communion.

John 6:53-57

Unholy Trinity

Who personally threatened to burn the
skin off his enemies?

Stalin, Saddam, or Allah?

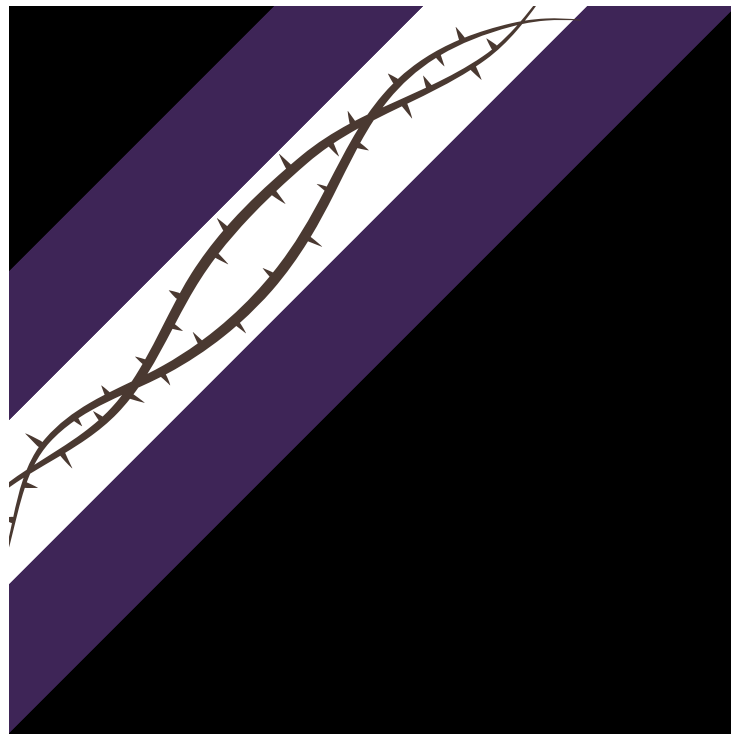

Allah

In the afterlife, nonbelievers' skin will be burned off and continually replaced.

Frankly, I admire the creativity. But what does he do with all that skin?

Upholstery maybe?
Quran 4:56

Die For Our Win

Jesus would wash peoples' feet as an act of kindness. This isn't a game about kindness.

Optional oppression on back

Fetish Finder 5000

Losing team only: Massage a teammate's foot for 1 minute to earn an extra 3 points.

While we're on the topic, did you know Jack Black and Elvis are feet people?
Hopefully this awakens things for you too.

Nazi Business?

Geico
insurance company

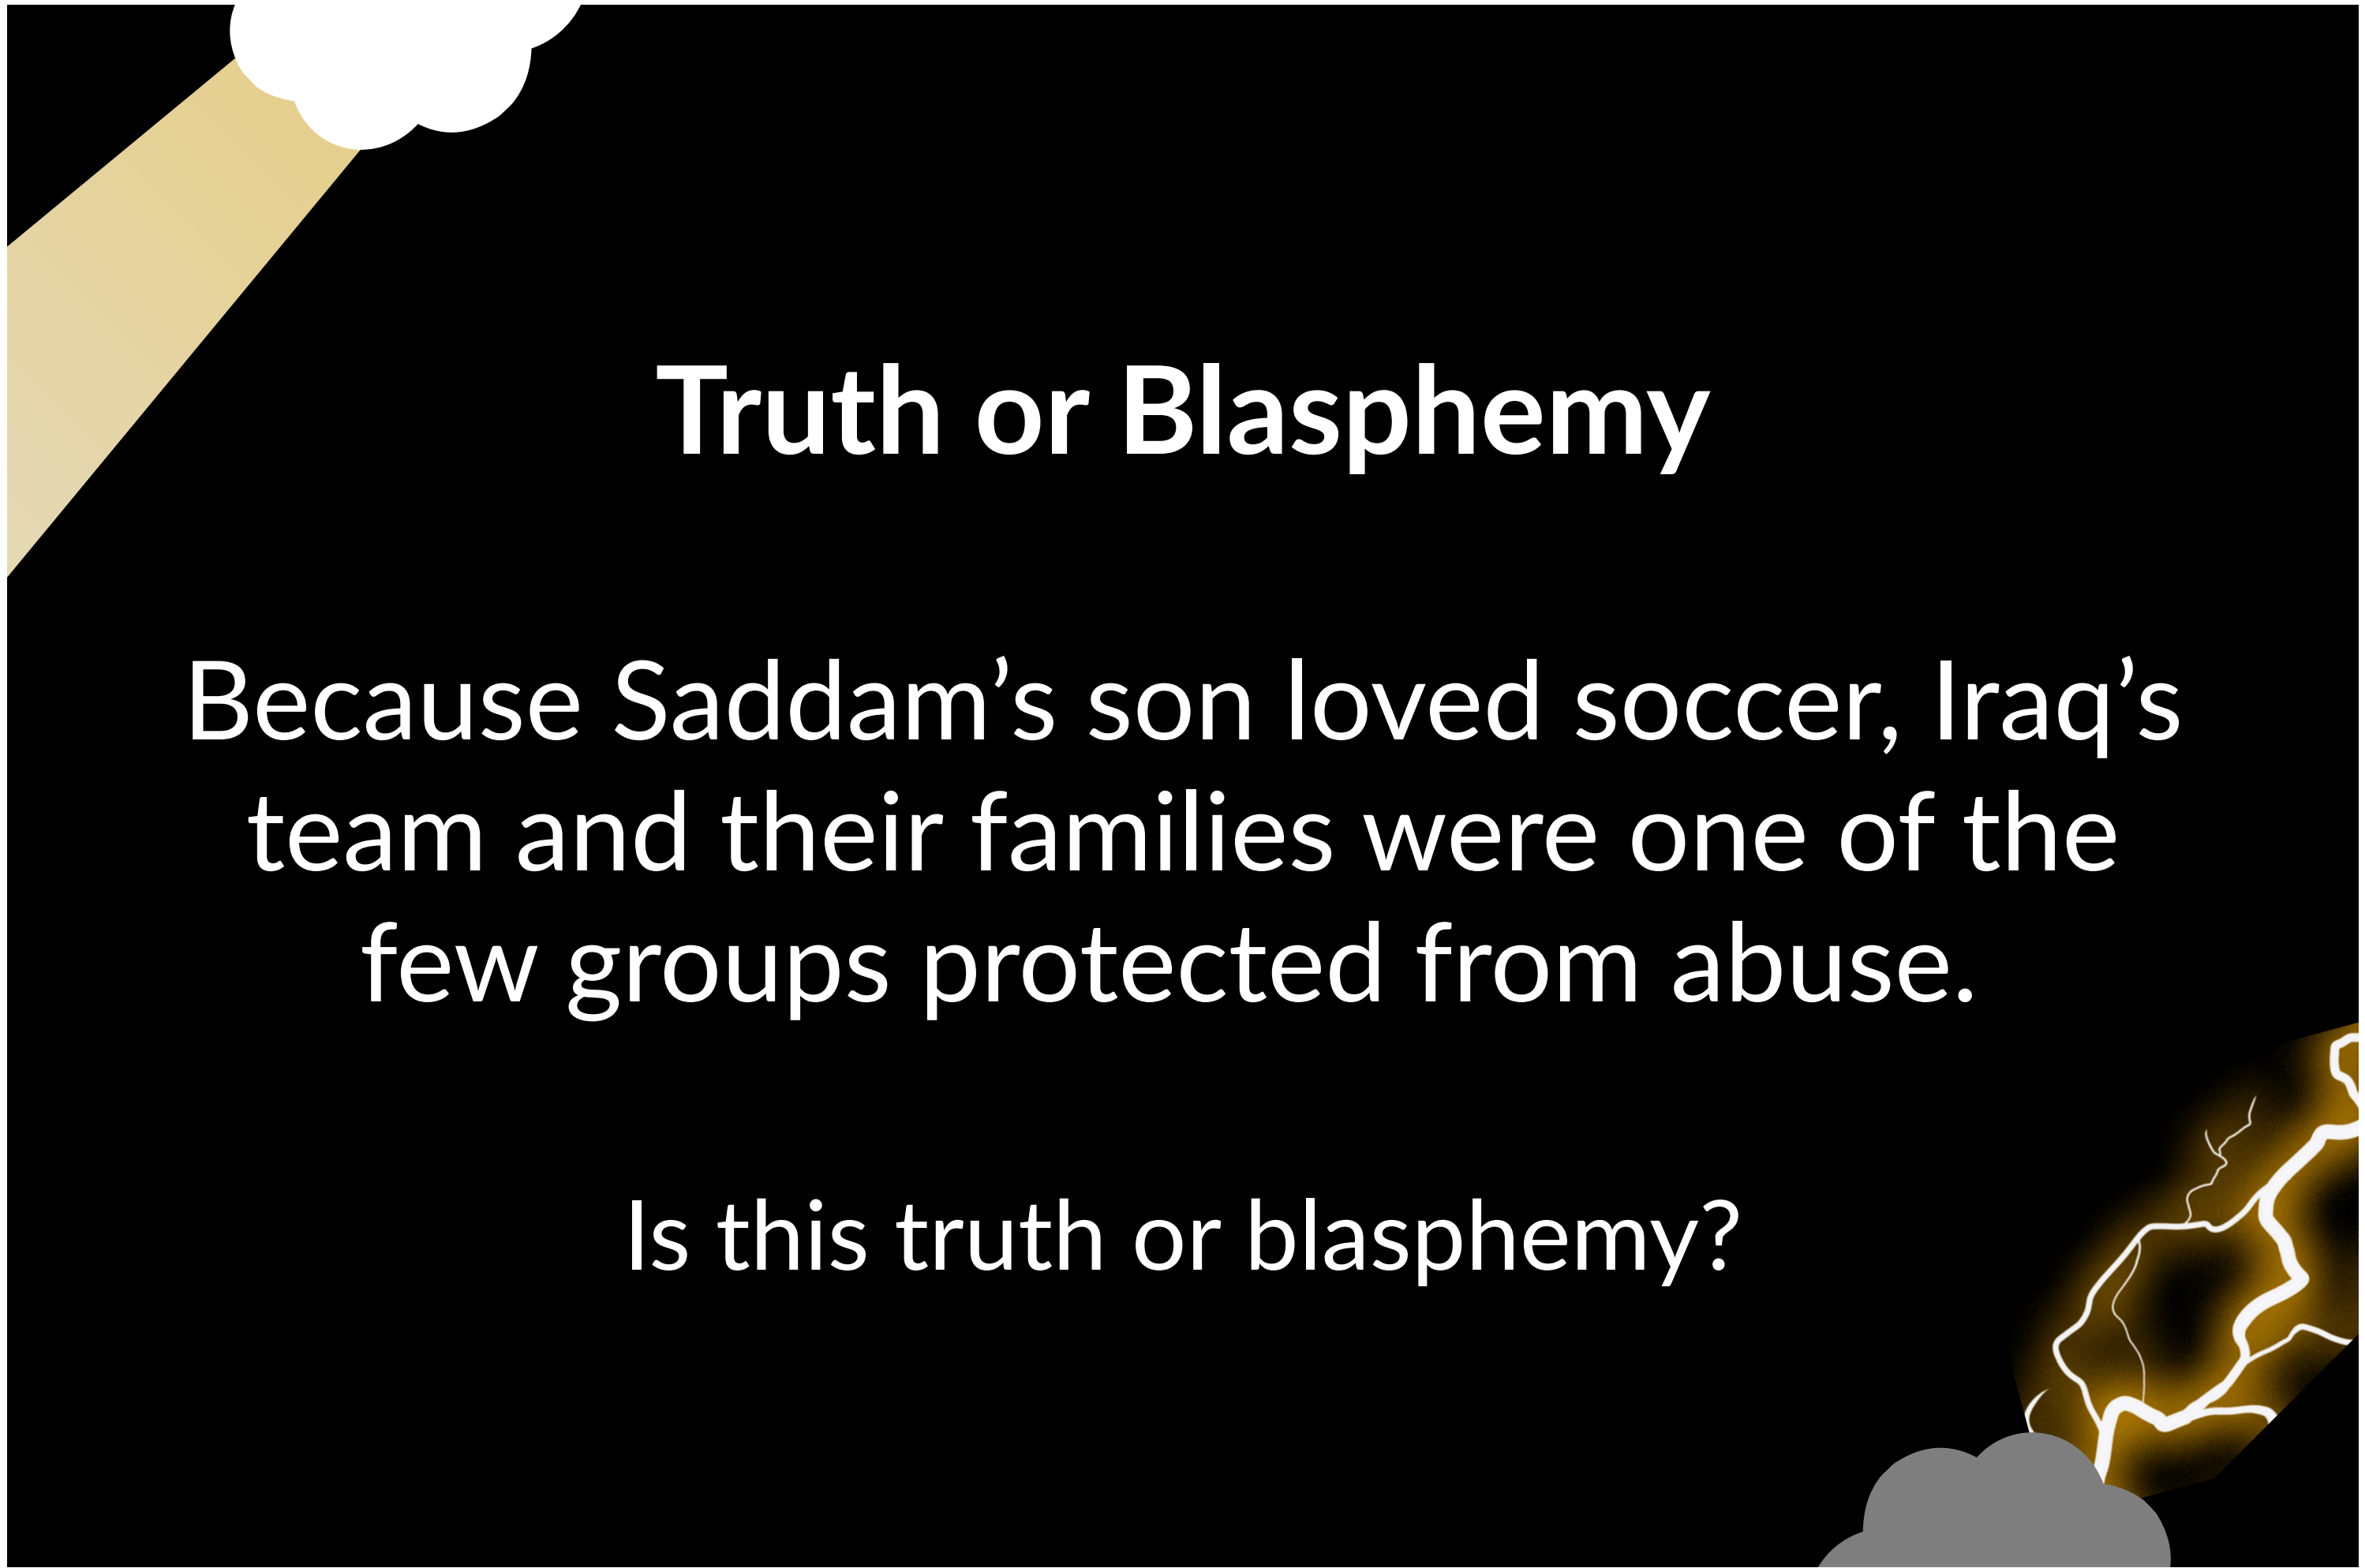

Did they help the Nazis?

No

GEICO is an acronym for Government Employees Insurance Company and was founded in the US in 1936.

I guess not all lizard people are Nazis.

Truth or Blasphemy

Because Saddam's son loved soccer, Iraq's team and their families were one of the few groups protected from abuse.

Is this truth or blasphemy?

Blasphemy

His son subjected the team to brutal torture, including dragging players over hot pavement and forcing them to kick concrete balls.

I can't imagine what he did to the refs.

Unholy Trinity

Who offered little assistance when his
starving citizens began eating their
own children?

Stalin, Saddam, or God?

5 points

Stalin

Thousands resorted to cannibalism while Stalin's government refused to request foreign aid and denied there was a famine.

Imagine having no choice but to eat children noodle soup.

Hope you liked it!

Get the full game for just \$5. Every dollar earned convinces me to pursue more dumb ideas like this one.

Become an enabler.

Back it on Kickstarter:

🔥 Dictator or Deity 🔥

Gave direct orders to cut off the enemy
soldiers' fingertips.

Was it a dictator or a deity?

Deity

Allah told the angels to “cast terror into those who disbelieved”. Which seems like it'd be effective.

I mean... just the tips?
Quran 8:12

micro-oppression

I hope you have newfound appreciation
for your chubby little appendages.
Time to put them on display.

Oppression on back

Reich for the Sky!

Winners: Choose a team. All members must put both hands in the air for 1 turn or 2 minutes at most.

The Nazis made concentration camp victims do this for hours.

Unholy Trinity

Who had a man tortured for stealing a
single potato?

Stalin, Mao, or Muhammad?

There's also a story of a man eating his soup while a young boy pissed in it.

Winners: Make someone pour their water into a bowl and eat it with a spoon.

🔥 Blacked Out 🔥

Muhammad's wife Aisha said that she regularly washed _____ out of Muhammad's clothes.

Guess the missing word

Semen

Man, I need a wife.

Straight from the source:
Sahih al-Bukhari 230

micro-oppression

If you can't find a wife, history has a few workarounds. “Servants”, for example.

Oppression on back

Late Night Slavings

Winners: Choose someone to be a servant of your regime for 2 turns. They must fetch drinks or snacks for every member of the team on command.

Isn't power intoxicating?

Unholy Trinity

Who had goats continuously lick salt off prisoners' feet, causing them to laugh so hard that they passed out?

Mao, Saddam, or Muhammad?

Saddam

When it comes to torture, Saddam's regime was the GOAT.

But this fact came from a random interview, so take it with a grain of salt. Or a lickable layer in this case.

Nazi Business?

Hasbro
toy company

Did they help the Nazis?

No

Hasbro is an American company founded in 1923 by three Jewish brothers from Poland.

Fortunately, Mr. Potato Head never had a toothbrush mustache attachment.

Blacked Out

Like college kids who don't make a cup in beer pong, Stalin's guests had to crawl under the table if they lost at _____.

Guess the missing word

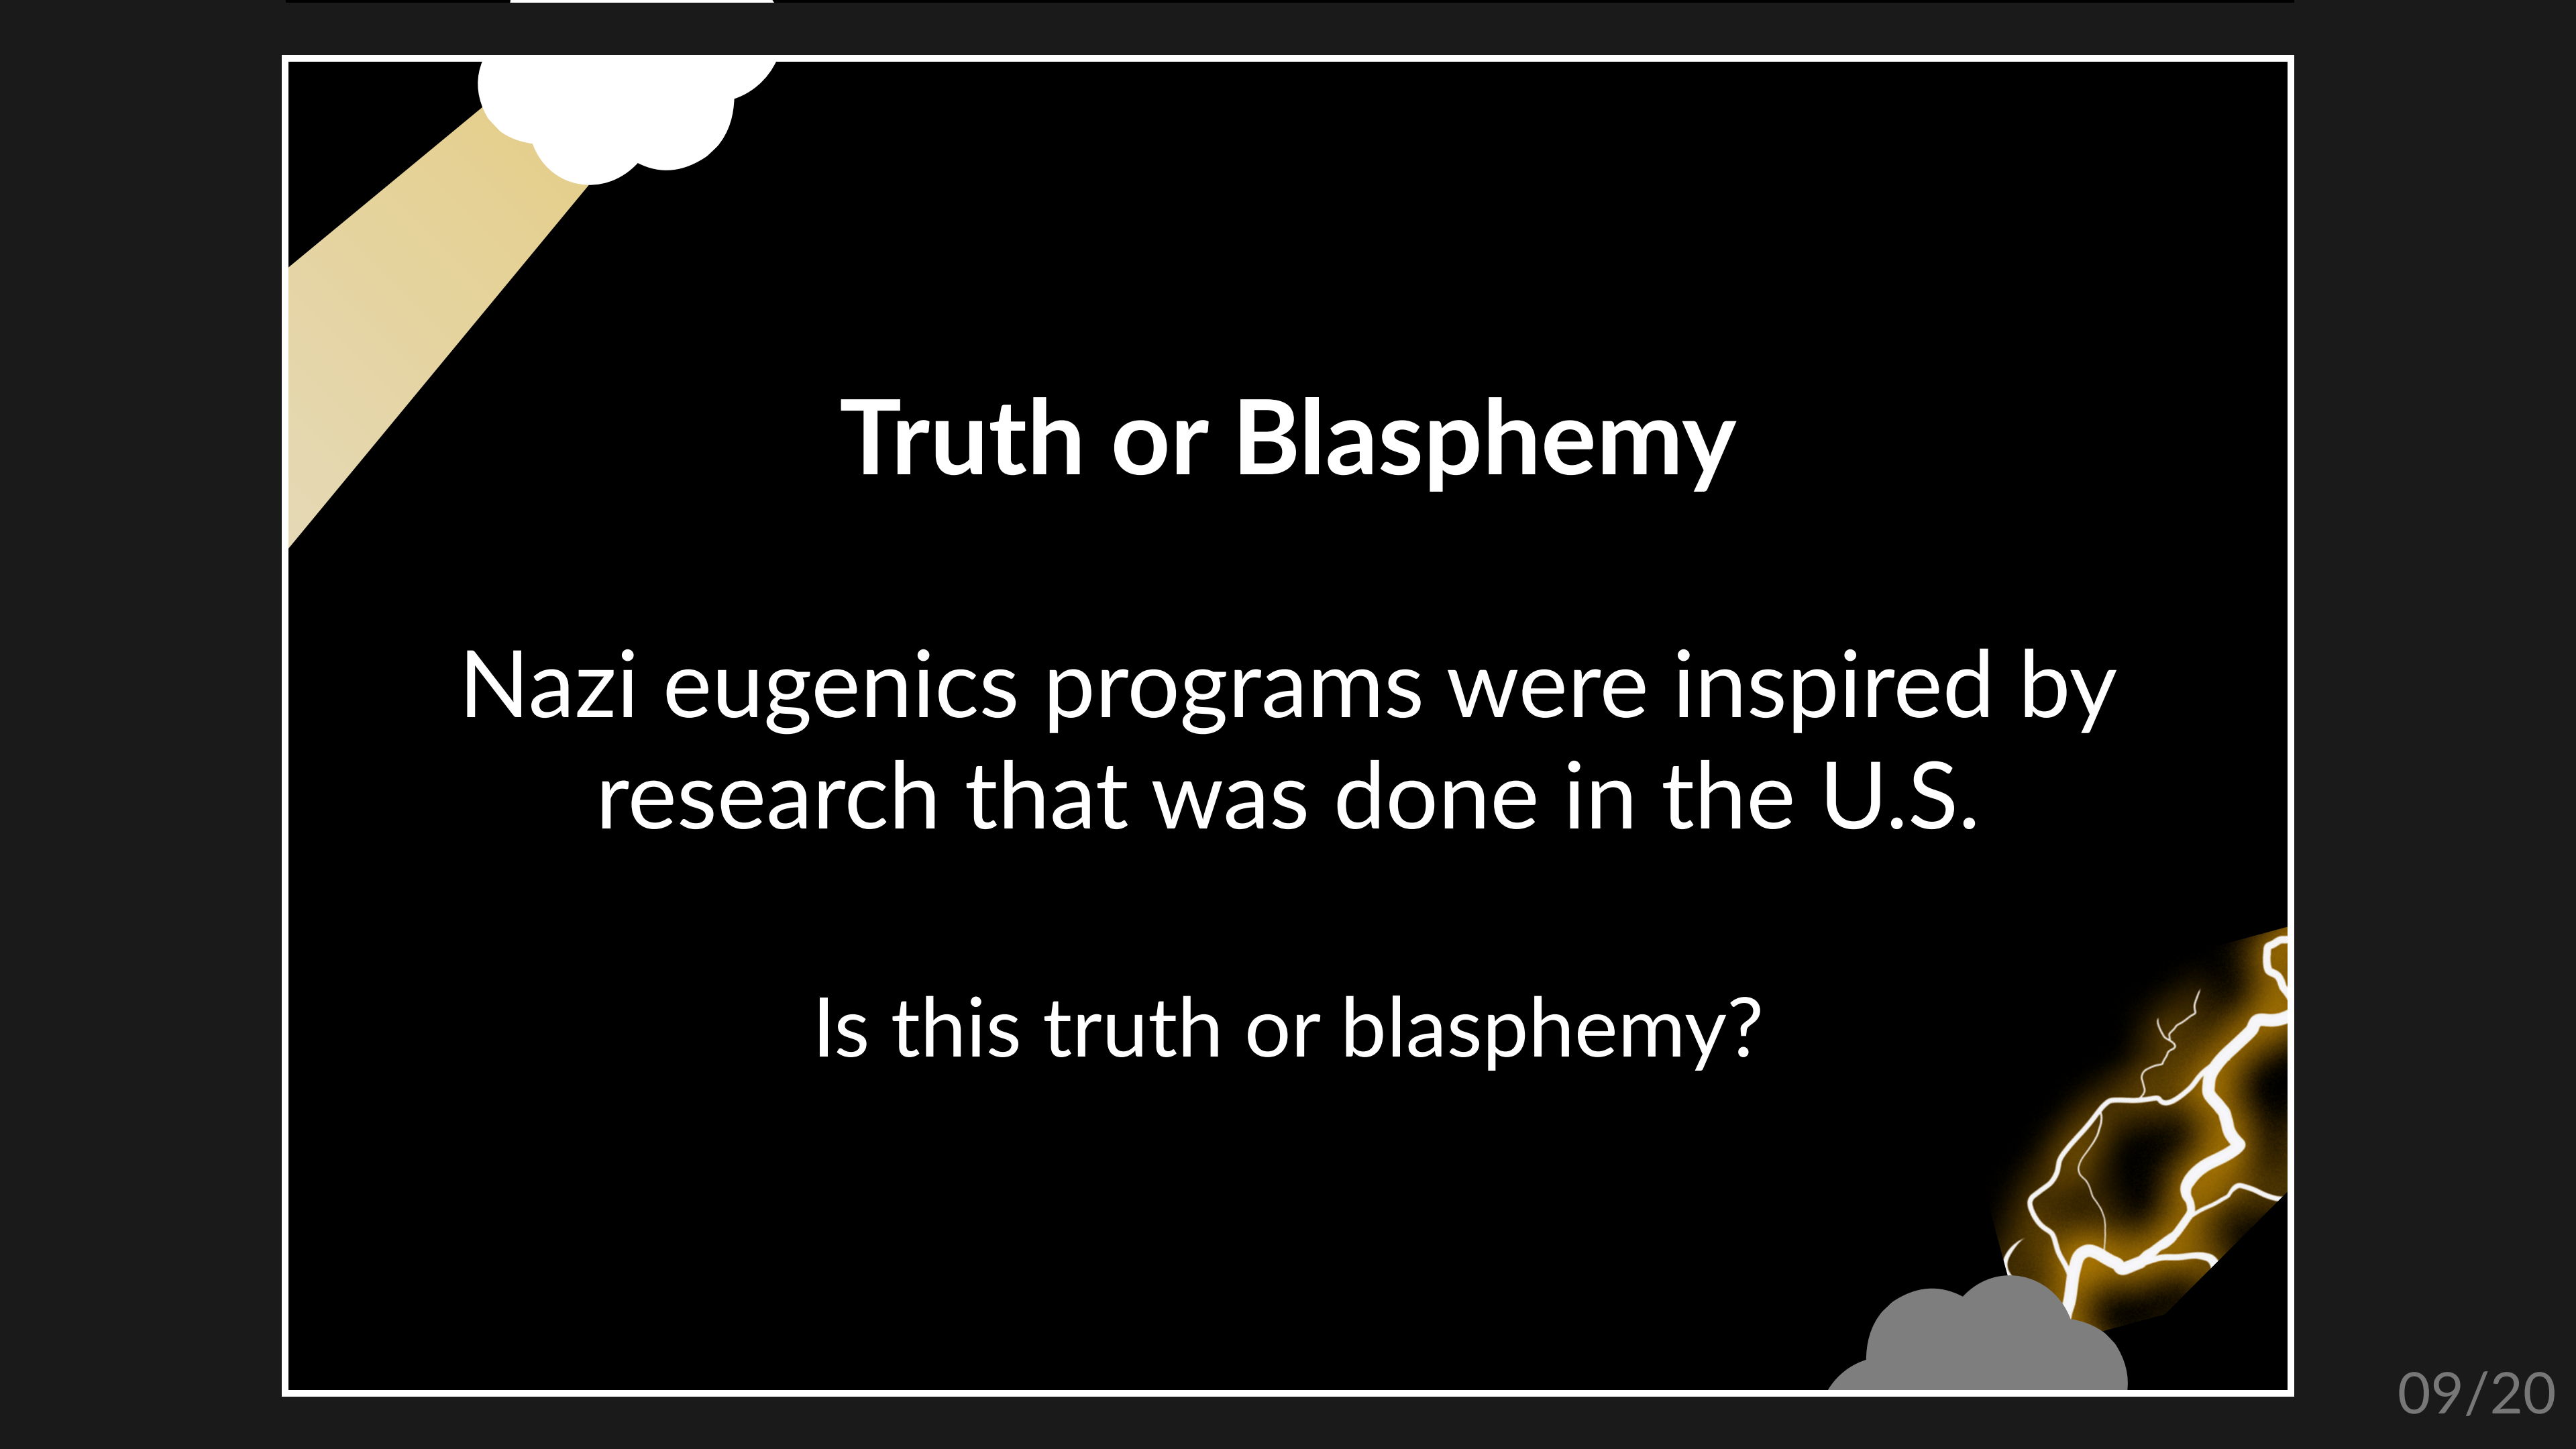

Billiards / Pool

Stalin wouldn't sit under the table, though.
That'd be so beneath him.

Winners: Make someone sit under the
table for the next 2 turns.

Truth or Blasphemy

Nazi eugenics programs were inspired by research that was done in the U.S.

Is this truth or blasphemy?

Truth

Hitler even sent some US eugenicists fan mail. One was a white supremacist who advocated for “scientific racism”.

So much for the U.S. superiority complex.

Unholy Trinity

Before an invasion, who told his troops
“don't leave anything alive that breathes.
Completely destroy them”?

Hitler, Stalin, or God?

God

Siri, define genocide.

Deuteronomy 20:16-17:

💀 Brutality Break 💀

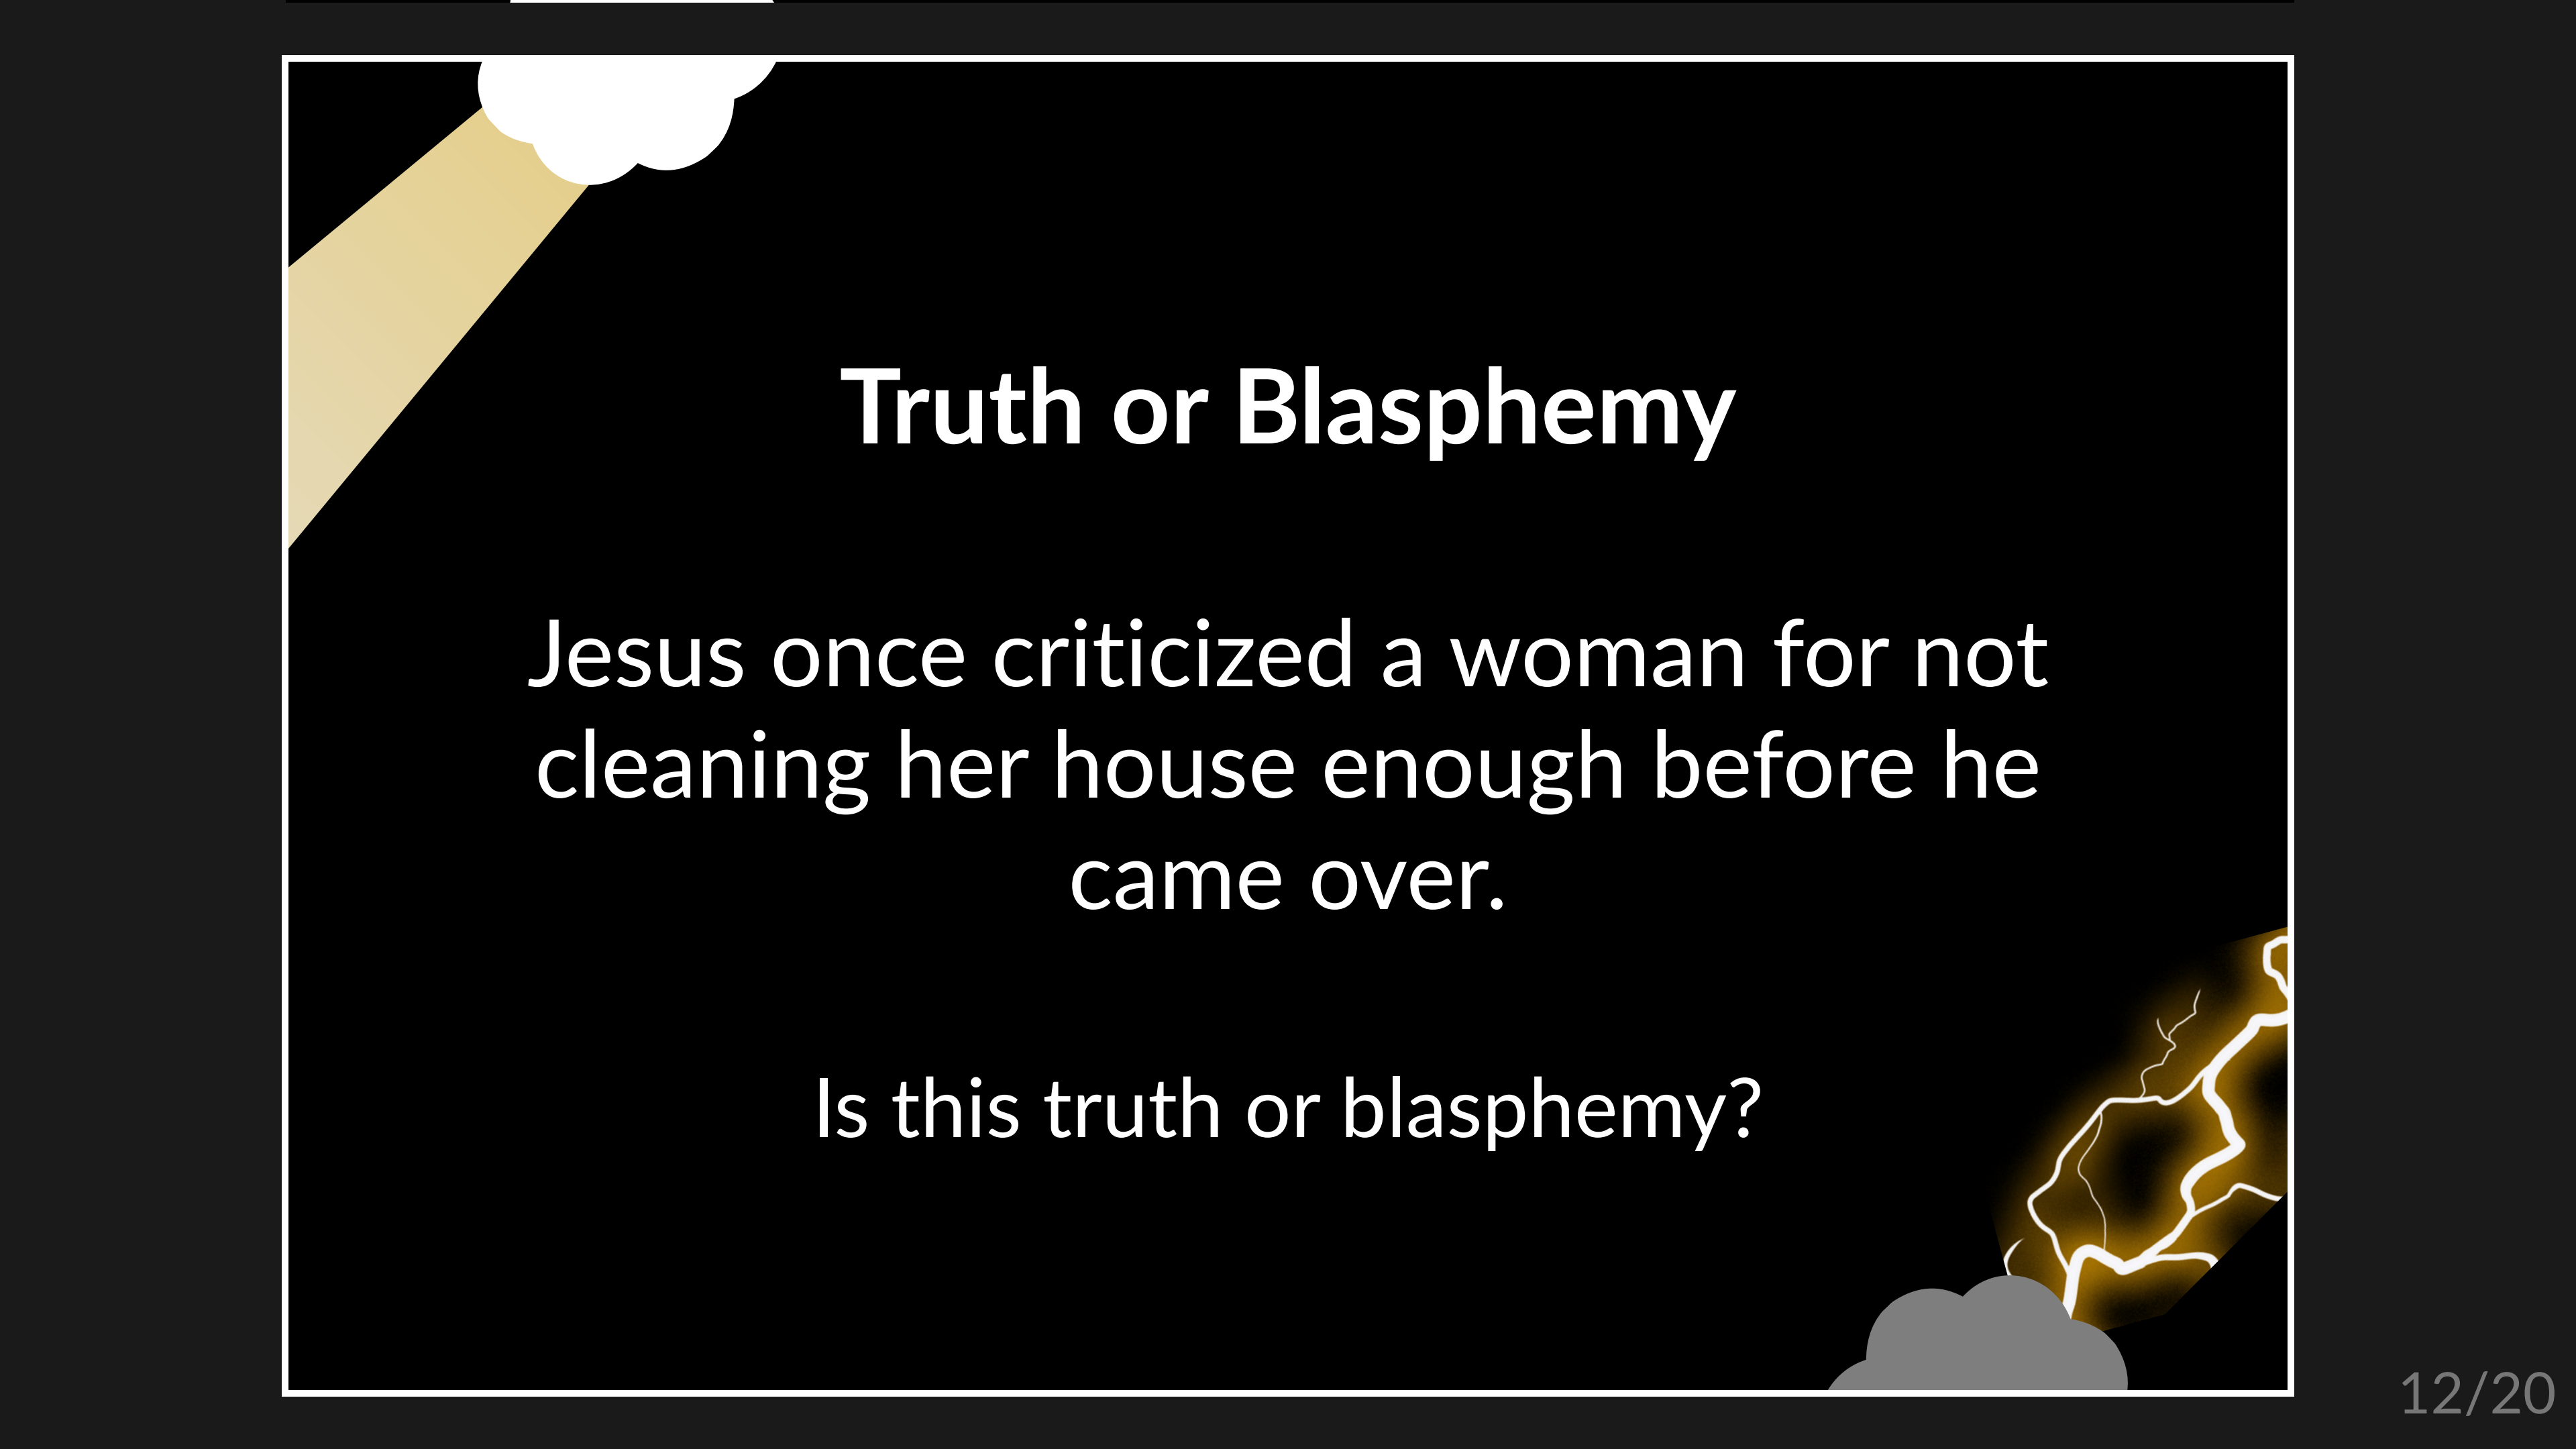

It took the Nazis ____ weeks to
conquer France.

Closest guess wins

6 weeks

Like zombies, fast fascists are extra scary.

Losers: March in a line for 2 minutes. Make sure you keep your legs straight too. They call that goose steppin'.

Truth or Blasphemy

Jesus once criticized a woman for not cleaning her house enough before he came over.

Is this truth or blasphemy?

Blasphemy

He criticized her for not sitting and listening to him and his disciples.

Can't say I blame her, though. I've seen what happens when a woman sits down in a circle of men

Luke 10: 38-42

🔥 Which Dick 🔥

Which dictator blew up churches, shot
clergymen, and made Christmas a
working holiday?

Hitler, Stalin, Mao, or Saddam?

Stalin

See? It starts with “Happy Holidays” and next thing you know you’re gunning down priests in the streets.

micro-oppression

Personally, I would've rounded up the commies instead. No one's taking Christ out of my Christmas.

Oppression on back

Bind, Torture, Chill

Winners: Choose a team. For the next 3 turns, all players on that team must keep their hands held behind their back.

Don't assault them, though. We're playing pretend police here, not real ones.

?

Nazi Business?

Hugo Boss
luxury fashion brand

Did they help the Nazis?

?

Yes

The fashion company not only joined the Nazi party but also produced the notorious black SS uniforms.

One could say they were a bunch of fascist fashionistas.

Unholy Trinity

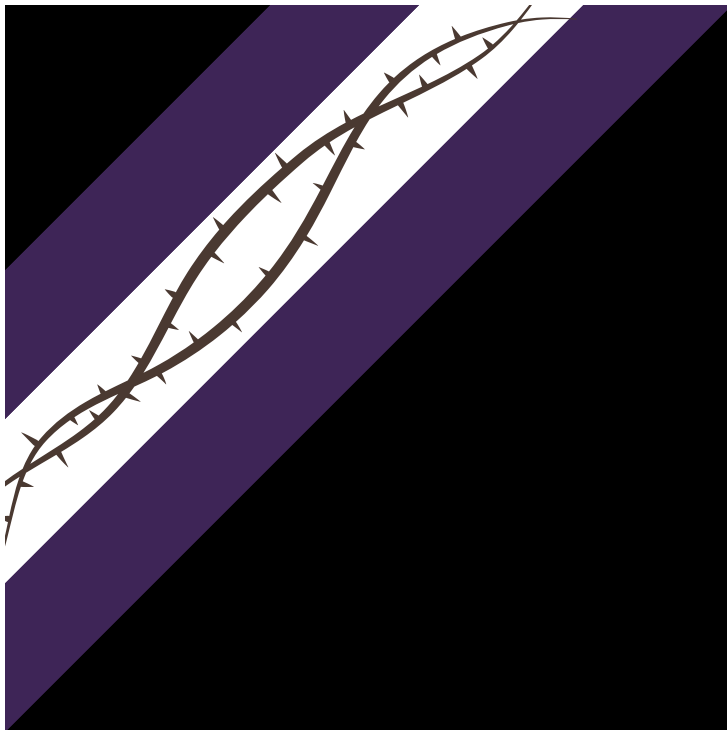

Who had people publicly humiliated by
ordering their face to be covered in
black ink.

Hitler, Saddam, or Muhammad?

Mao

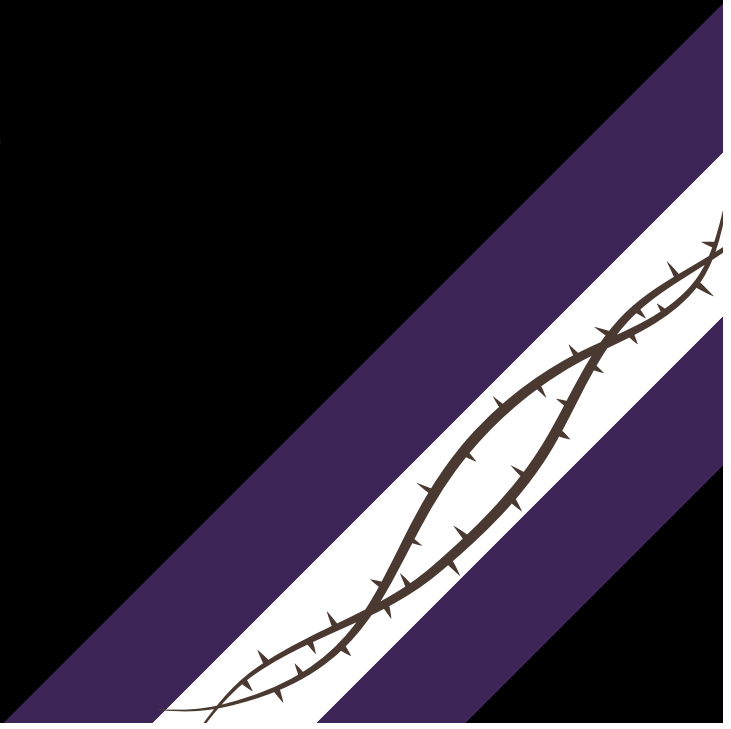

Well at least he understood that black face is distasteful.

Die For Our Win

The goat thing? Yeah, we're going there.

Optional oppression on back

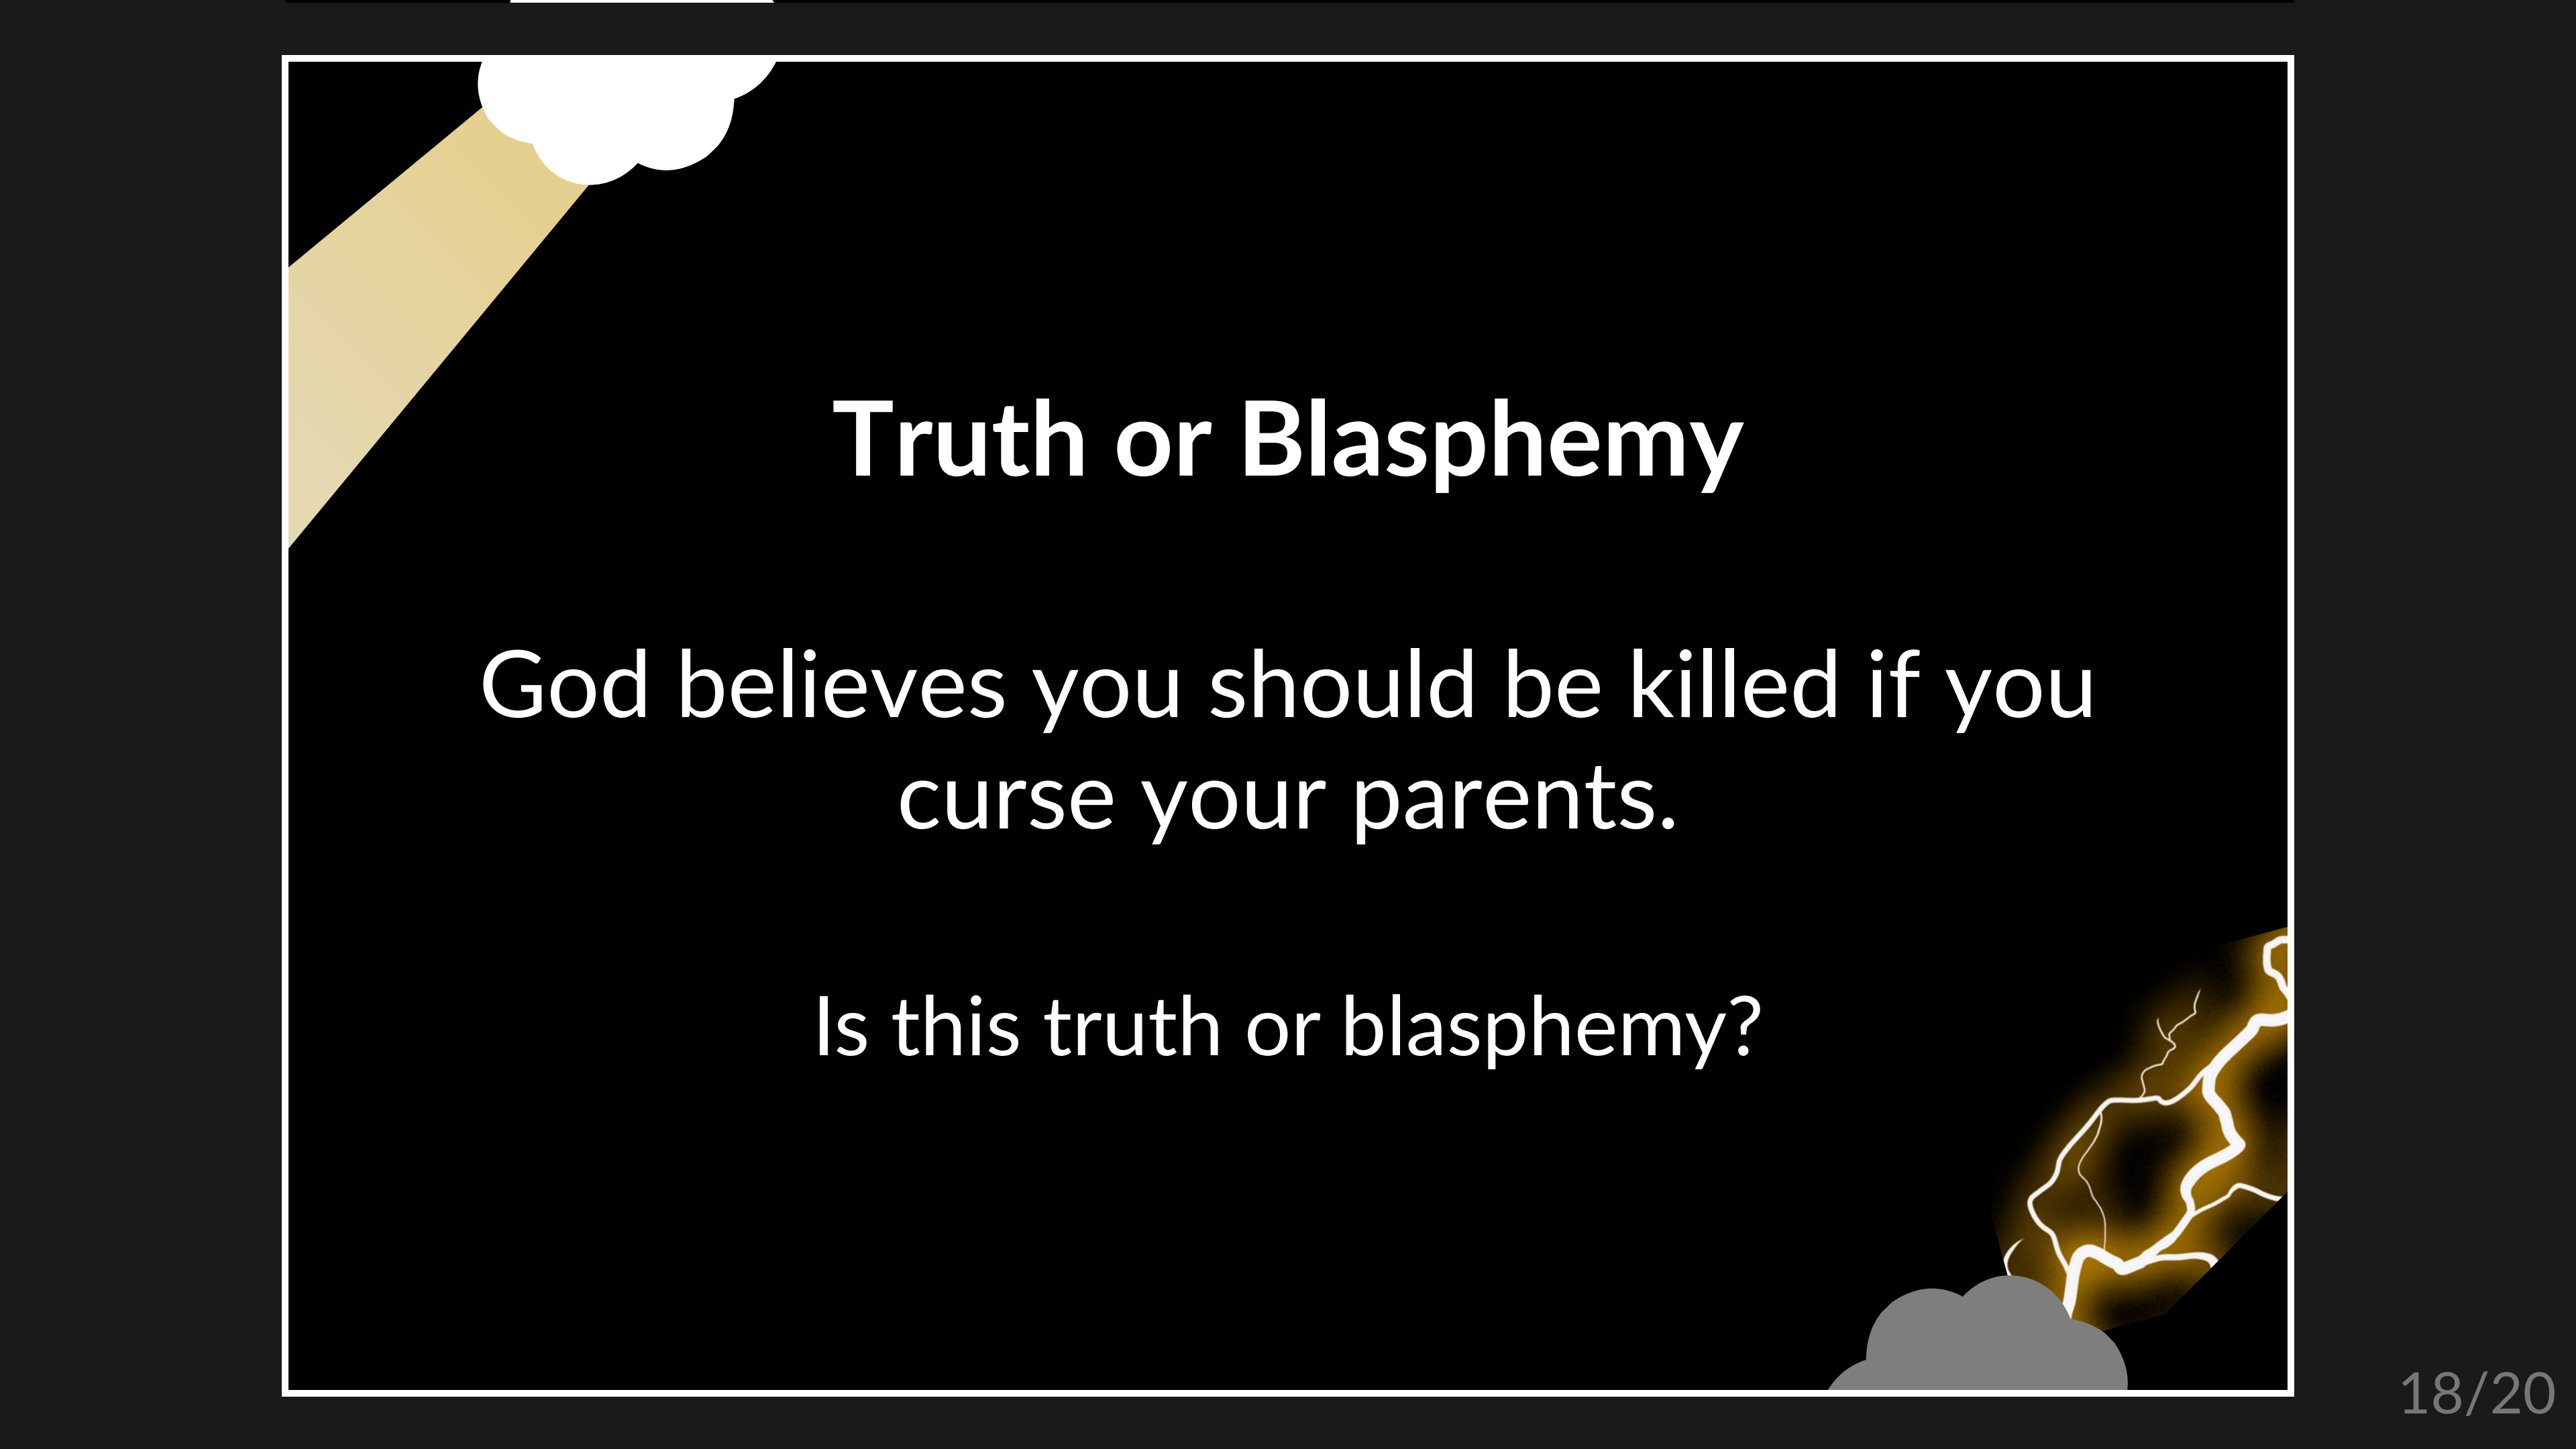

Going Goat

Losing team only: Simulate the goat torture experience. Have one person slowly lick a teammate's palm 5 times.

It's only awkward if you make it awkward.

3 points

Truth or Blasphemy

God believes you should be killed if you
curse your parents.

Is this truth or blasphemy?

Truth

I'll only say this once, but I'm glad parents are against kids getting stoned.

God was blunt about it too:
Exodus 21:17

Which Dick

Which dictator wrote a book originally titled 'Four and a Half Years of Struggle against Lies, Stupidity, and Cowardice'?

Hitler, Stalin, Mao, or Saddam?

Hitler

This book eventually became Hitler's Mein Kampf (aka My Struggle).

Does liking the original title make me a Nazi?

Blacked Out

Muhammad married Aisha when she was
__ years old.

Closest guess wins

5 points

6 years old

Muhammad married Aisha when she was 6 and "consummated" the marriage when she was 9.

Talk about some dirty laundry:
Sahih al-Bukhari 5134

Having fun?

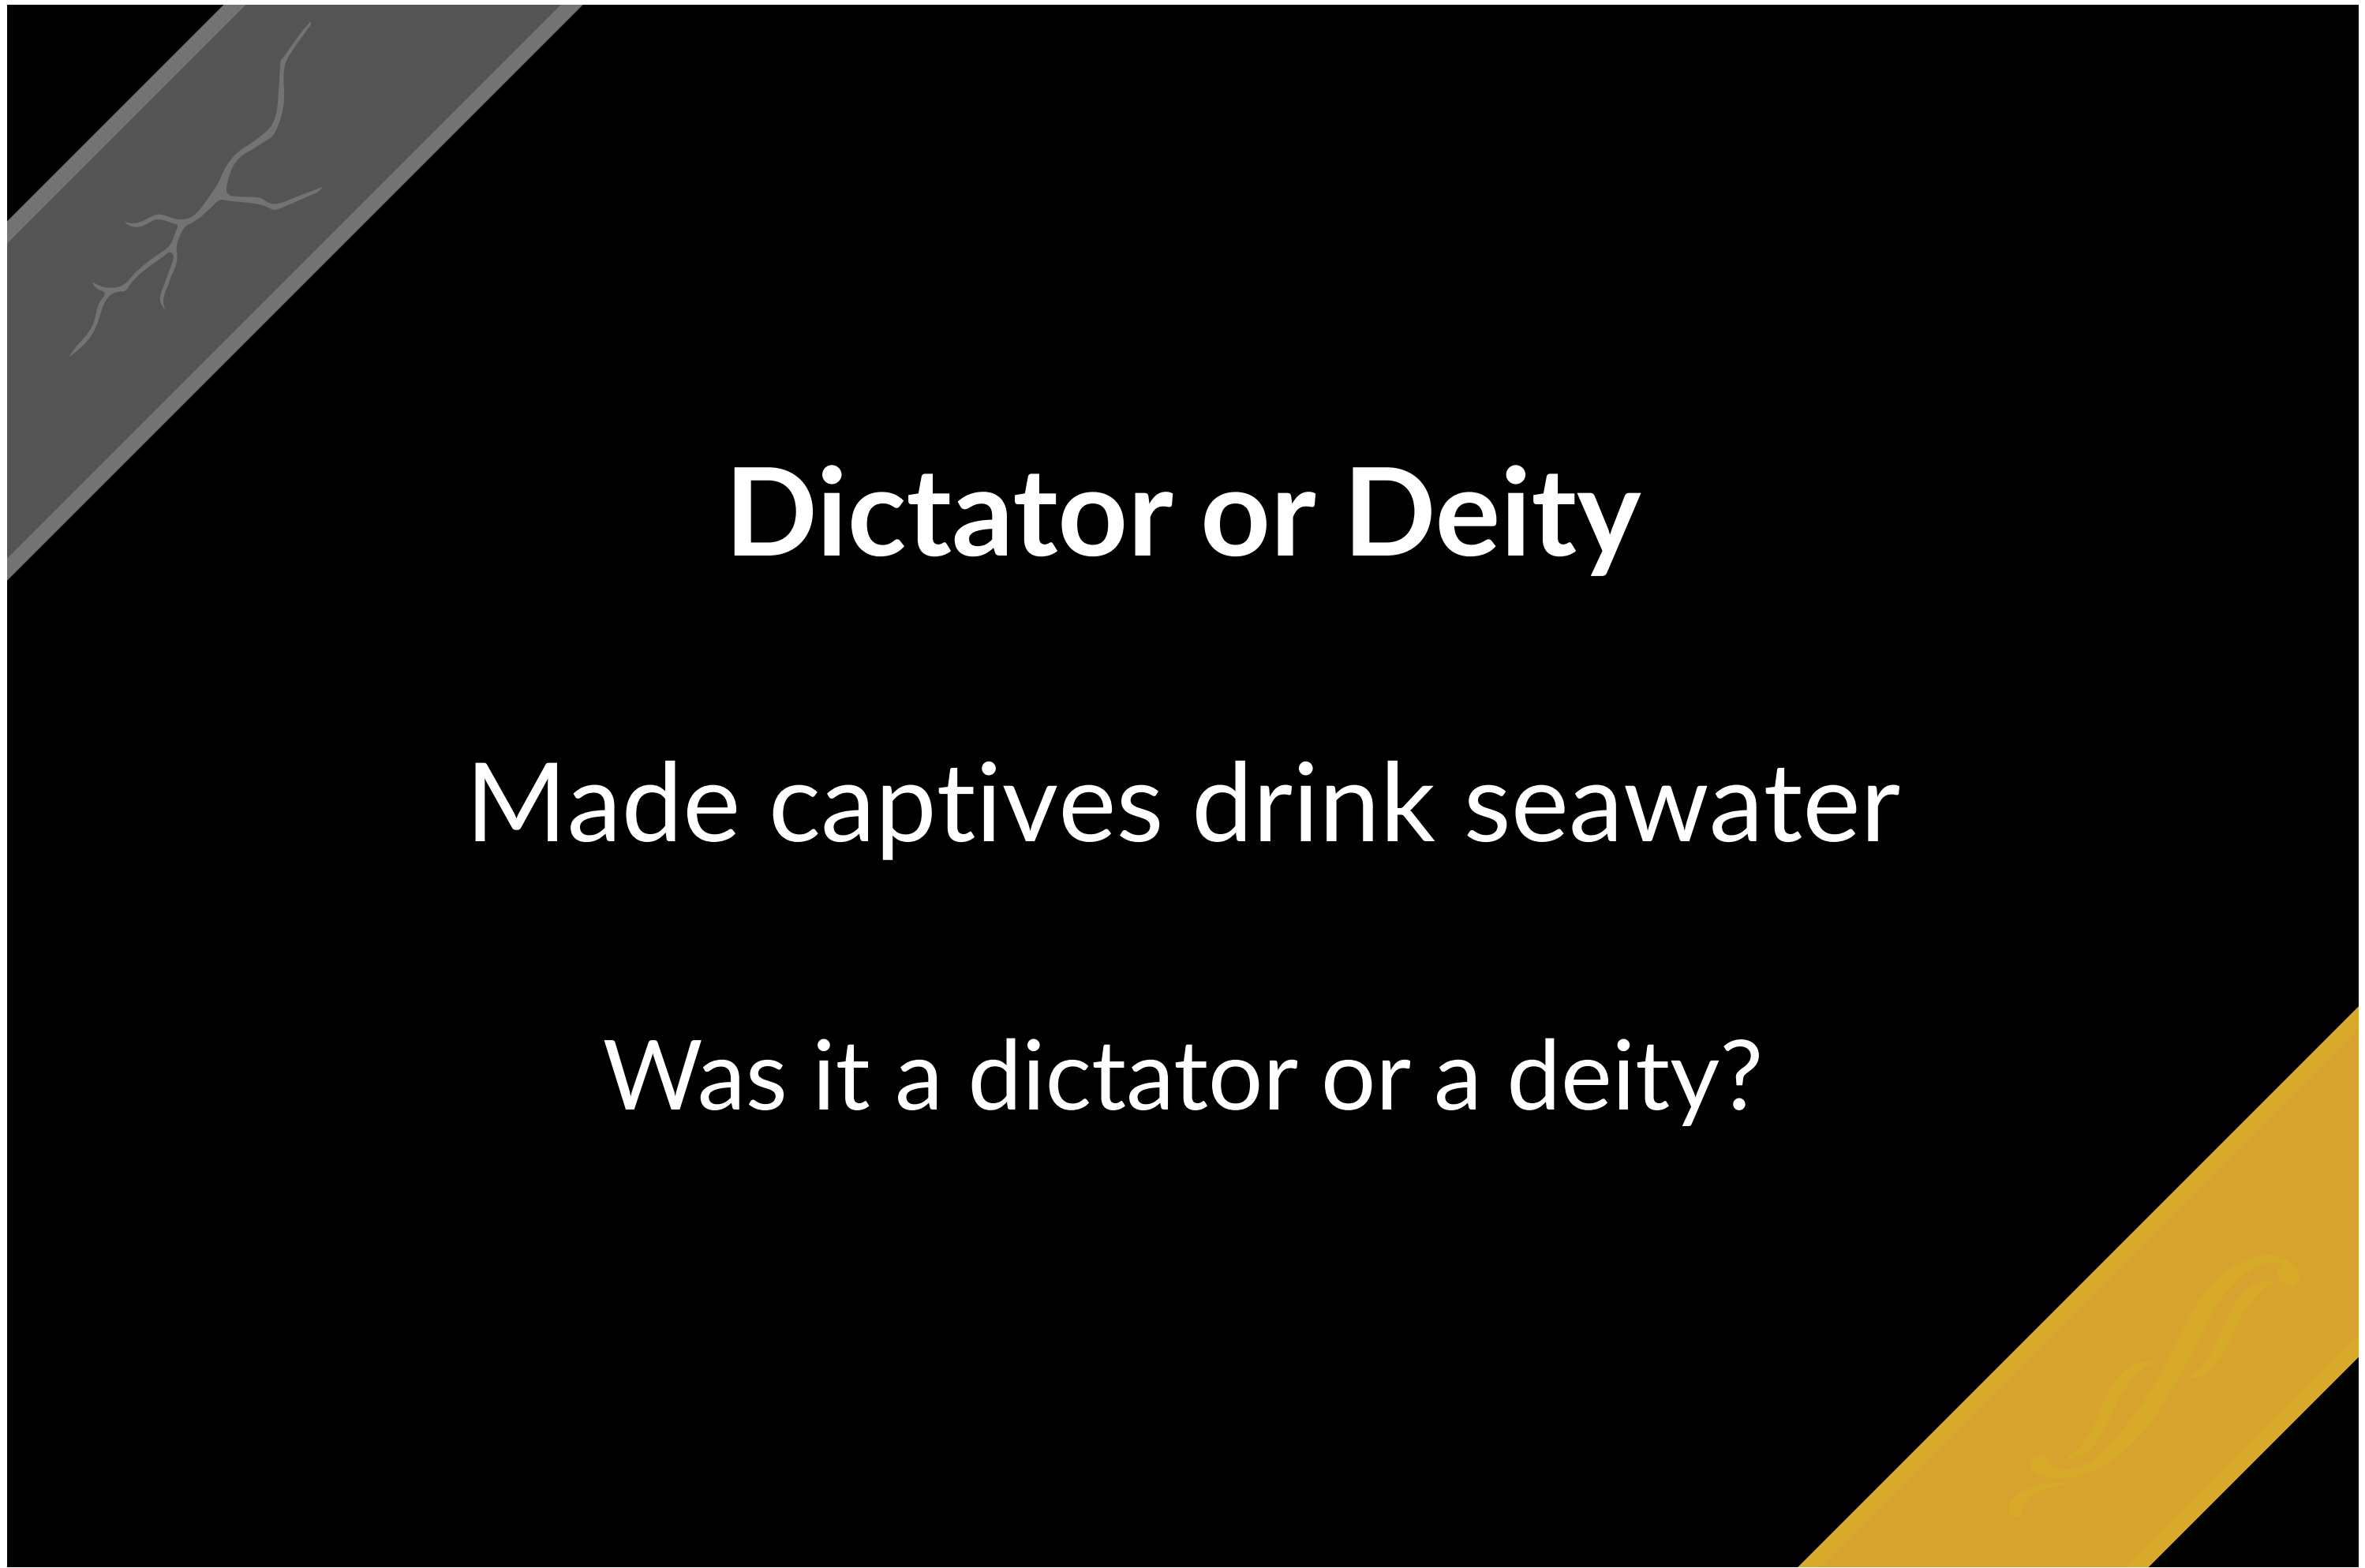

Consider backing the game for \$5 on Kickstarter. I looked it up, and that's 80% cheaper than Mein Kampf. And Hitler wasn't funny.

Plus my grandpappy killed Nazis so...

Round 3

Dictator or Deity

Made captives drink seawater

Was it a dictator or a deity?

Dictator

This was one of many Nazi experiments. Victims became so dehydrated that they sucked dirty water out of mops.

Winners: Make another team suck all the water out of a soaked paper towel.

🔥 Which Dick 🔥

Which dictator organized armed robberies before coming to power?

Hitler, Stalin, Mao, or Saddam?

Stalin

Stalin and other Bolsheviks made daring robberies to fund their revolutionary ambitions. If only Stalin had stayed in his bad boy phase.

I mean look at that mugshot:

micro-oppression

Do you know sometimes they won't let
you smile in mugshots? I find that
oppressive.

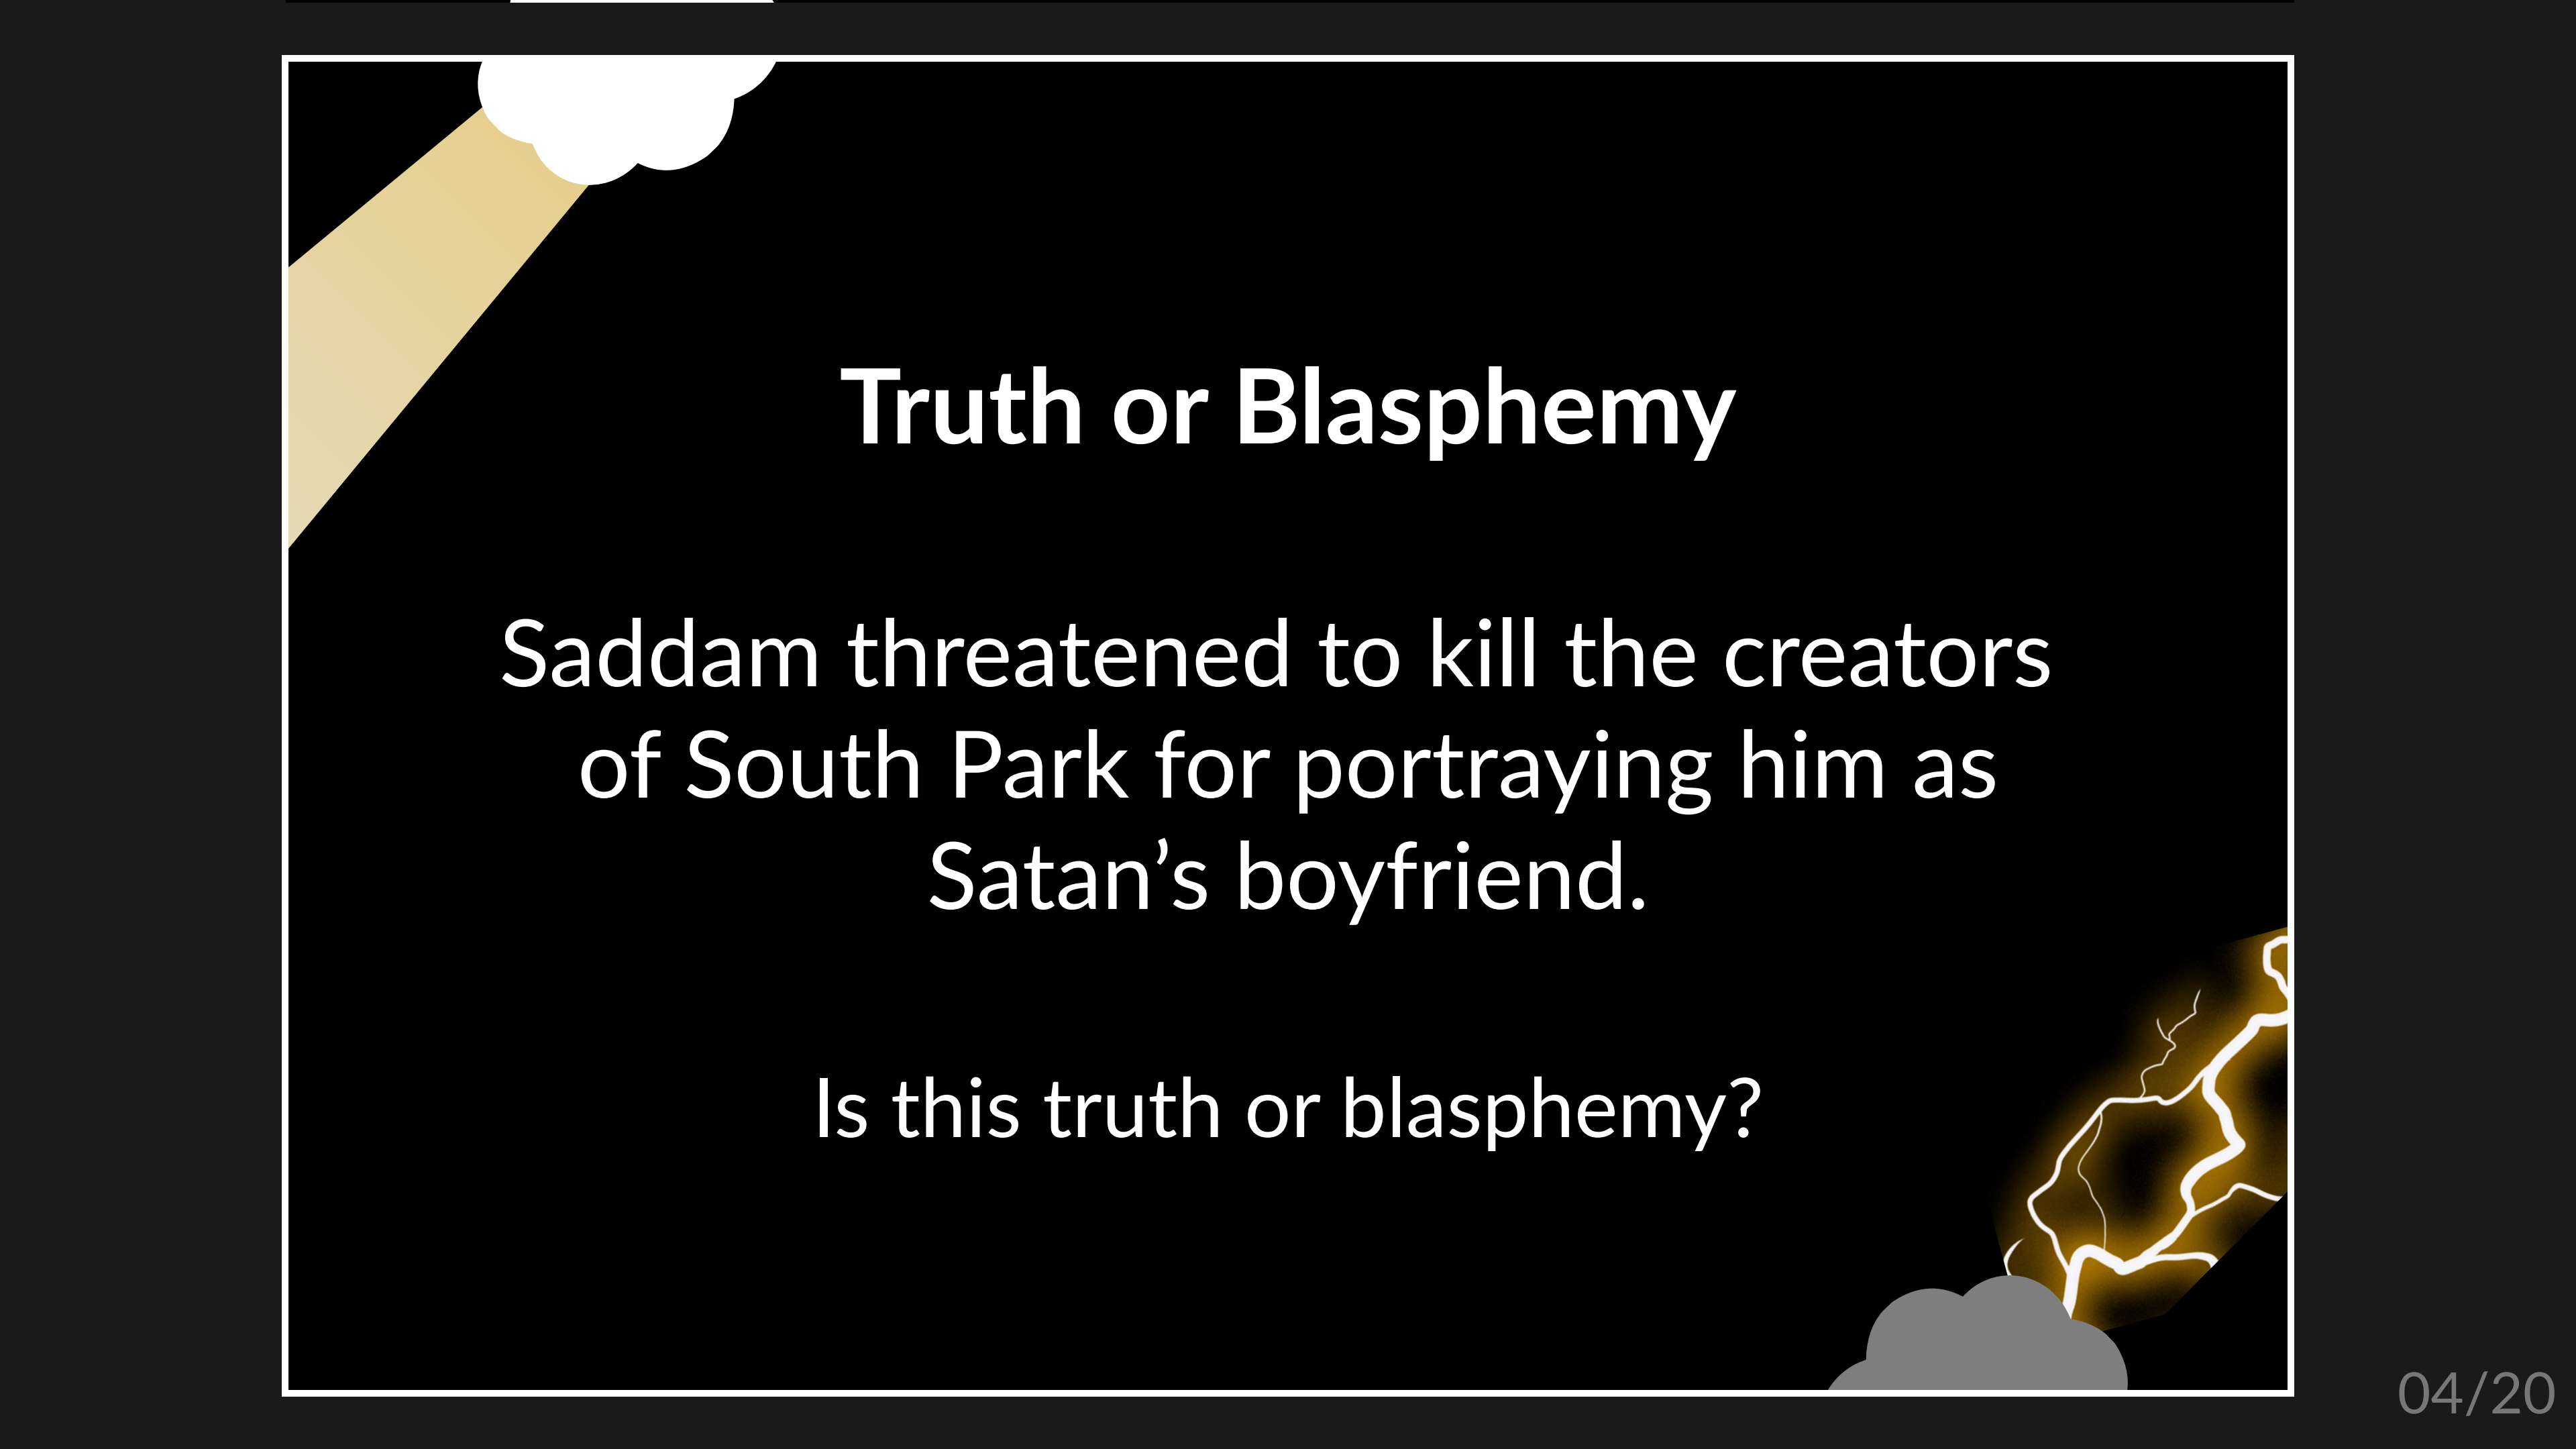

Oppression on back

Extremely Cheeeesy

Citizens under a dictatorship often have to pretend things are great. It's like faking smiles at work, except you could die.

Winners: Make another team smile continuously for 3 turns.

Truth or Blasphemy

Saddam threatened to kill the creators
of South Park for portraying him as
Satan's boyfriend.

Is this truth or blasphemy?

Blasphemy

He signed a picture for them... while being forced by US Marines to watch the South Park movie on repeat.

Winners: Make someone watch a weird video for 1 minute. No beheadings plz.

Blackened Out

When the Soviets found Hitler's body,
they could only identify him based on
his _____.

Guess the missing word

Teeth

Hitler's body had been burned, so his teeth were the only way to confirm it was him.

But Stalin said Hitler had fled to Argentina, probably because inventing conspiracy theories is just plain fun.

🔥 Unholy Trinity 🔥

Whose family said he was “out of
his mind”

Hitler, Stalin, or Jesus?

Jesus

You know, my family said I was crazy once too. Turns out they were right! Good thing mental illness didn't exist in Jesus's time.

Unless *my* visions were real:
Mark 3:20-22

micro-oppression

I bet the authorities would've crucified
me too. I mean singing in public?
Better get the nail guns out.

Oppression on back

Telephone Pole Tryouts

Winners: Make three players stand and hold their arms out for 1 turn.

And this isn't just a Jesus thing. Allah was big into crucifixions too. This game is all about inclusivity.

Quran 5:33

Nazi Business?

Puma
shoe company

Did they help the Nazis?

Technically, no

But its Nazi founder did. He and his brother “Adi” started Adidas decades earlier and supplied the Nazis during the war.

They were licking Hitler’s boots before they even got off the line.

Unholy Trinity

Who told his men to brand the eyes of
people who had committed theft
and murder?

Hitler, Saddam, or Muhammad?

Muhammad

He also left them to die in the wilderness.
In their defense, Muhammad did convince
them to drink camel piss as medicine, so I
can see why they were upset.

But the piss potion did work:
Sahih al-Bukhari 6805

Blacked Out

Moses' wife protected him from God by cutting off their son's f_____ and touching Moses' feet with it.

Guess the missing word

Foreskin

Maybe it's like garlic with vampires?

Fore reference:
Exodus 4:24-26

💀 Brutality Break 💀

It took __ hours for someone to call a doctor after Stalin was found passed out face down in his own piss.

Closest guess wins

8 hours

Stalin had been persecuting doctors at the time, so his men hesitated to call for help.

Losers: Draw the hammer & sickle 15 times each. I bet they needed quite a few propaganda posters after his death.

?

Nazi Business?

Ray-Ban
sunglasses company

Did they help the Nazis?

?

No

Ray-Bans were originally designed for US pilots in WWII to reduce glare and minimize headaches, hence aviators.

But what I don't get is why police wear them so often. Pigs can't fly.

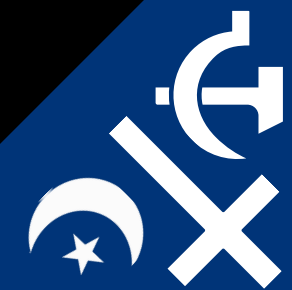

Unholy Trinity

Who had his best friend executed as a
show of strength?

Stalin, Saddam, or Muhammad?

Saddam

He killed the guy then allegedly cried about it at the funeral. What a wuss.

micro-oppression

I'm not sure how he killed him, though.
Guillotine maybe. Did you know France
used them until 1977?

Oppression on back

Getting Cut Off

Winners: Make someone put their head on the table with their ear down for 2 turns.

I'd write something clever here, but I've been working on this stupid game for over a year now, and I'm about to lose *my* head.

Blacked Out

Allah once had b____s fend off war elephants. Hint: It's an animal.

Guess the missing word

Birds (dropping stones)

Where was Allah when Gondor called for aid? Sauron had a whole elephant army during Return of the King. Well. At least in the movie.

Who reads the book?
Quran 105:1-5

Unholy Trinity

Who encouraged students to kill their
teachers and other educators?

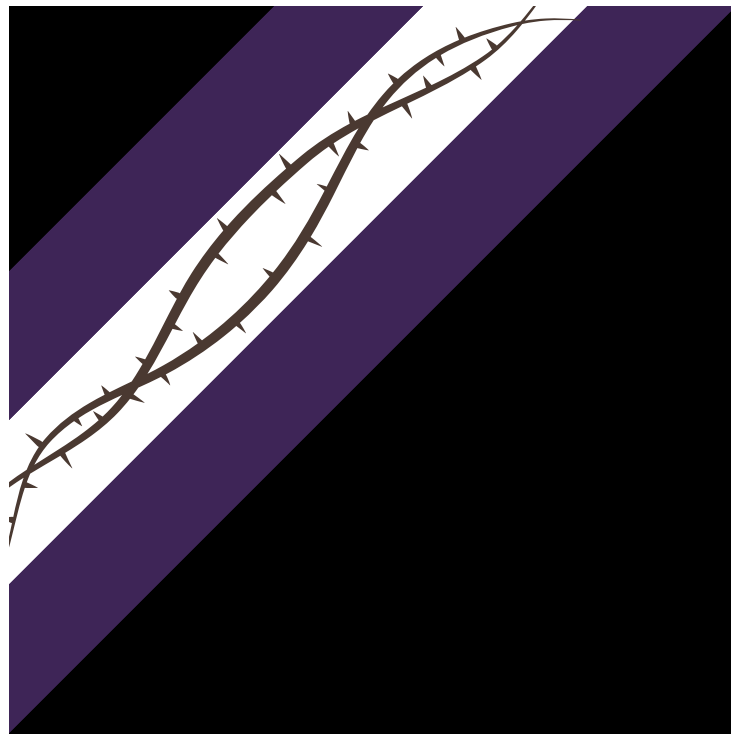

Hitler, Saddam, or Muhammad?

Mao

Mao's meeting with a female student leader triggered a wave of violence that killed thousands as the police stood down.

But you gotta give him credit. Empowering women leaders and all.

Die For Our Win

One time, God filled up a big bathtub and
held all his misbehaving children down
until the bubbles stopped.

Optional oppression on back

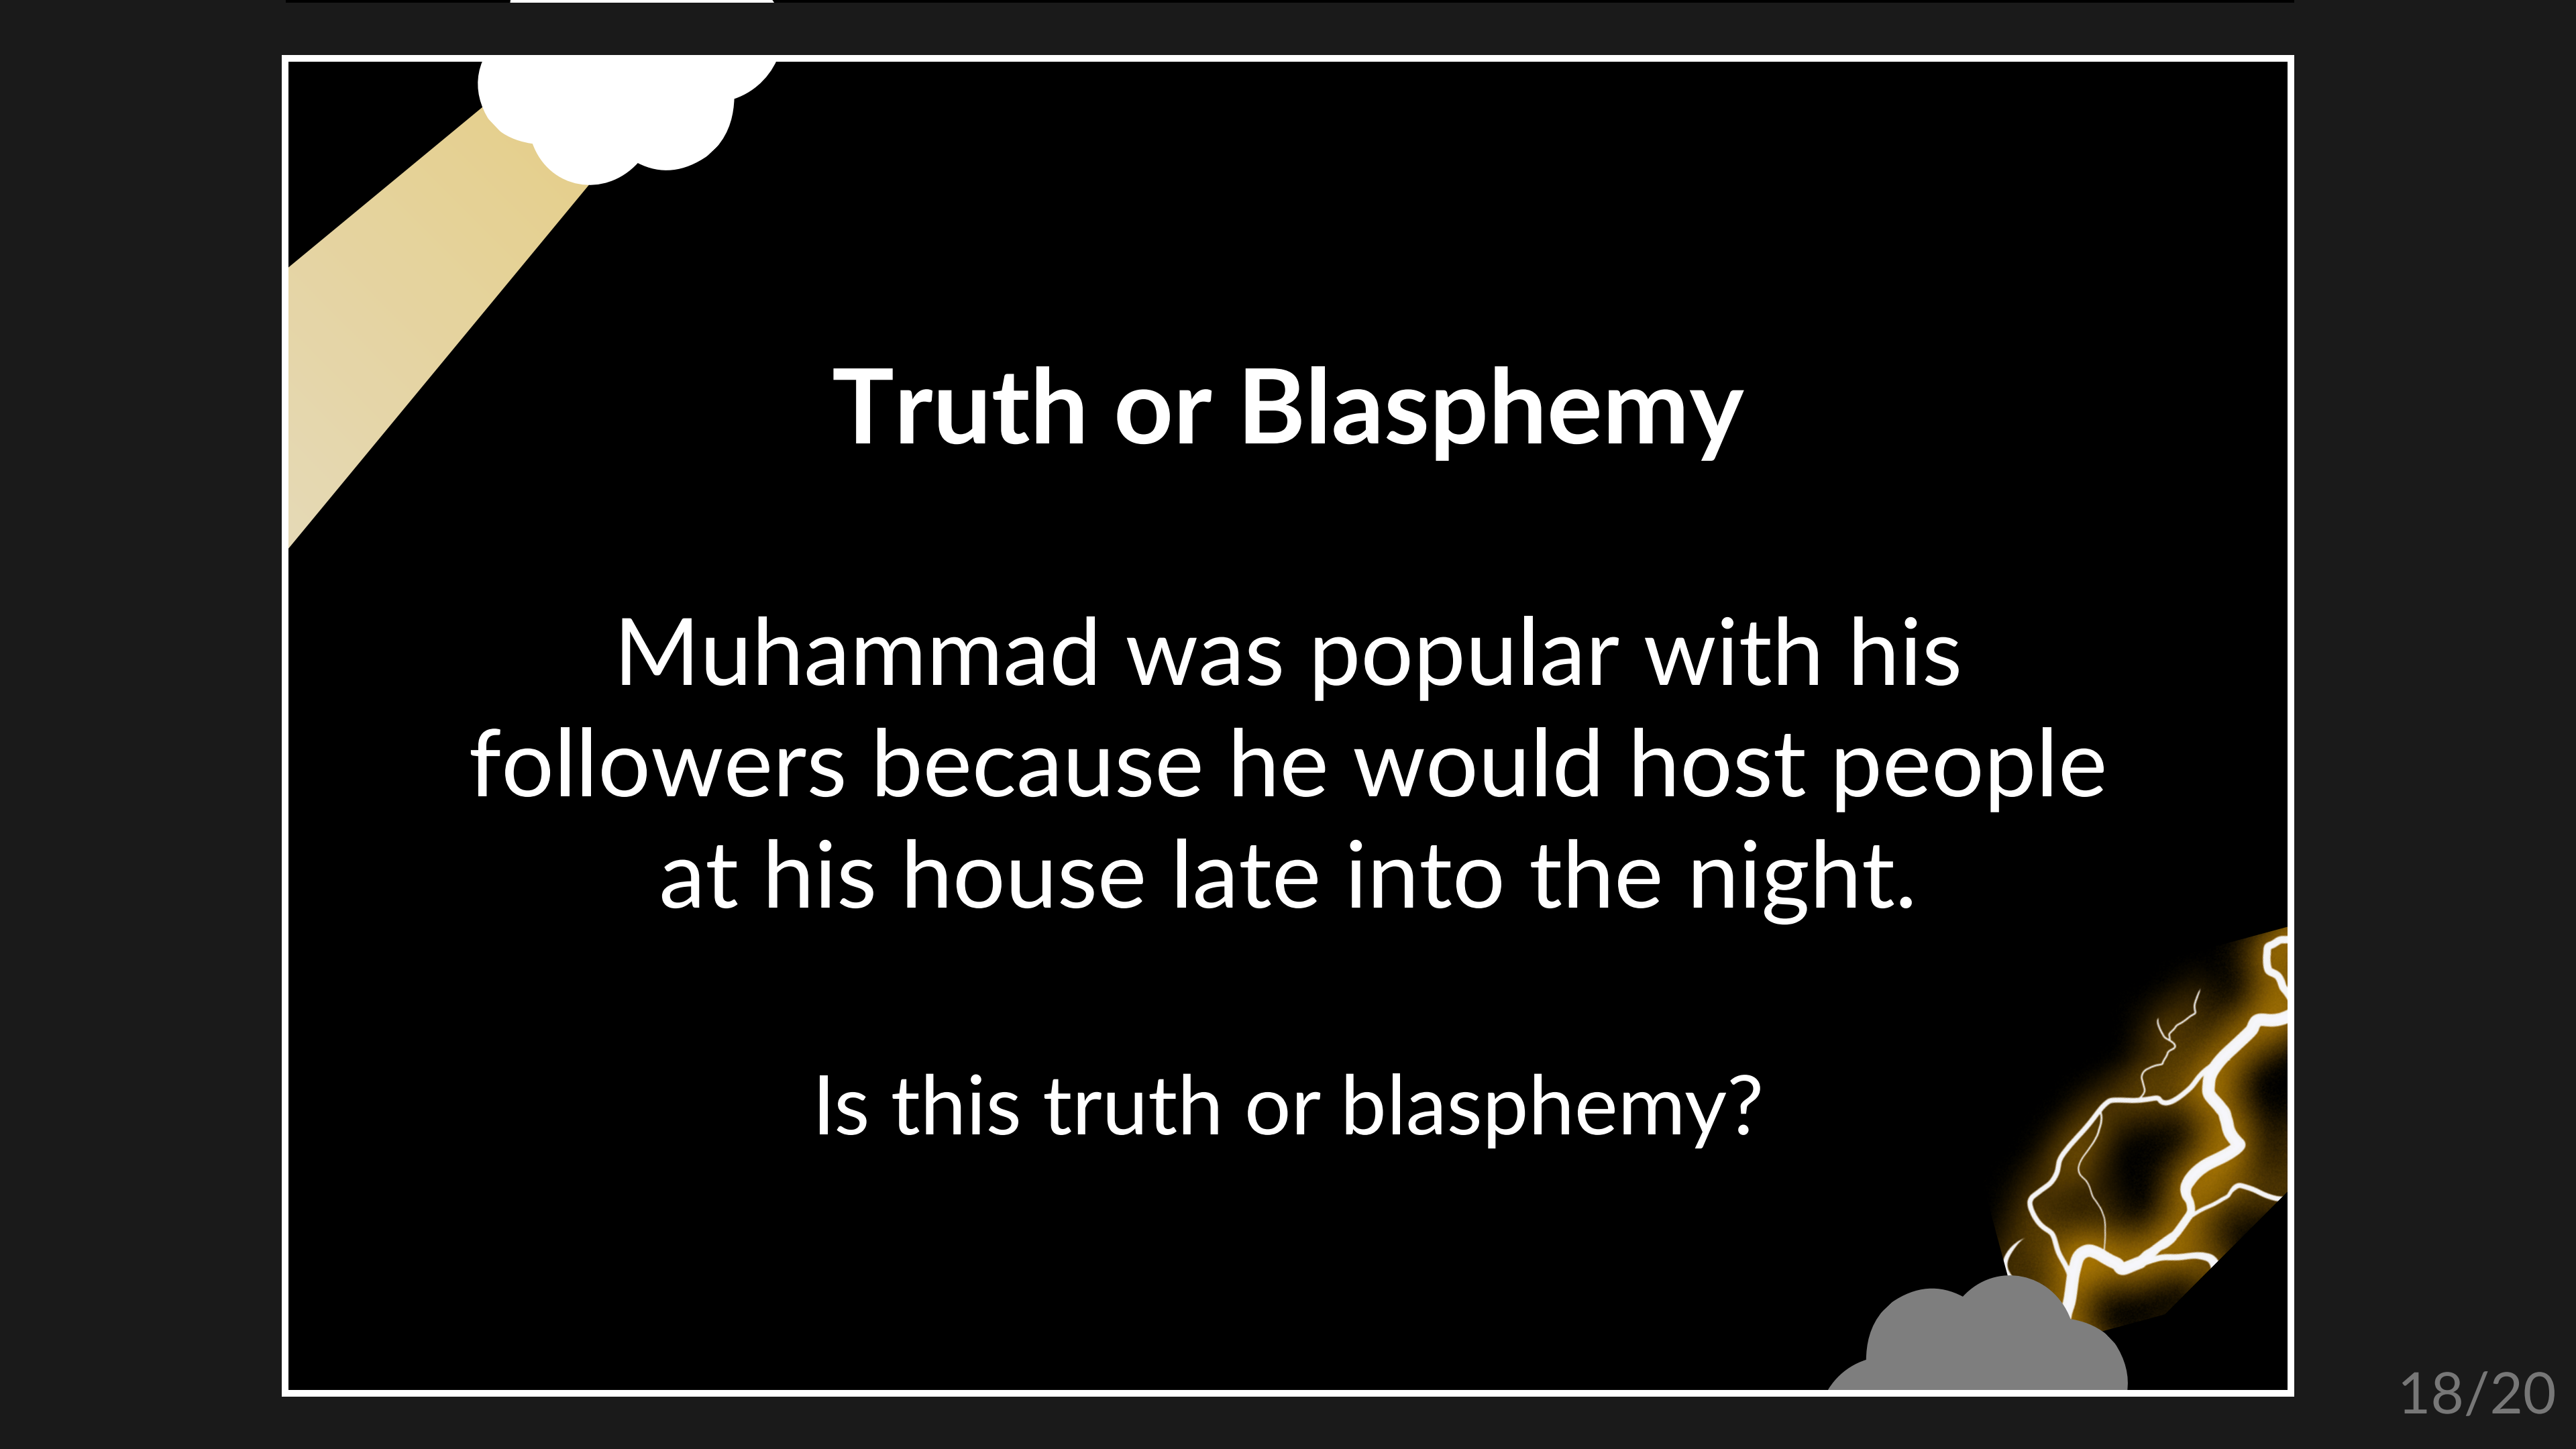

This Makes Me Wet

Losing team only: Experience The Flood.
Have one player soak their socks in water
and wear them on their hands for 2 turns.

Just make sure there's no water on the
floor. Nobody wants a mess.

3 points

Truth or Blasphemy

Muhammad was popular with his followers because he would host people at his house late into the night.

Is this truth or blasphemy?

Blasphemy

Lingering guests annoyed Muhammad greatly, but he was “too shy” to speak up. So Allah made a special rule: guests must leave when dinner is over.

“Cuz mom said so” type energy:
Quran 33:53

Blacked Out

Mao's regime killed _____ rats in an effort to control the spread of disease.

Closest guess wins

1.5 billion

On a less genocidal note, did you know rats
can chew through brick?

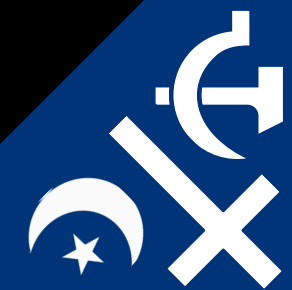

Unholy Trinity

Who told one of his men to kill their son as a test of loyalty?

Stalin, Saddam, or God?

5 points

God

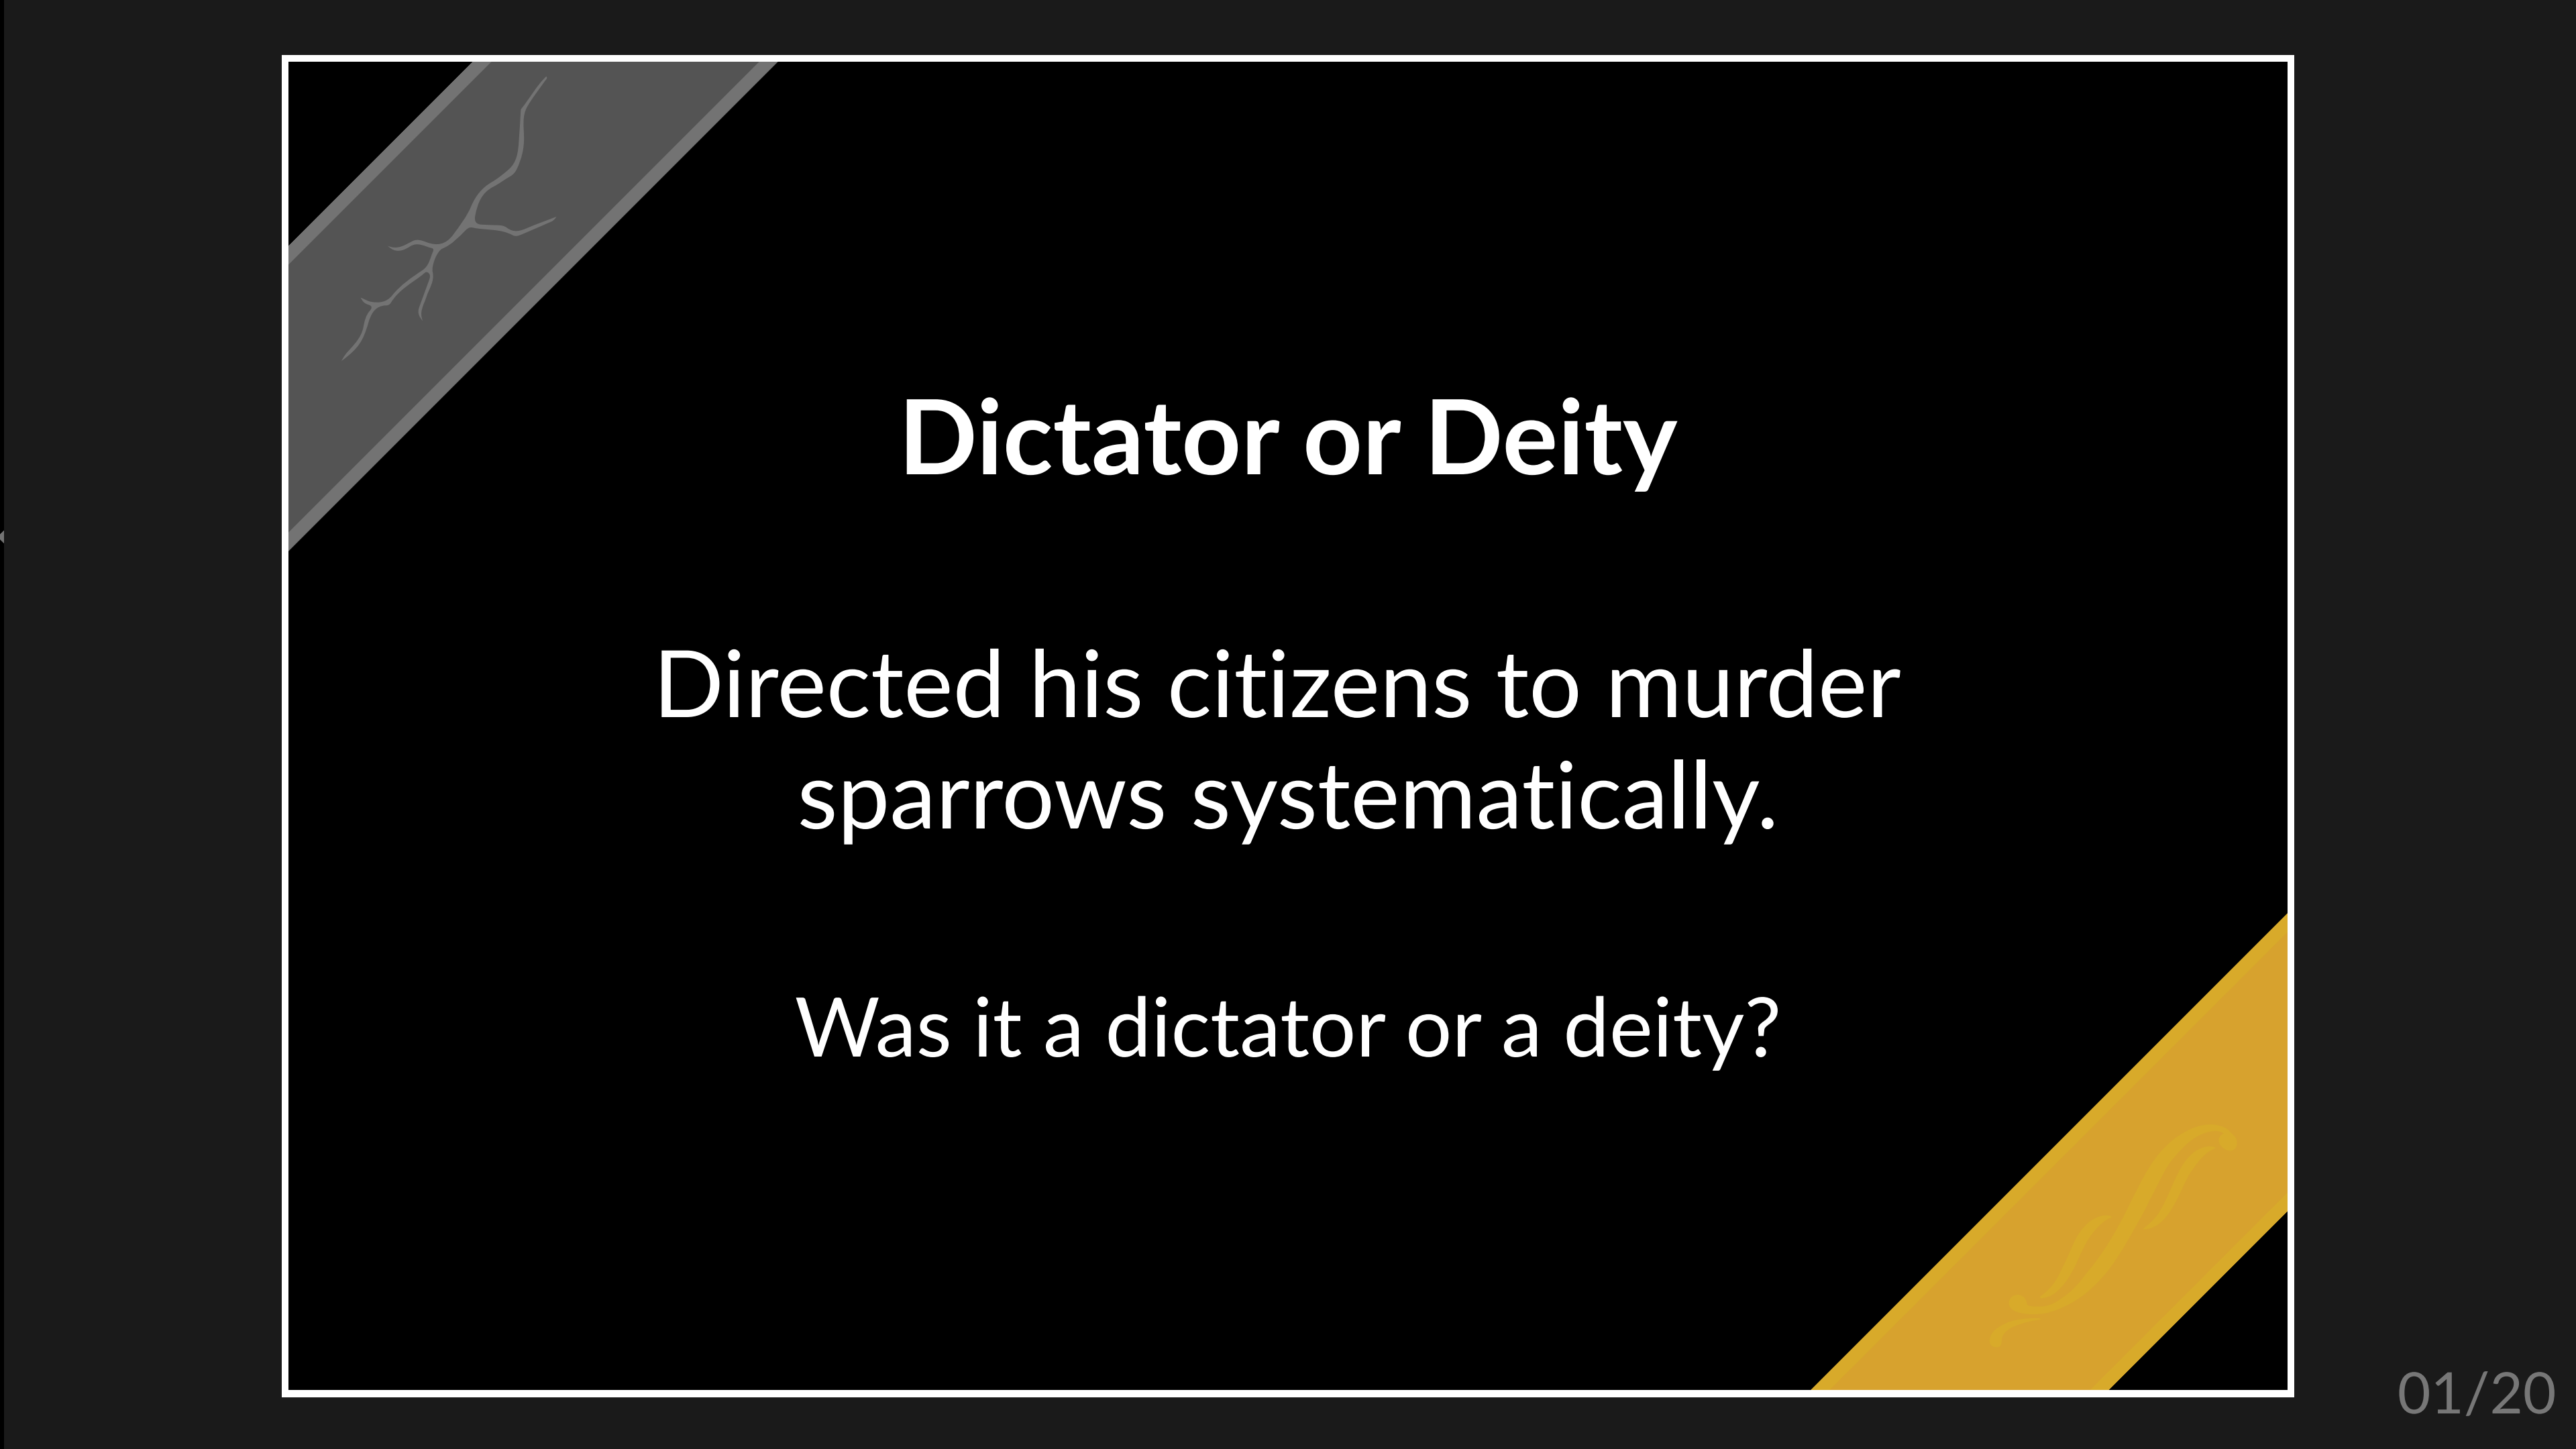

God told Abraham to sacrifice his son Isaac. And Abraham would've done it too, but an angel stopped him right when he grabbed the knife.

It's just a prank, bro!
Genesis 22: 1-12

Round 4

Dictator or Deity

Directed his citizens to murder
sparrows systematically.

Was it a dictator or a deity?

Dictator

Do you want locusts? Because this is how you get locusts. During Mao's Four Pests campaign, citizens and soldiers killed 1 billion sparrows.

The campaign poster's sick tho:

🔥 Unholy Trinity 🔥

Who attempted to remove one of his
leaders from virtually all historical
records?

Mao, Stalin, or Muhammad?

Stalin

Stalin had the head of his secret police executed and removed from photos. Talk about a bad breakup.

But look at those pre-Photoshop skills:

micro-oppression

Stalin didn't just disappear people on paper, though. He also deported 6 million during his tenure as well.

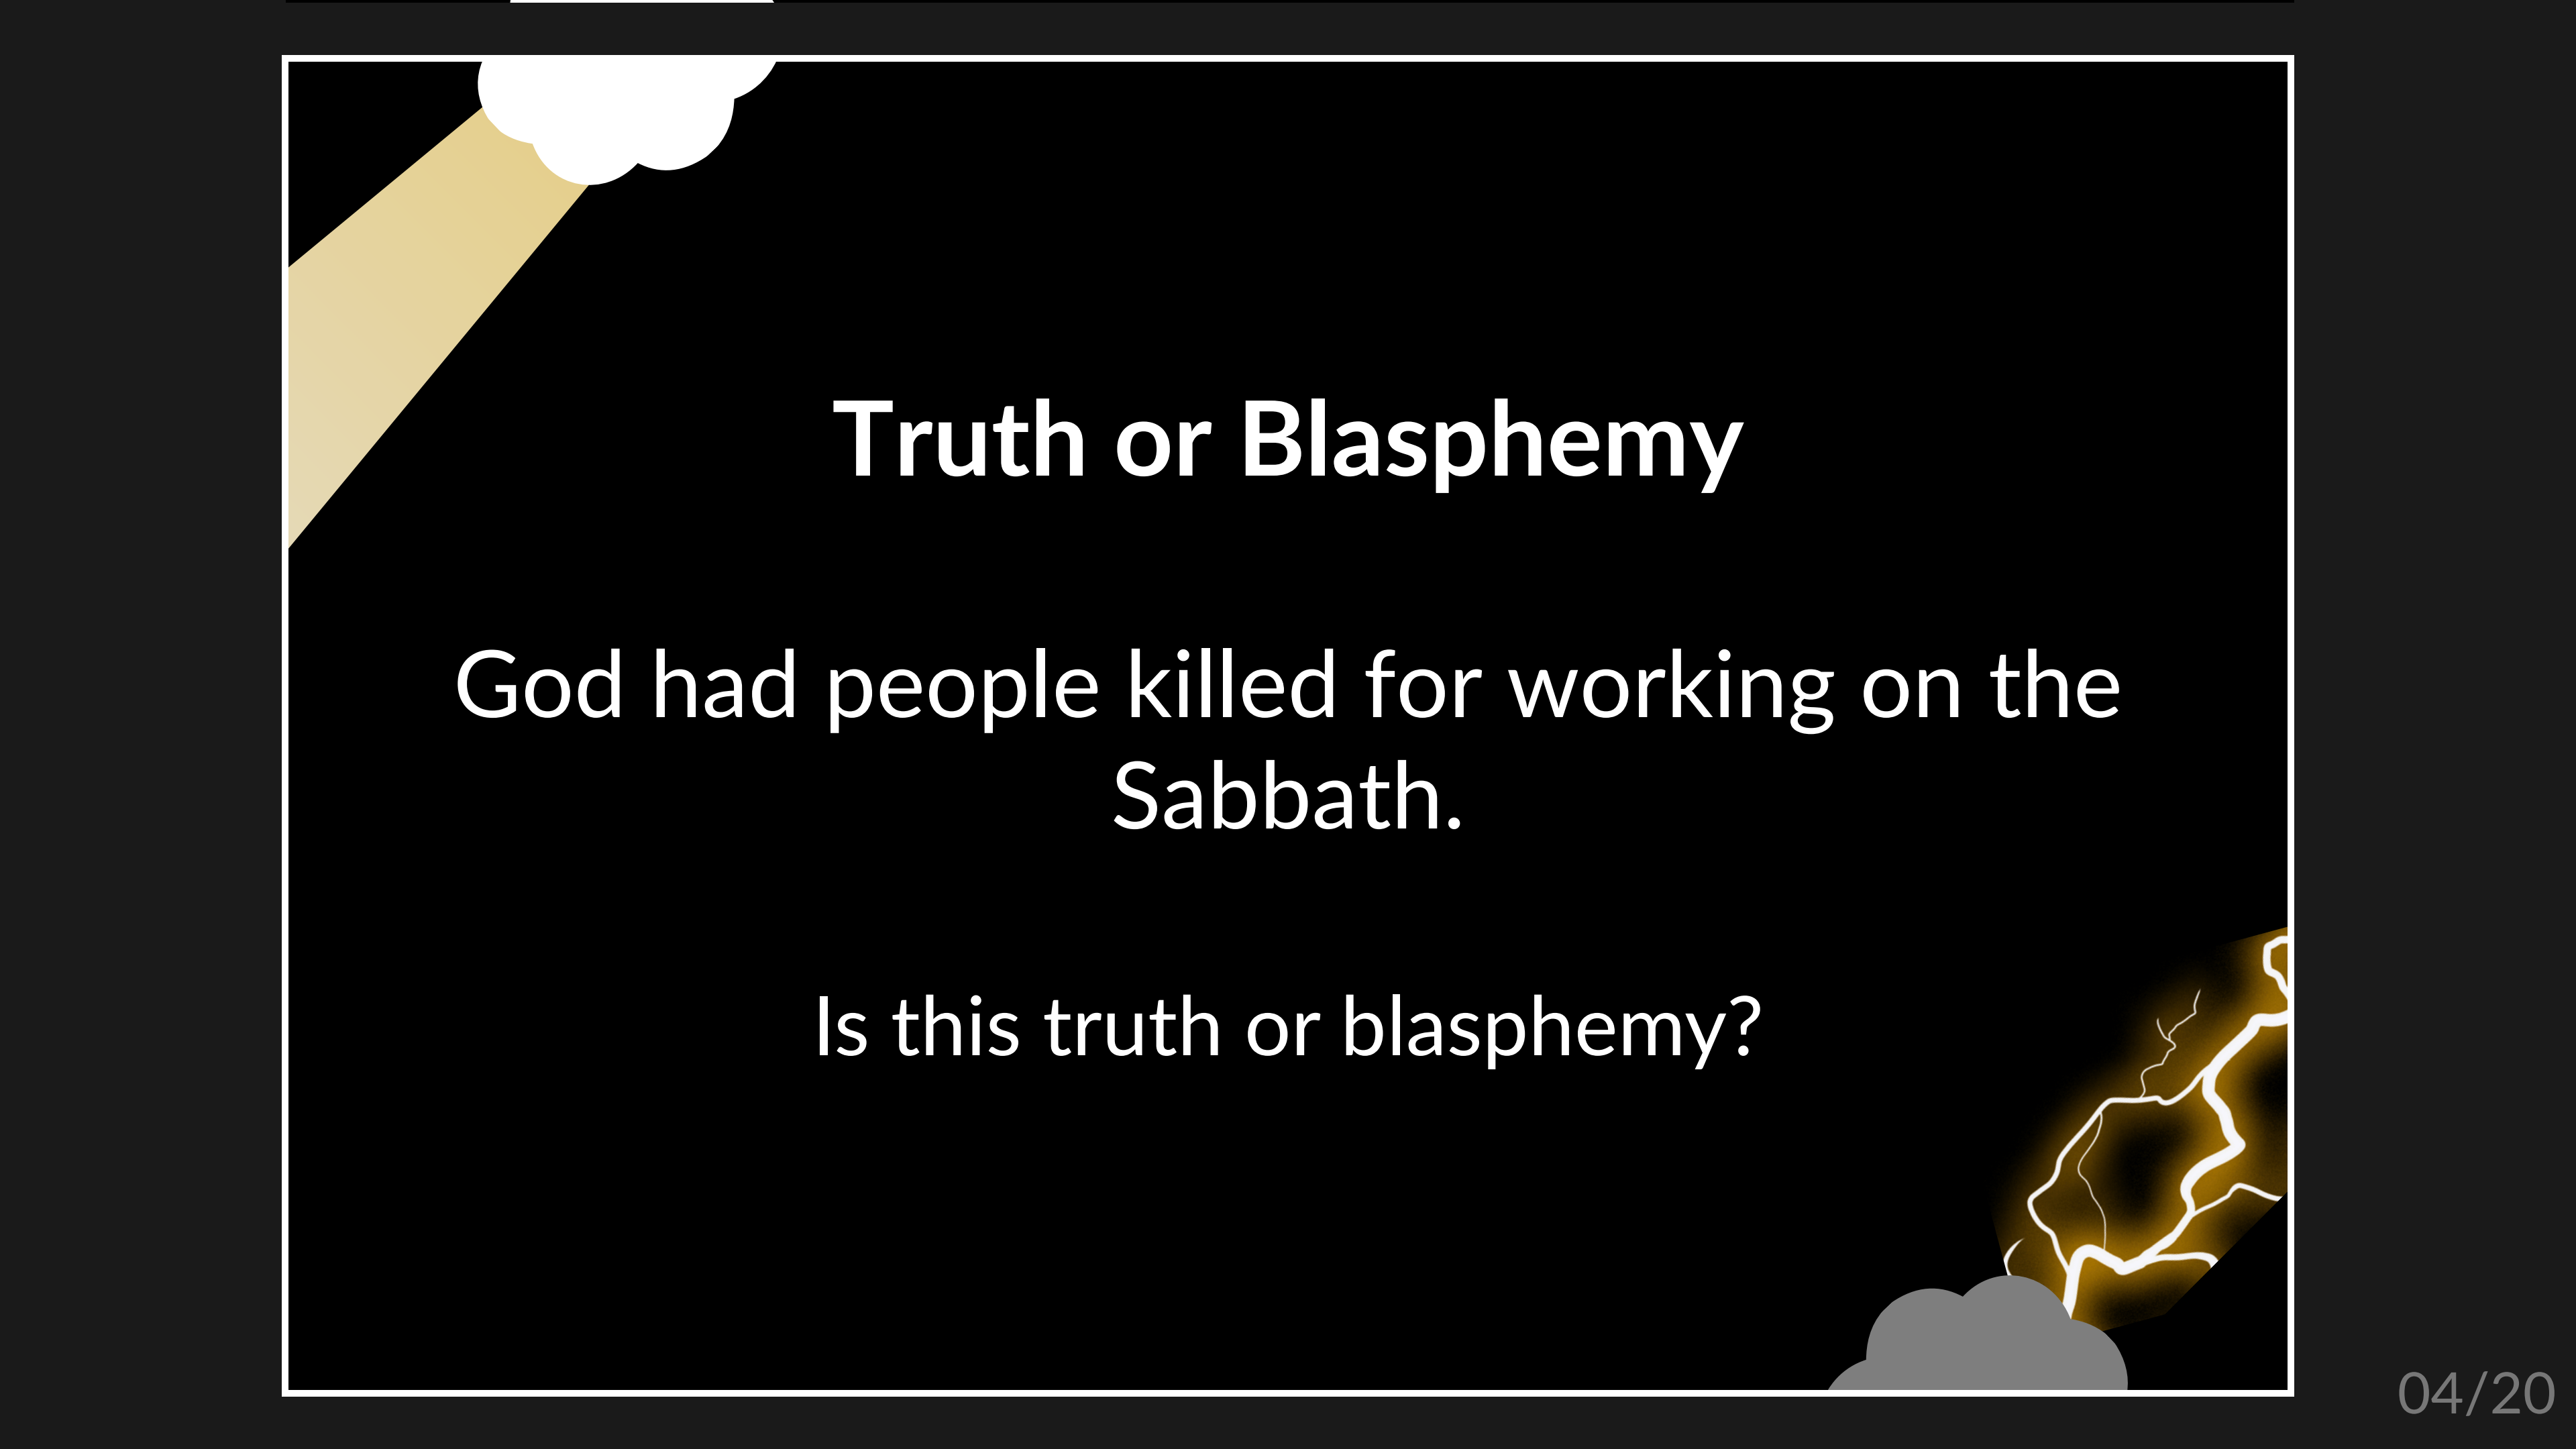

Oppression on back

Cattle Card

Winners: Send someone to another room for 1 turn. To make this more fun, you can choose which turn.

This would've been leave and don't come back, but a friend said that was "too far".

Truth or Blasphemy

God had people killed for working on the Sabbath.

Is this truth or blasphemy?

Truth

God had a man stoned to death for collecting wood on a Sunday. "Watch football or die", I guess.

The story really sticks with you:
Numbers 15:32-36

Blacked Out

At a concentration camp, prisoners were forced to _____ while POWs were shot.

Hint: It's a form of entertainment.

Guess the missing word

Sing

I hope it was something that made them welcome death. Like a Kid Rock CD.

Winners: Make someone hum a song for 30 seconds (e.g., Holly Jolly Christmas, Darth Vader's theme).

🔥 Unholy Trinity 🔥

After a battle, whose military leader told his men to keep the young, virgin girls for themselves but to kill the rest?

Stalin, Saddam, or God?

God

So... “Do not covet your neighbor’s wife,
but his daughter is fair game”? Hmm.

I don't recall that from Bible study:
Numbers 31:14-18

micro-oppression

Look, I know you want to talk about that last one, but be discreet about it.

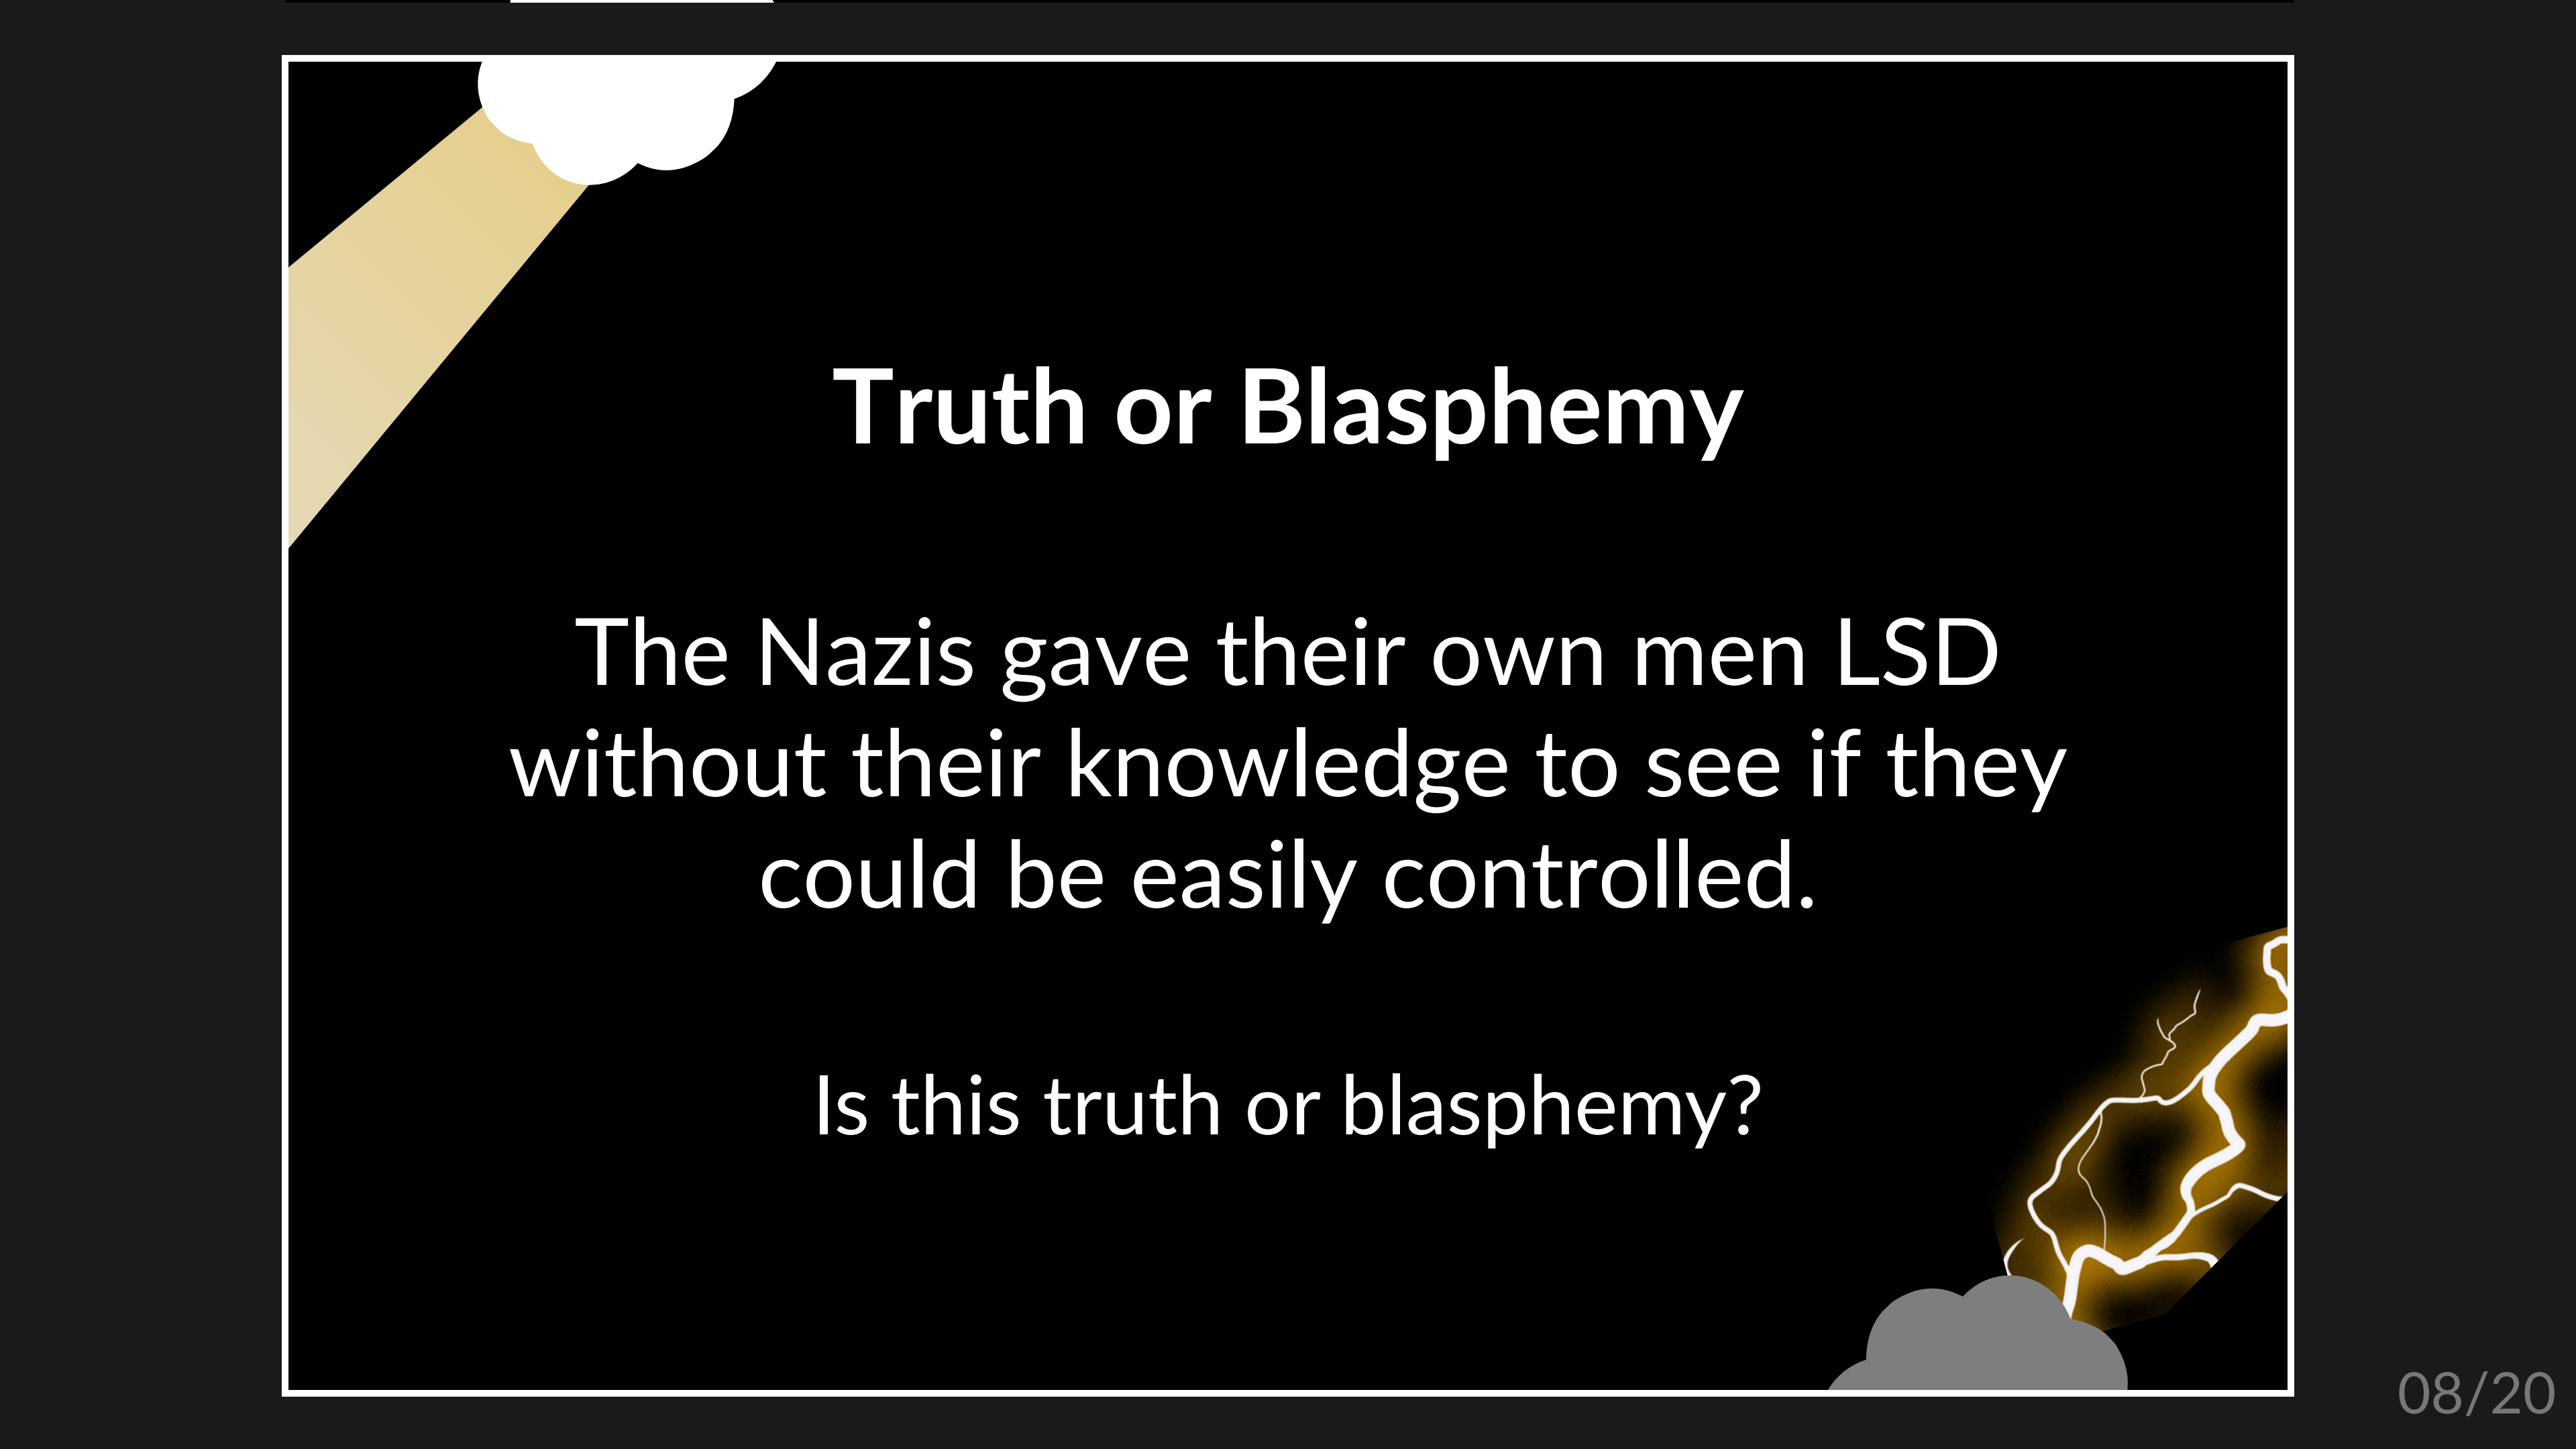

Oppression on back

Hush It, Heathen

Winners: Make a team whisper for the next 3 turns.

You can't have people hear you talking about that divinely sanctioned sex slavery thing. It might make them uncomfortable.

Truth or Blasphemy

The Nazis gave their own men LSD
without their knowledge to see if they
could be easily controlled.

Is this truth or blasphemy?

Blasphemy

The CIA did that in their MKUltra program. They even spiked a scientist's coffee with LSD shortly before he 'fell' from a window.

Google "Frank Olson" sometime. The whole story is a trip.

Unholy Trinity

Who had a book written in his own
blood?

Stalin, Saddam, or Muhammad?

Saddam

He claimed to use 7 gallons of blood in 2 years to write this special edition Quran.

Which is about how much Kool-Aid you'd have to drink to believe it was all him. He likely had some "donors" on hand.

💀 Brutality Break 💀

Using superpowers granted to him by God, Samson killed _____ men with the jawbone of a donkey.

Closest guess wins

1,000 men

I bet a lot of jaws dropped when those men got boned.

Loser: Stand and say this phrase in unison 5 times: "God, grant us the power to bone our enemies".

Judges 15:14-16

?

Nazi Business?

Ray-Ban
sunglasses company

Did they help the Nazis?

?

No

But apparently the Nazis tried to kill Churchill with an exploding chocolate bar.

I'd say that's in poor taste, but British spies were stuffing dead rats with explosives, so who's to judge?

Blacked Out

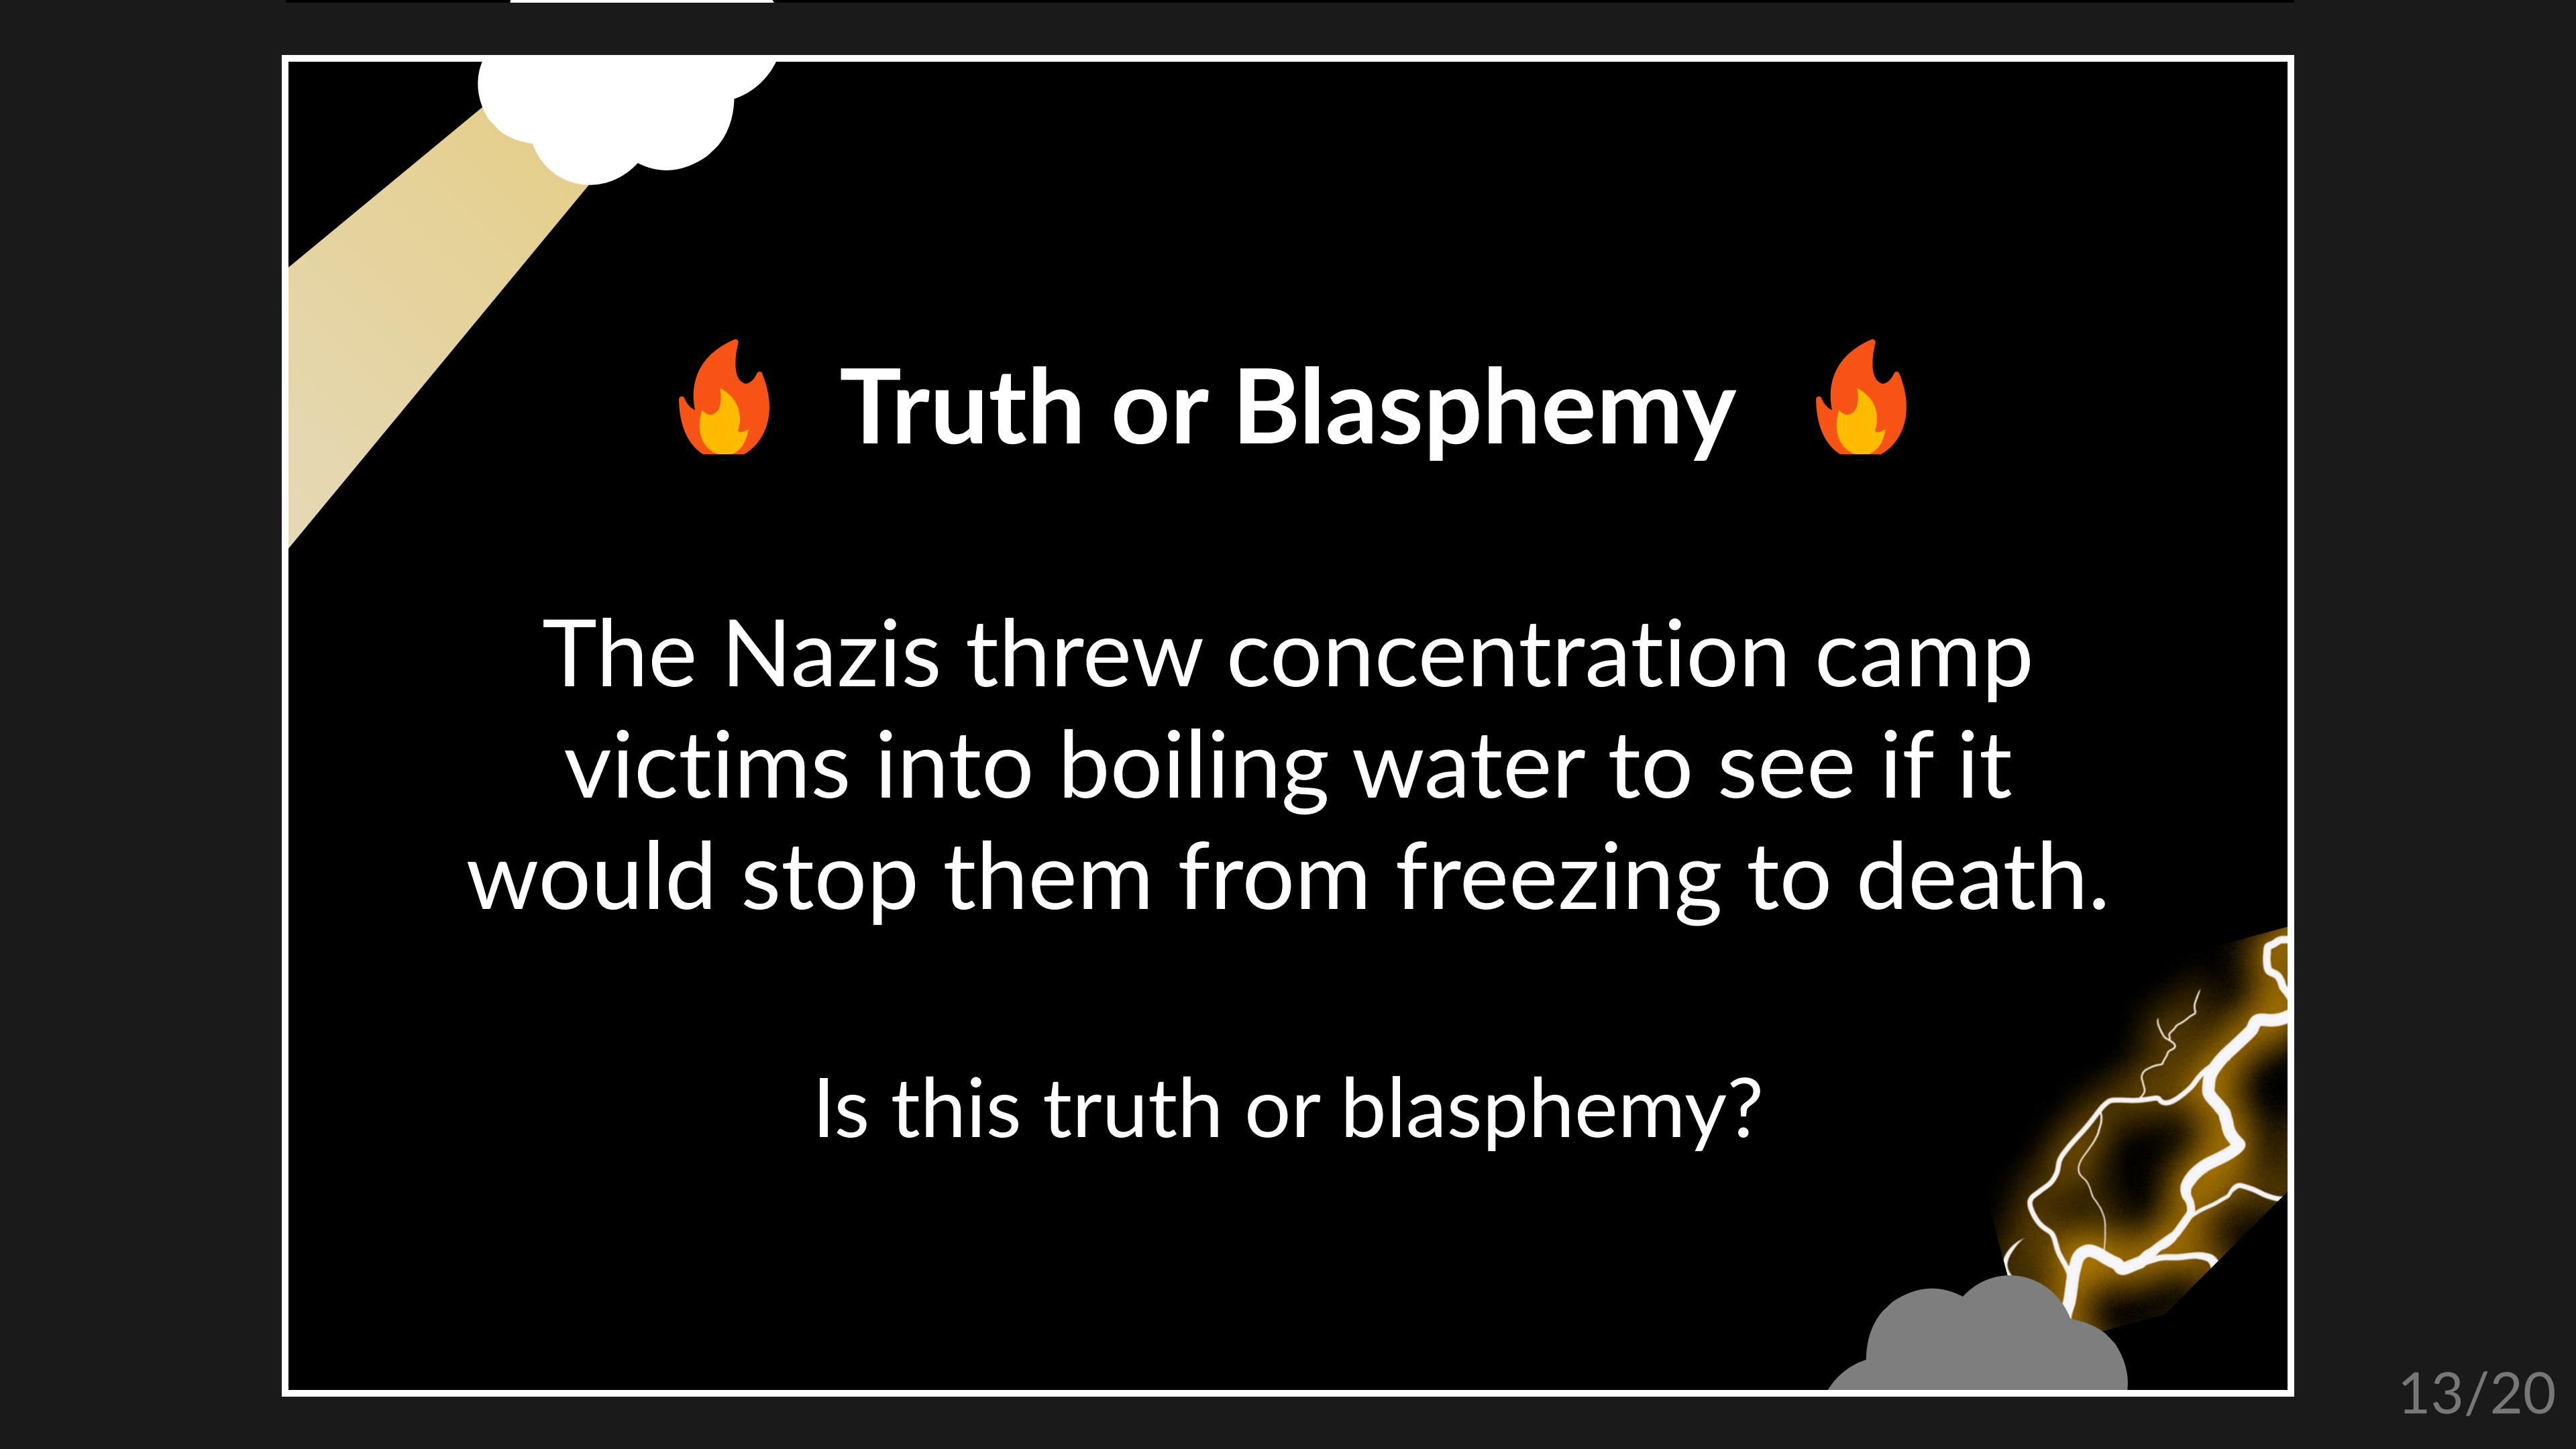

The first gospel of the New Testament
was written ___ years after Jesus' death?

Closest guess wins

37 years

Jesus died in 33 AD and the first gospel was written in ~70 AD. And not by the disciples according to scholars.

I always thought the walking on water bit sounded like fan fiction.

🔥 Truth or Blasphemy 🔥

The Nazis threw concentration camp victims into boiling water to see if it would stop them from freezing to death.

Is this truth or blasphemy?

Truth

This was part of the ice water experiments designed to help save Nazi pilots that were shot down in frigid water.

I wonder if this is what my pastor meant when he said science is evil.

micro-oppression

They also put people in vats of ice water and timed how long they survived. My designs aren't quite so cold.

Oppression on back

Double Fisting

Winners: Make someone put each hand in a cup of room temp water for 2 turns.

According to MythBusters, women can last longer than men in ice water. I've found similar correlations in other experiments.

Unholy Trinity

Who told his men to hunt down and kill
all the dogs in a city?

Stalin, Jesus, or Muhammad?

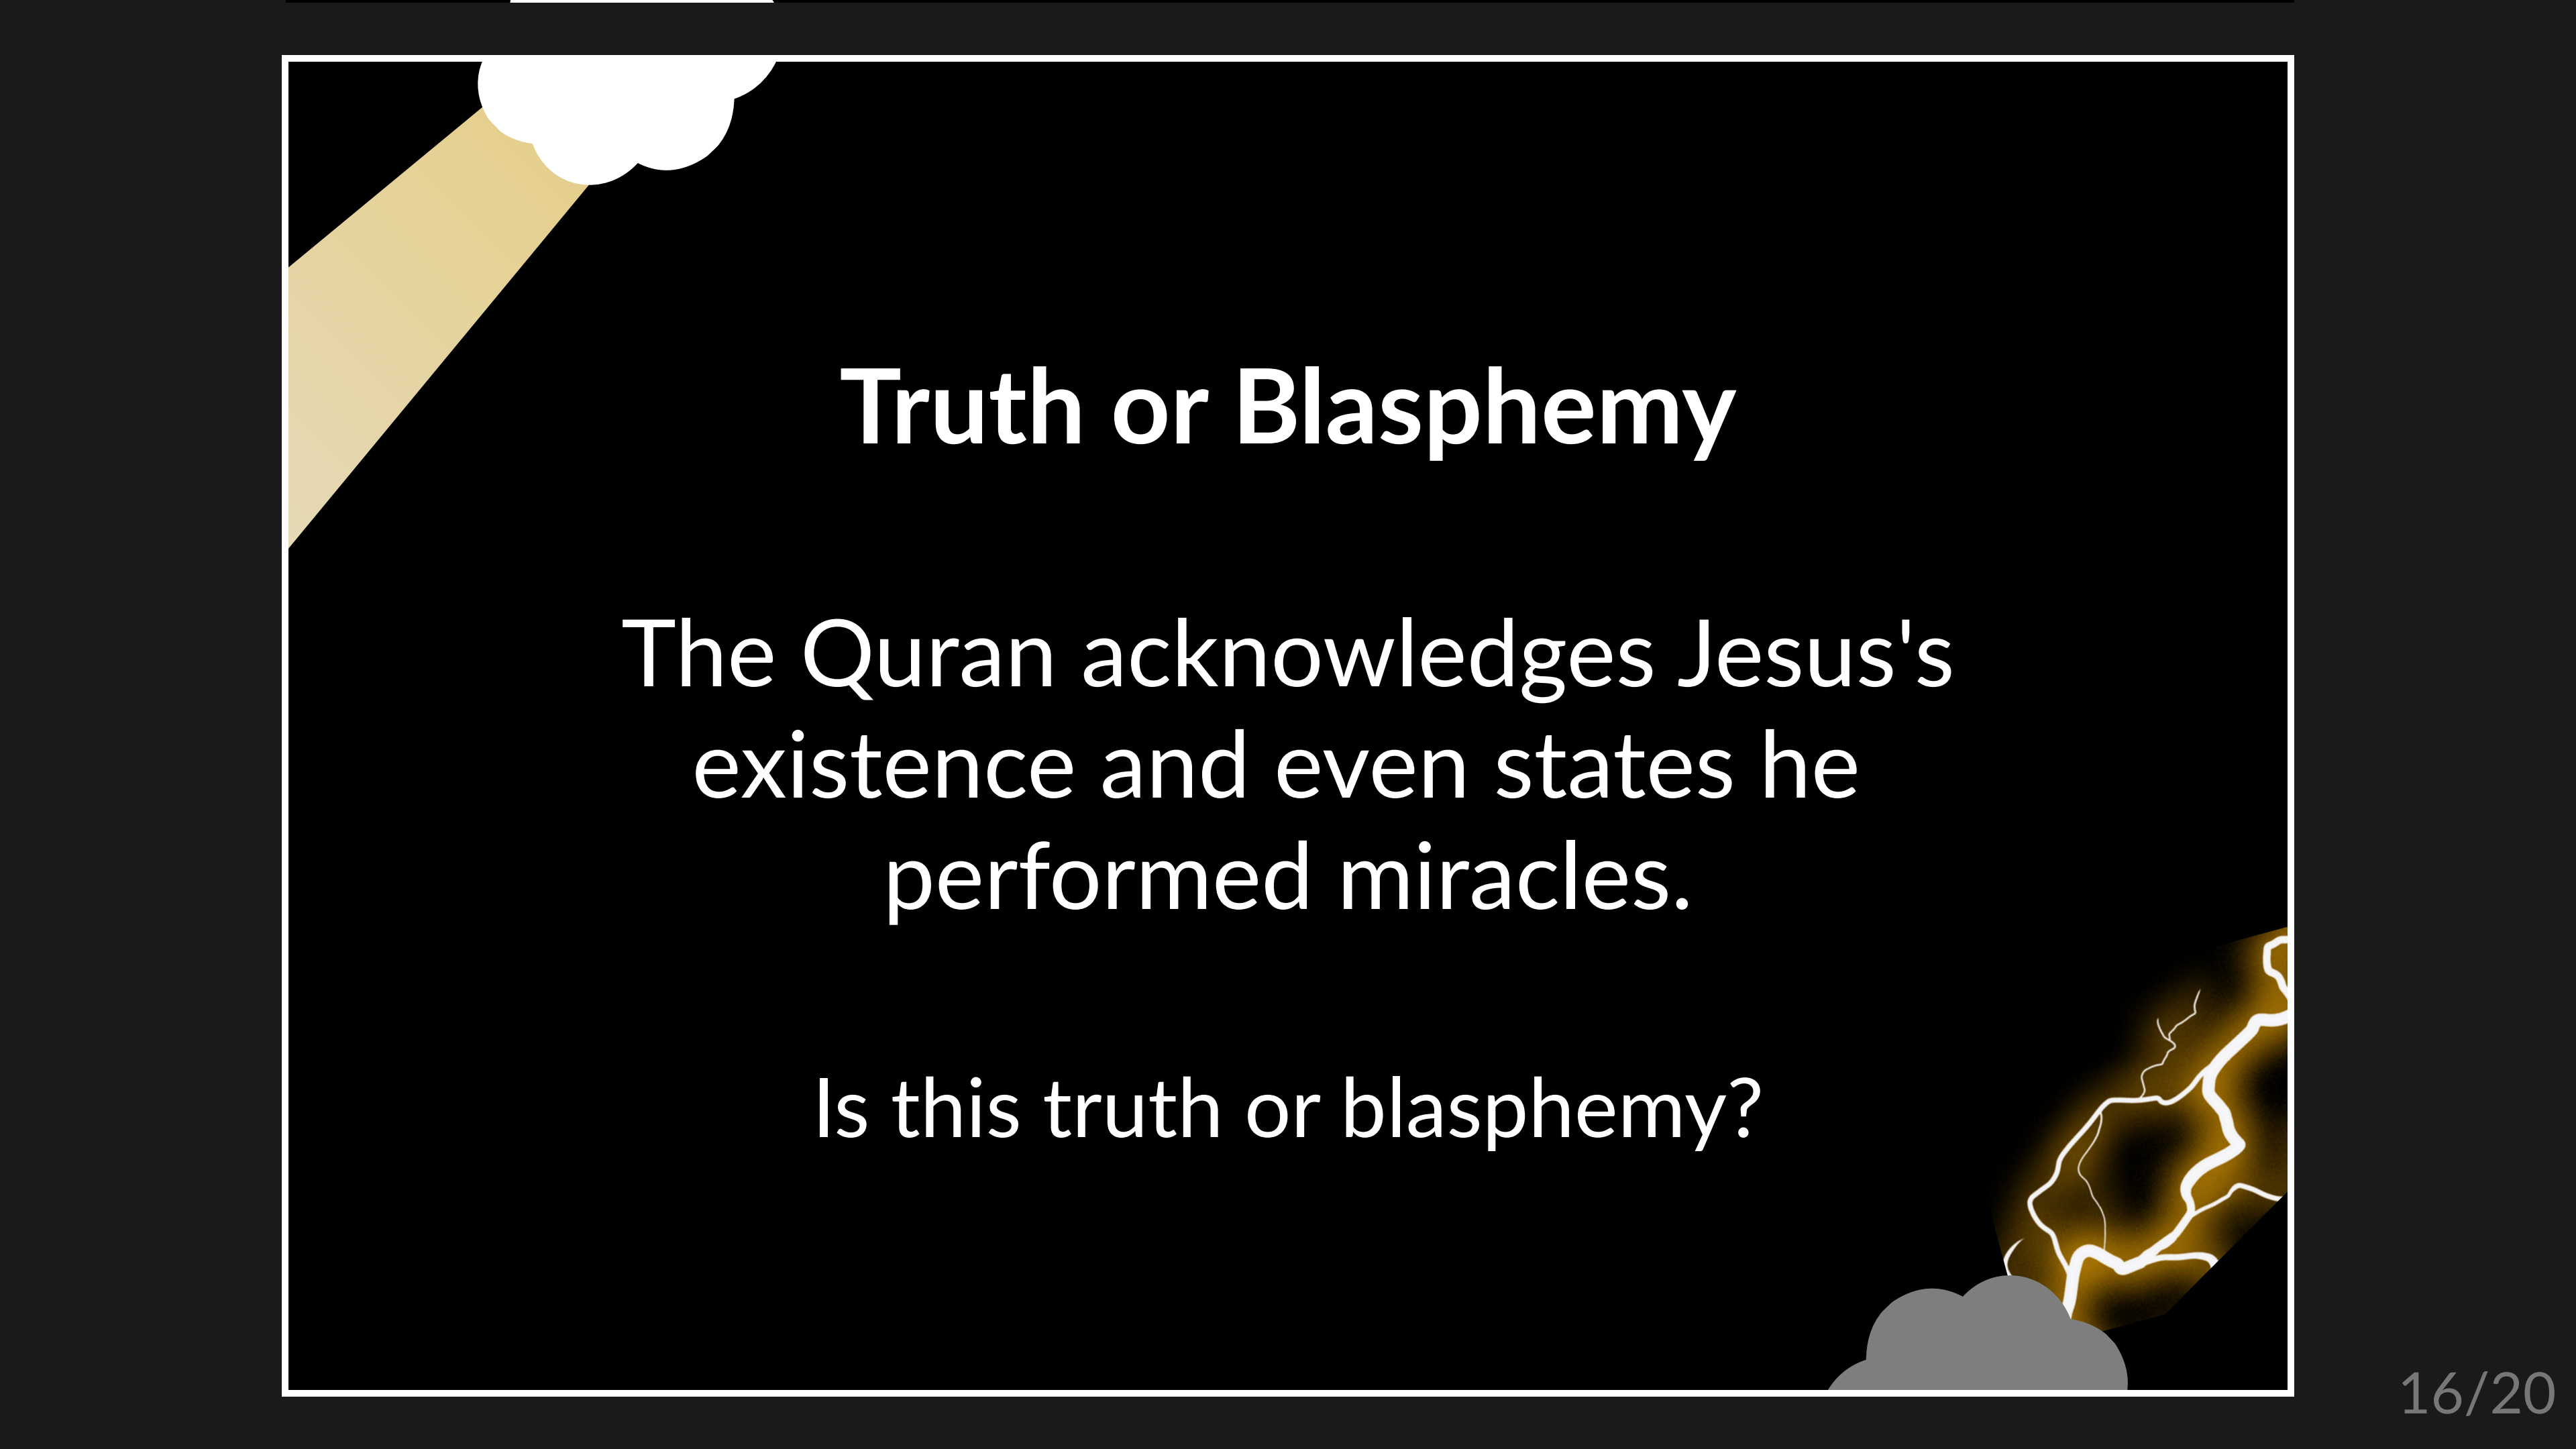

Muhammad

At some point, Muhammad decided that hunting and herding dogs could live, but the rest were killed.

Euthanize me first, please:
Sahih Muslim 1570-1571

Truth or Blasphemy

The Quran acknowledges Jesus's existence and even states he performed miracles.

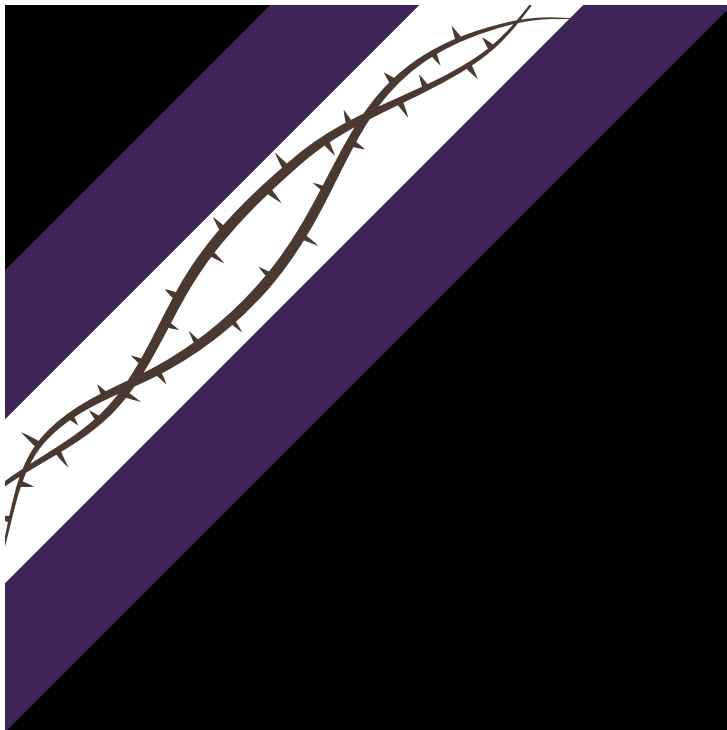

Is this truth or blasphemy?

Truth

In Islam, Jesus is a revered prophet who performed miracles, including speaking as a baby and raising the dead.

Winners: Make a team suckle water for 5 seconds like talking baby Jesus.

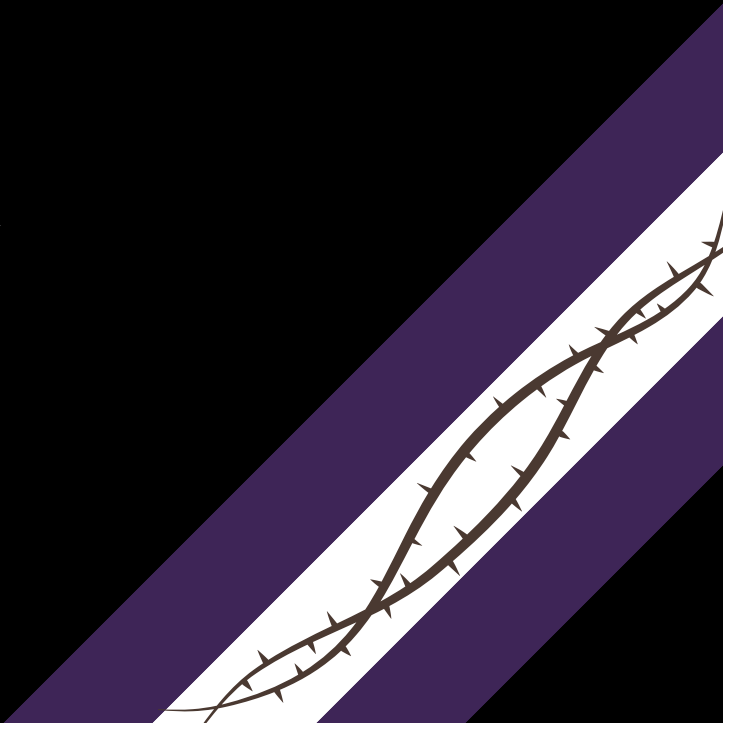

Quran 5:110

Die For Our Win

Dictators hold supreme power. Get ready
to bend the knee.

Optional oppression on back

Awkward Proposals

Losing team only: Have one person kneel and lightly kiss the ring finger of every member on the winning team.

Still less weird than the stuff I've seen done at weddings. So don't complain.

3 points

Nazi Business?

Chase
banking company

Did they help the Nazis?

Yes

Chase helped launder money that Nazis stole from Jews who had fled the country. And the executives got away with it by threatening to reveal US state secrets.

Who knew the banks can be the bad guys?!

Blacked Out

Saddam once wrote a _____ novel.

Hint: It's a genre.

Guess the missing word

Romance

It's believed to be ghostwritten, so I don't think he poured his blood into this one.

But the cover makes me swoon:

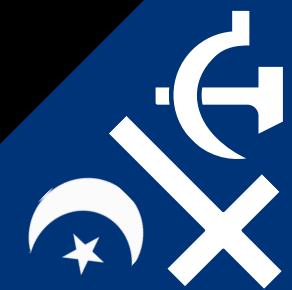

Unholy Trinity

Who made an official declaration that his men could have sex with captive women?

Mao, Saddam, or Allah?

5 points

Allah

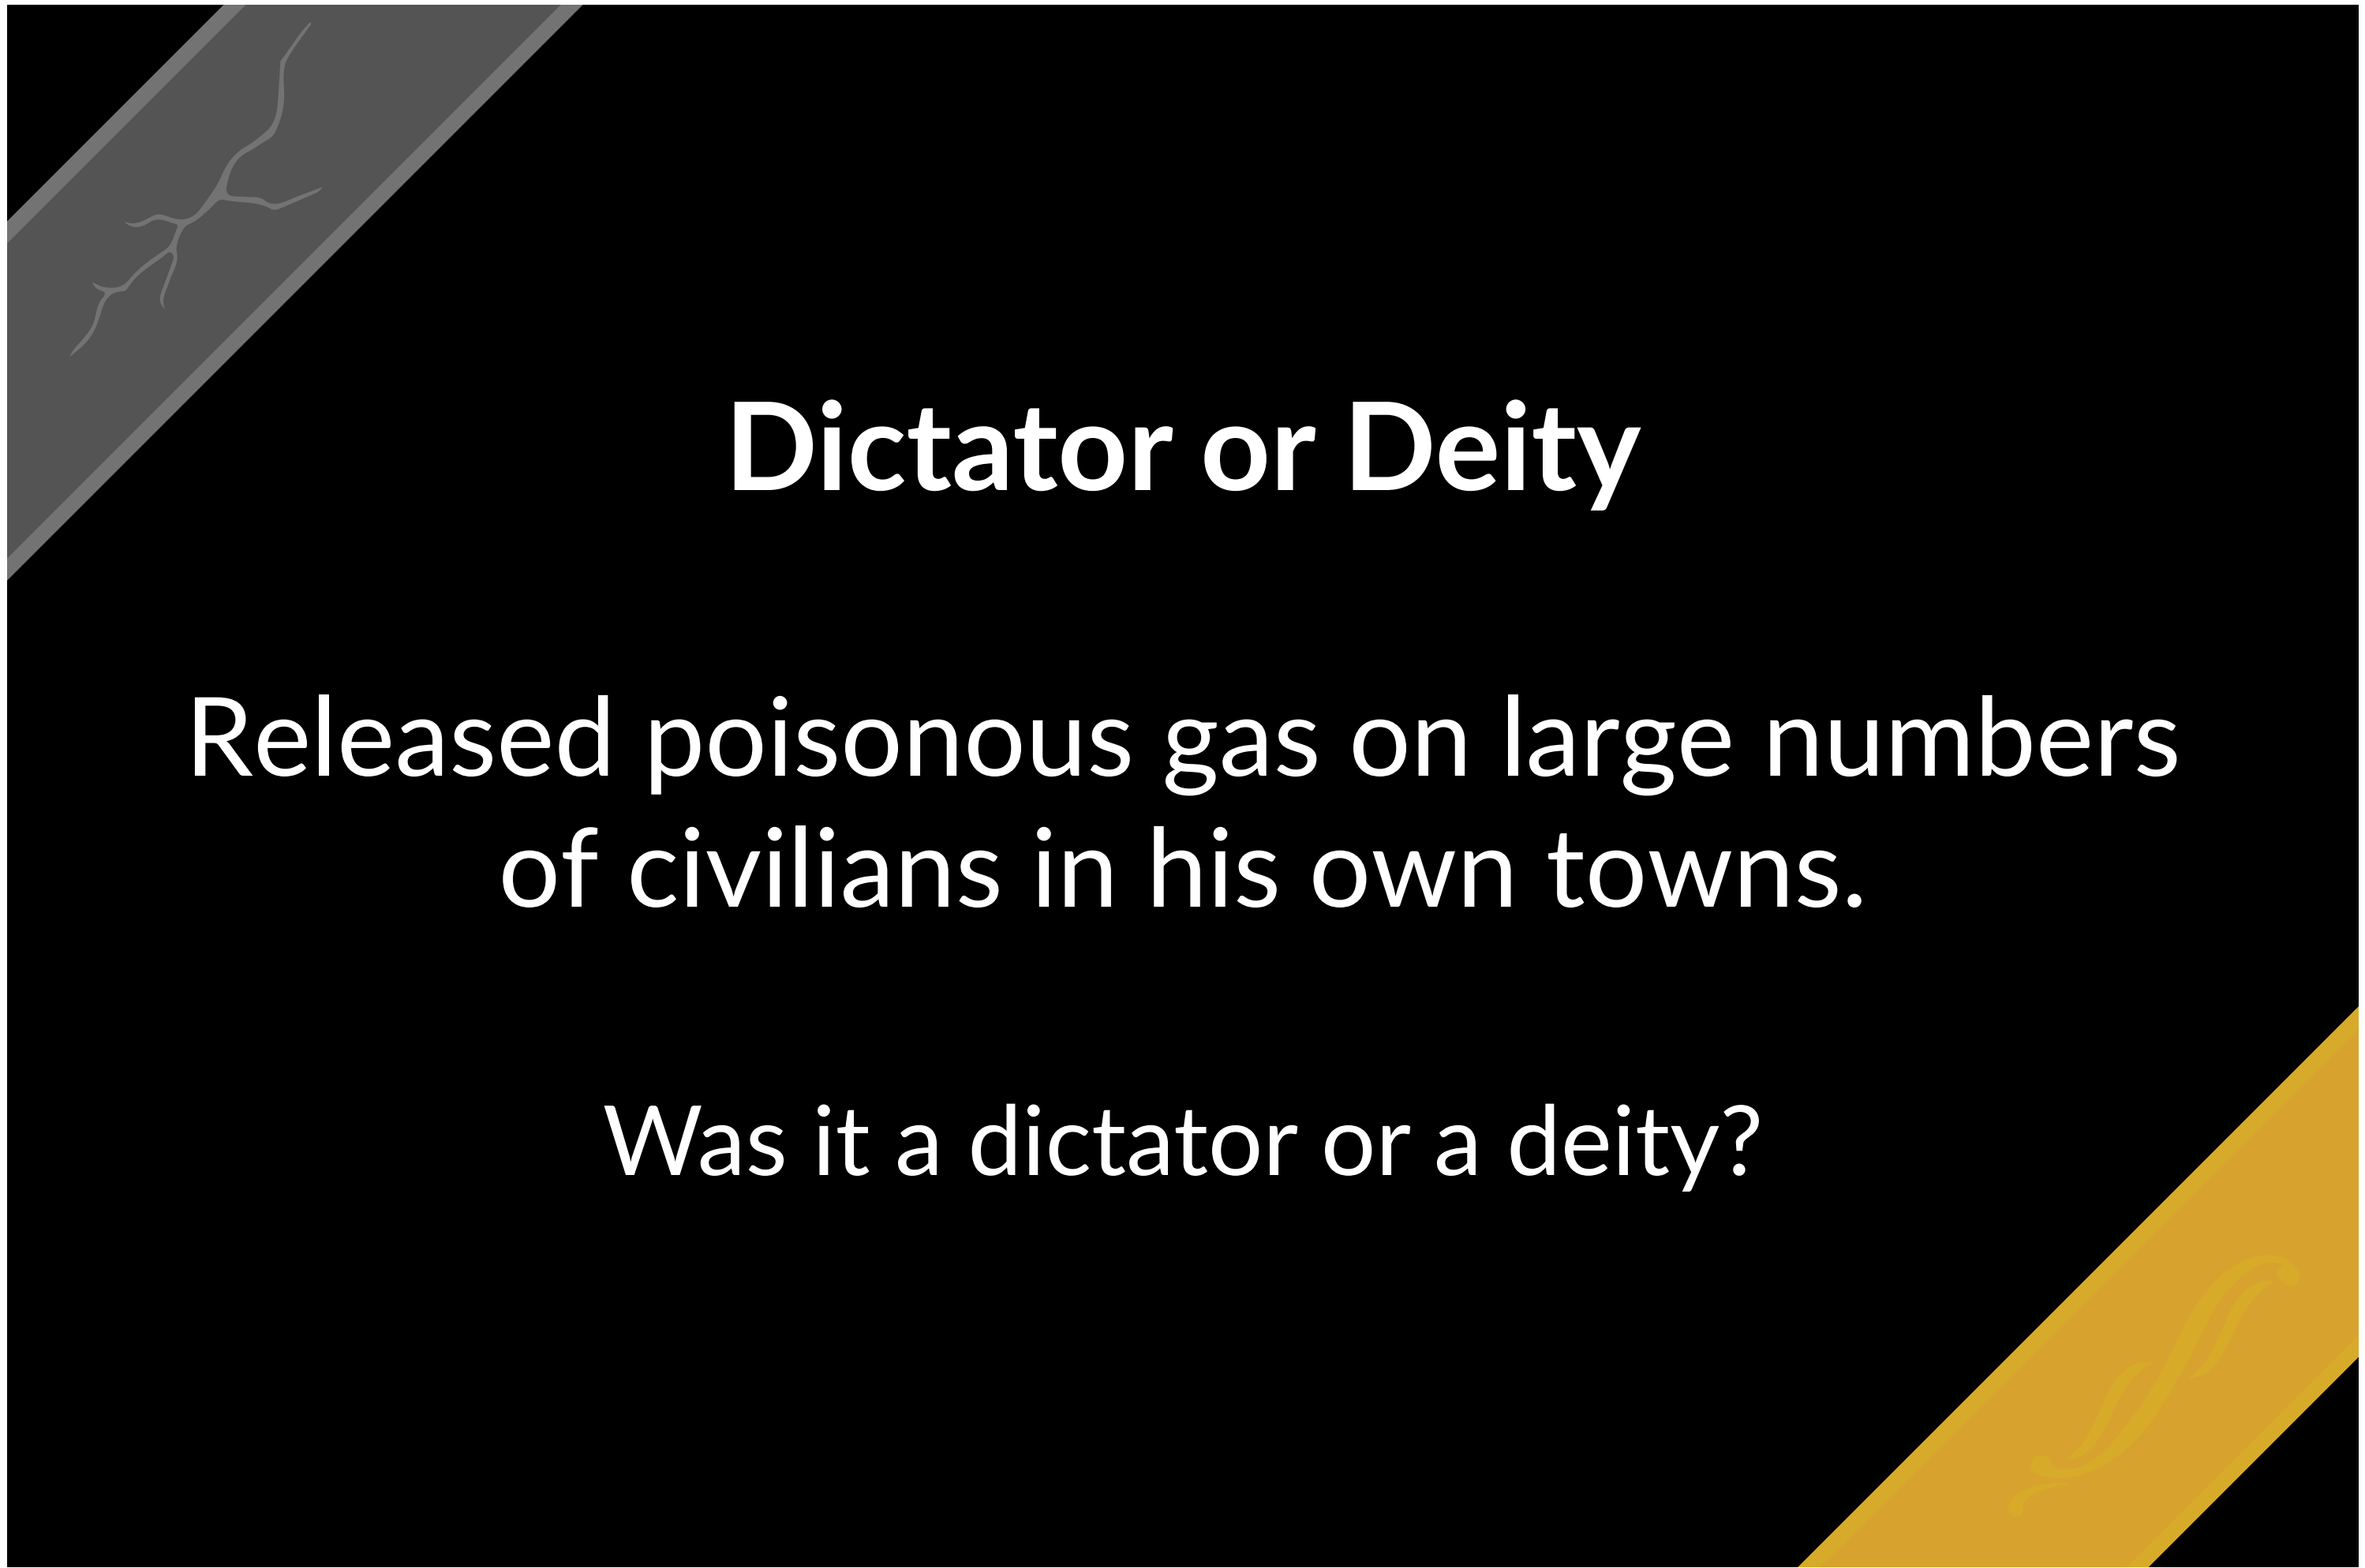

The Quran states that believers can have sex with "bondwomen in their possession". I don't want to get tied up in an argument, but that sure sounds familiar.

Maybe 'cuz Allah is Arabic for *God*:
Quran 23:1-6

Round 5

Dictator or Deity

Released poisonous gas on large numbers
of civilians in his own towns.

Was it a dictator or a deity?

Dictator

Saddam killed over 30,000 with chemical weapons, which were largely made on equipment supplied by German companies.

You'd think Germany would've learned this lesson by now.

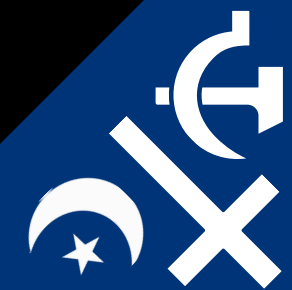

Unholy Trinity

Whose wife helped lead an opposition
movement against a political leader?

Stalin, Mao, or Muhammad?

Muhammad

After Muhammad died, Aisha led troops into battle and even ordered executions. Women who want to overthrow the government are so f'ing hot.

And to think she used to clean filthy robes.

micro-oppression

For those Aisha didn't execute, Allah's orders were clear: cut off their dominant hand and opposite foot.

Oppression on back

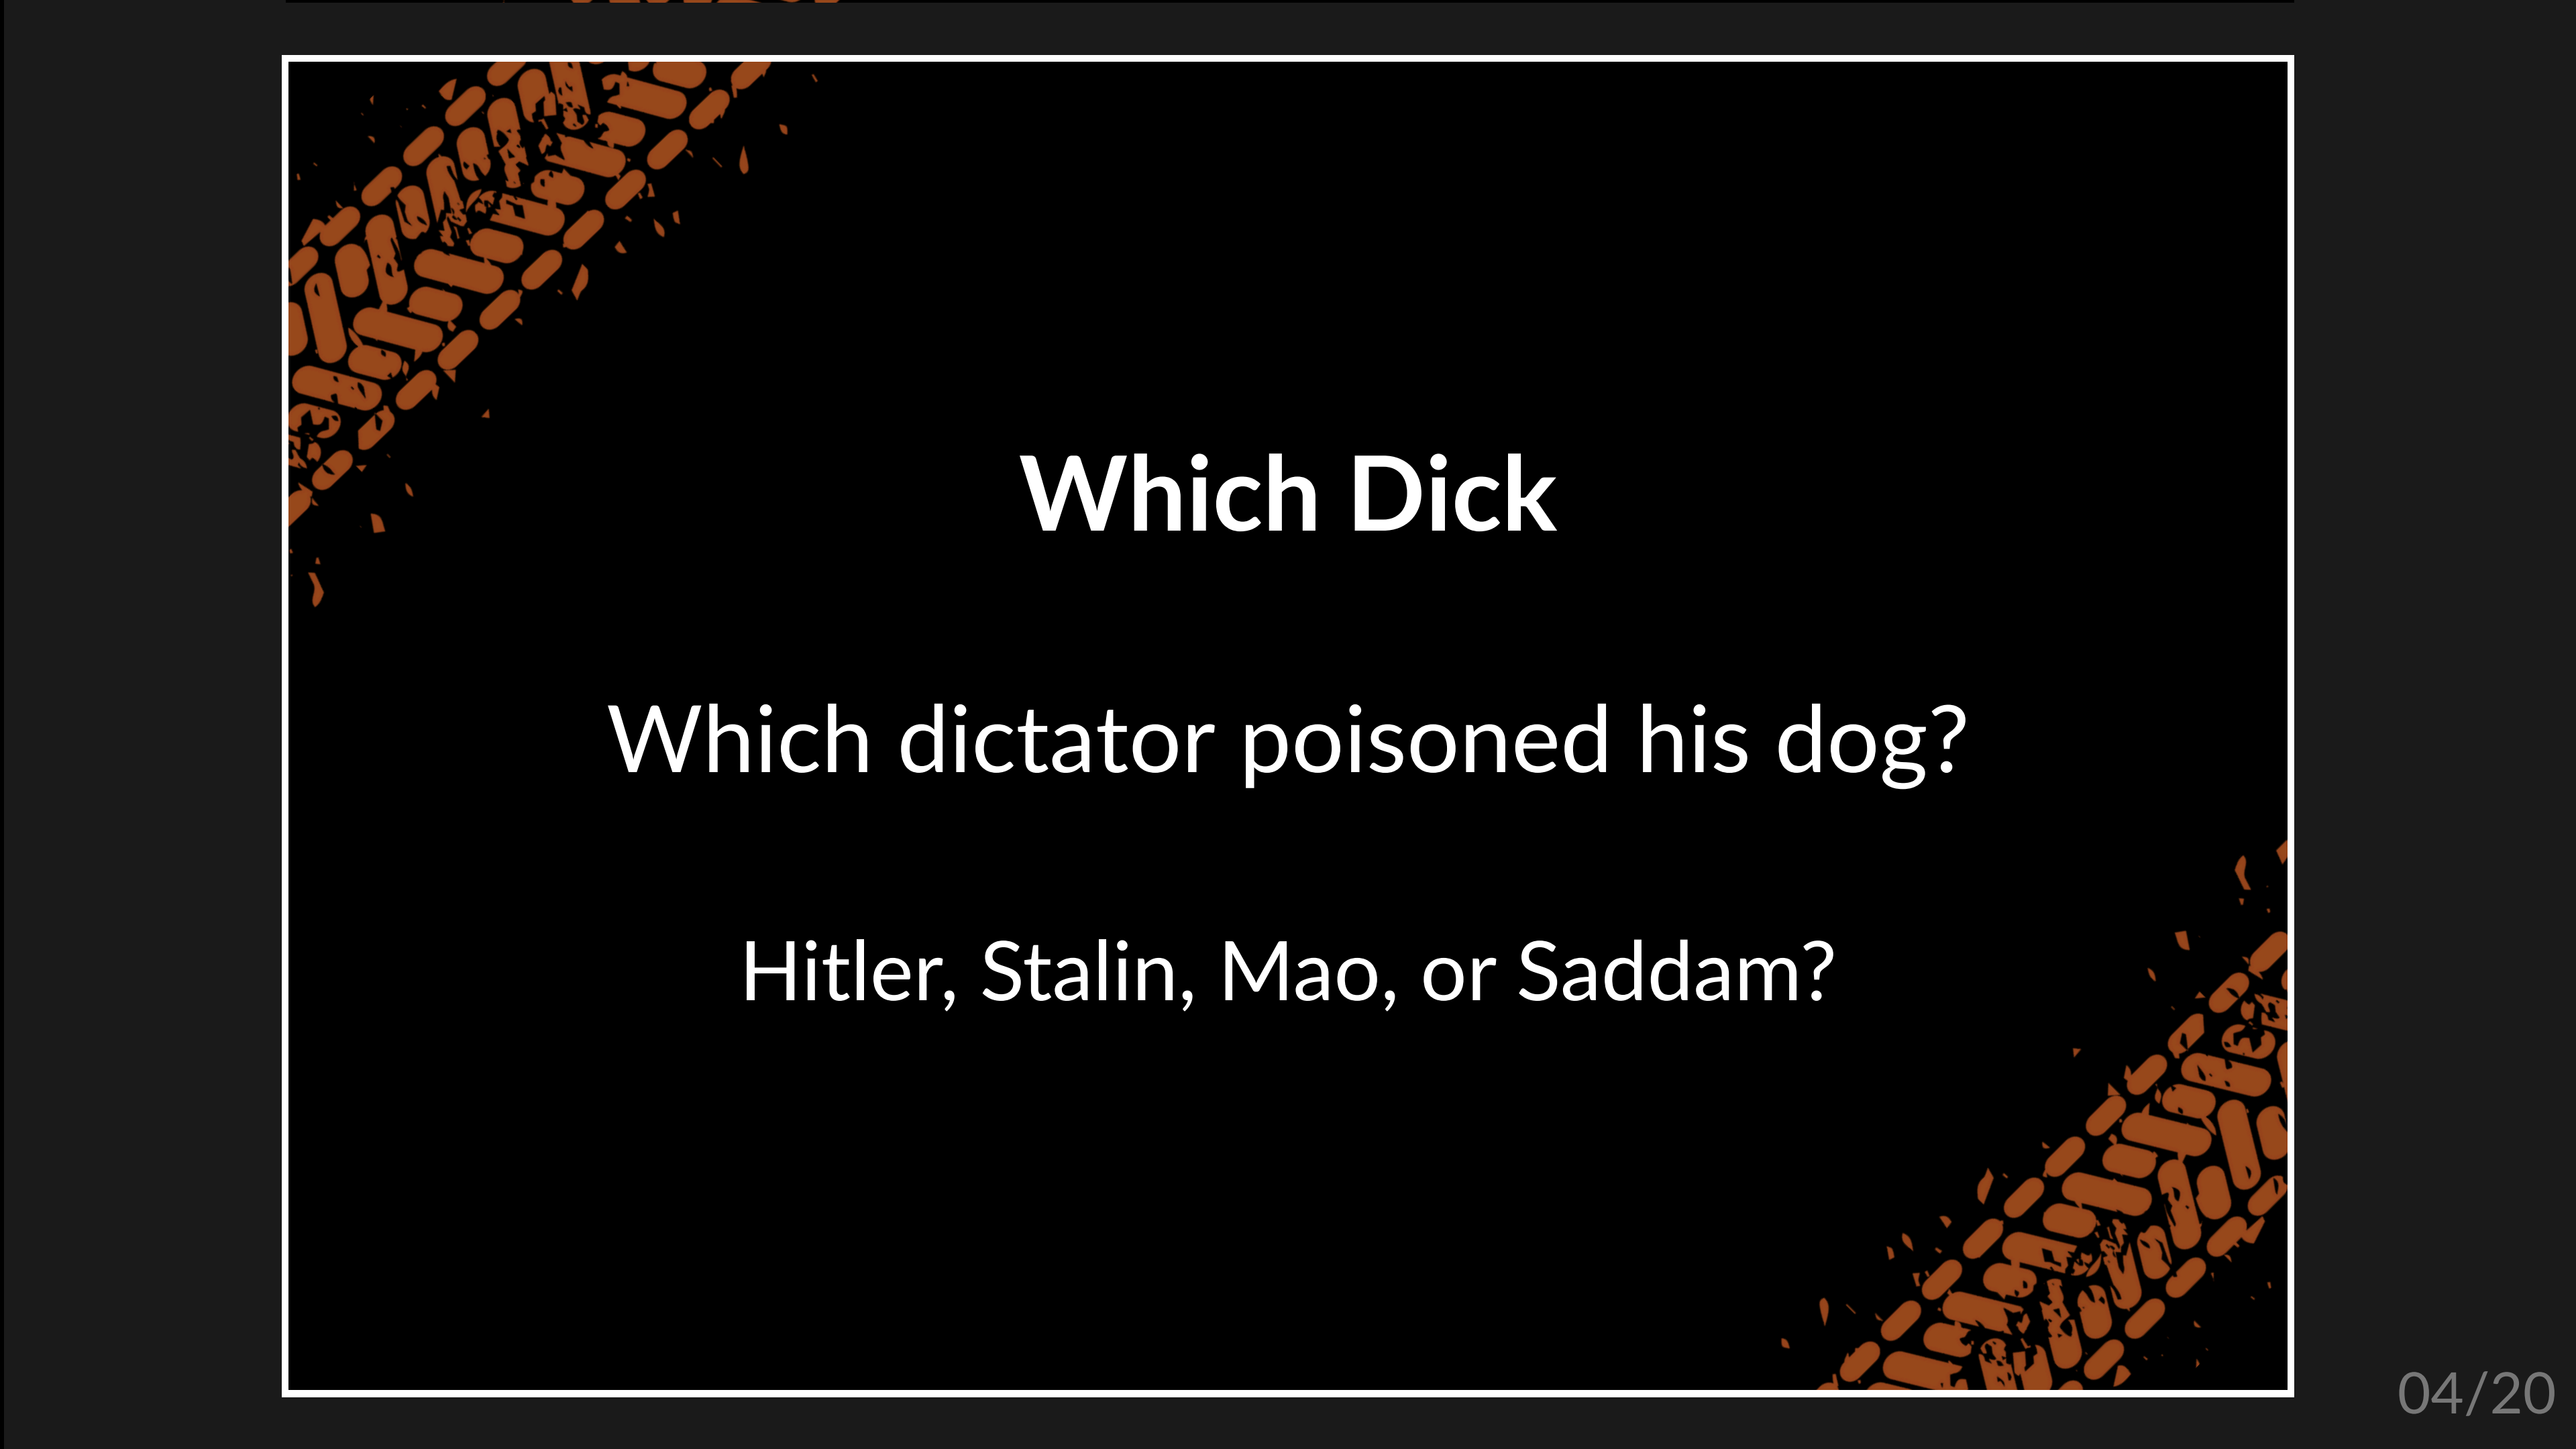

Lopsided War

Winners: Make a team balance on one foot for 2 turns. They must use their opposite hand to touch a table or chair.

Allah also suggests crucifixion or exile, but we've had our fun with those.

Quran 5:33

Which Dick

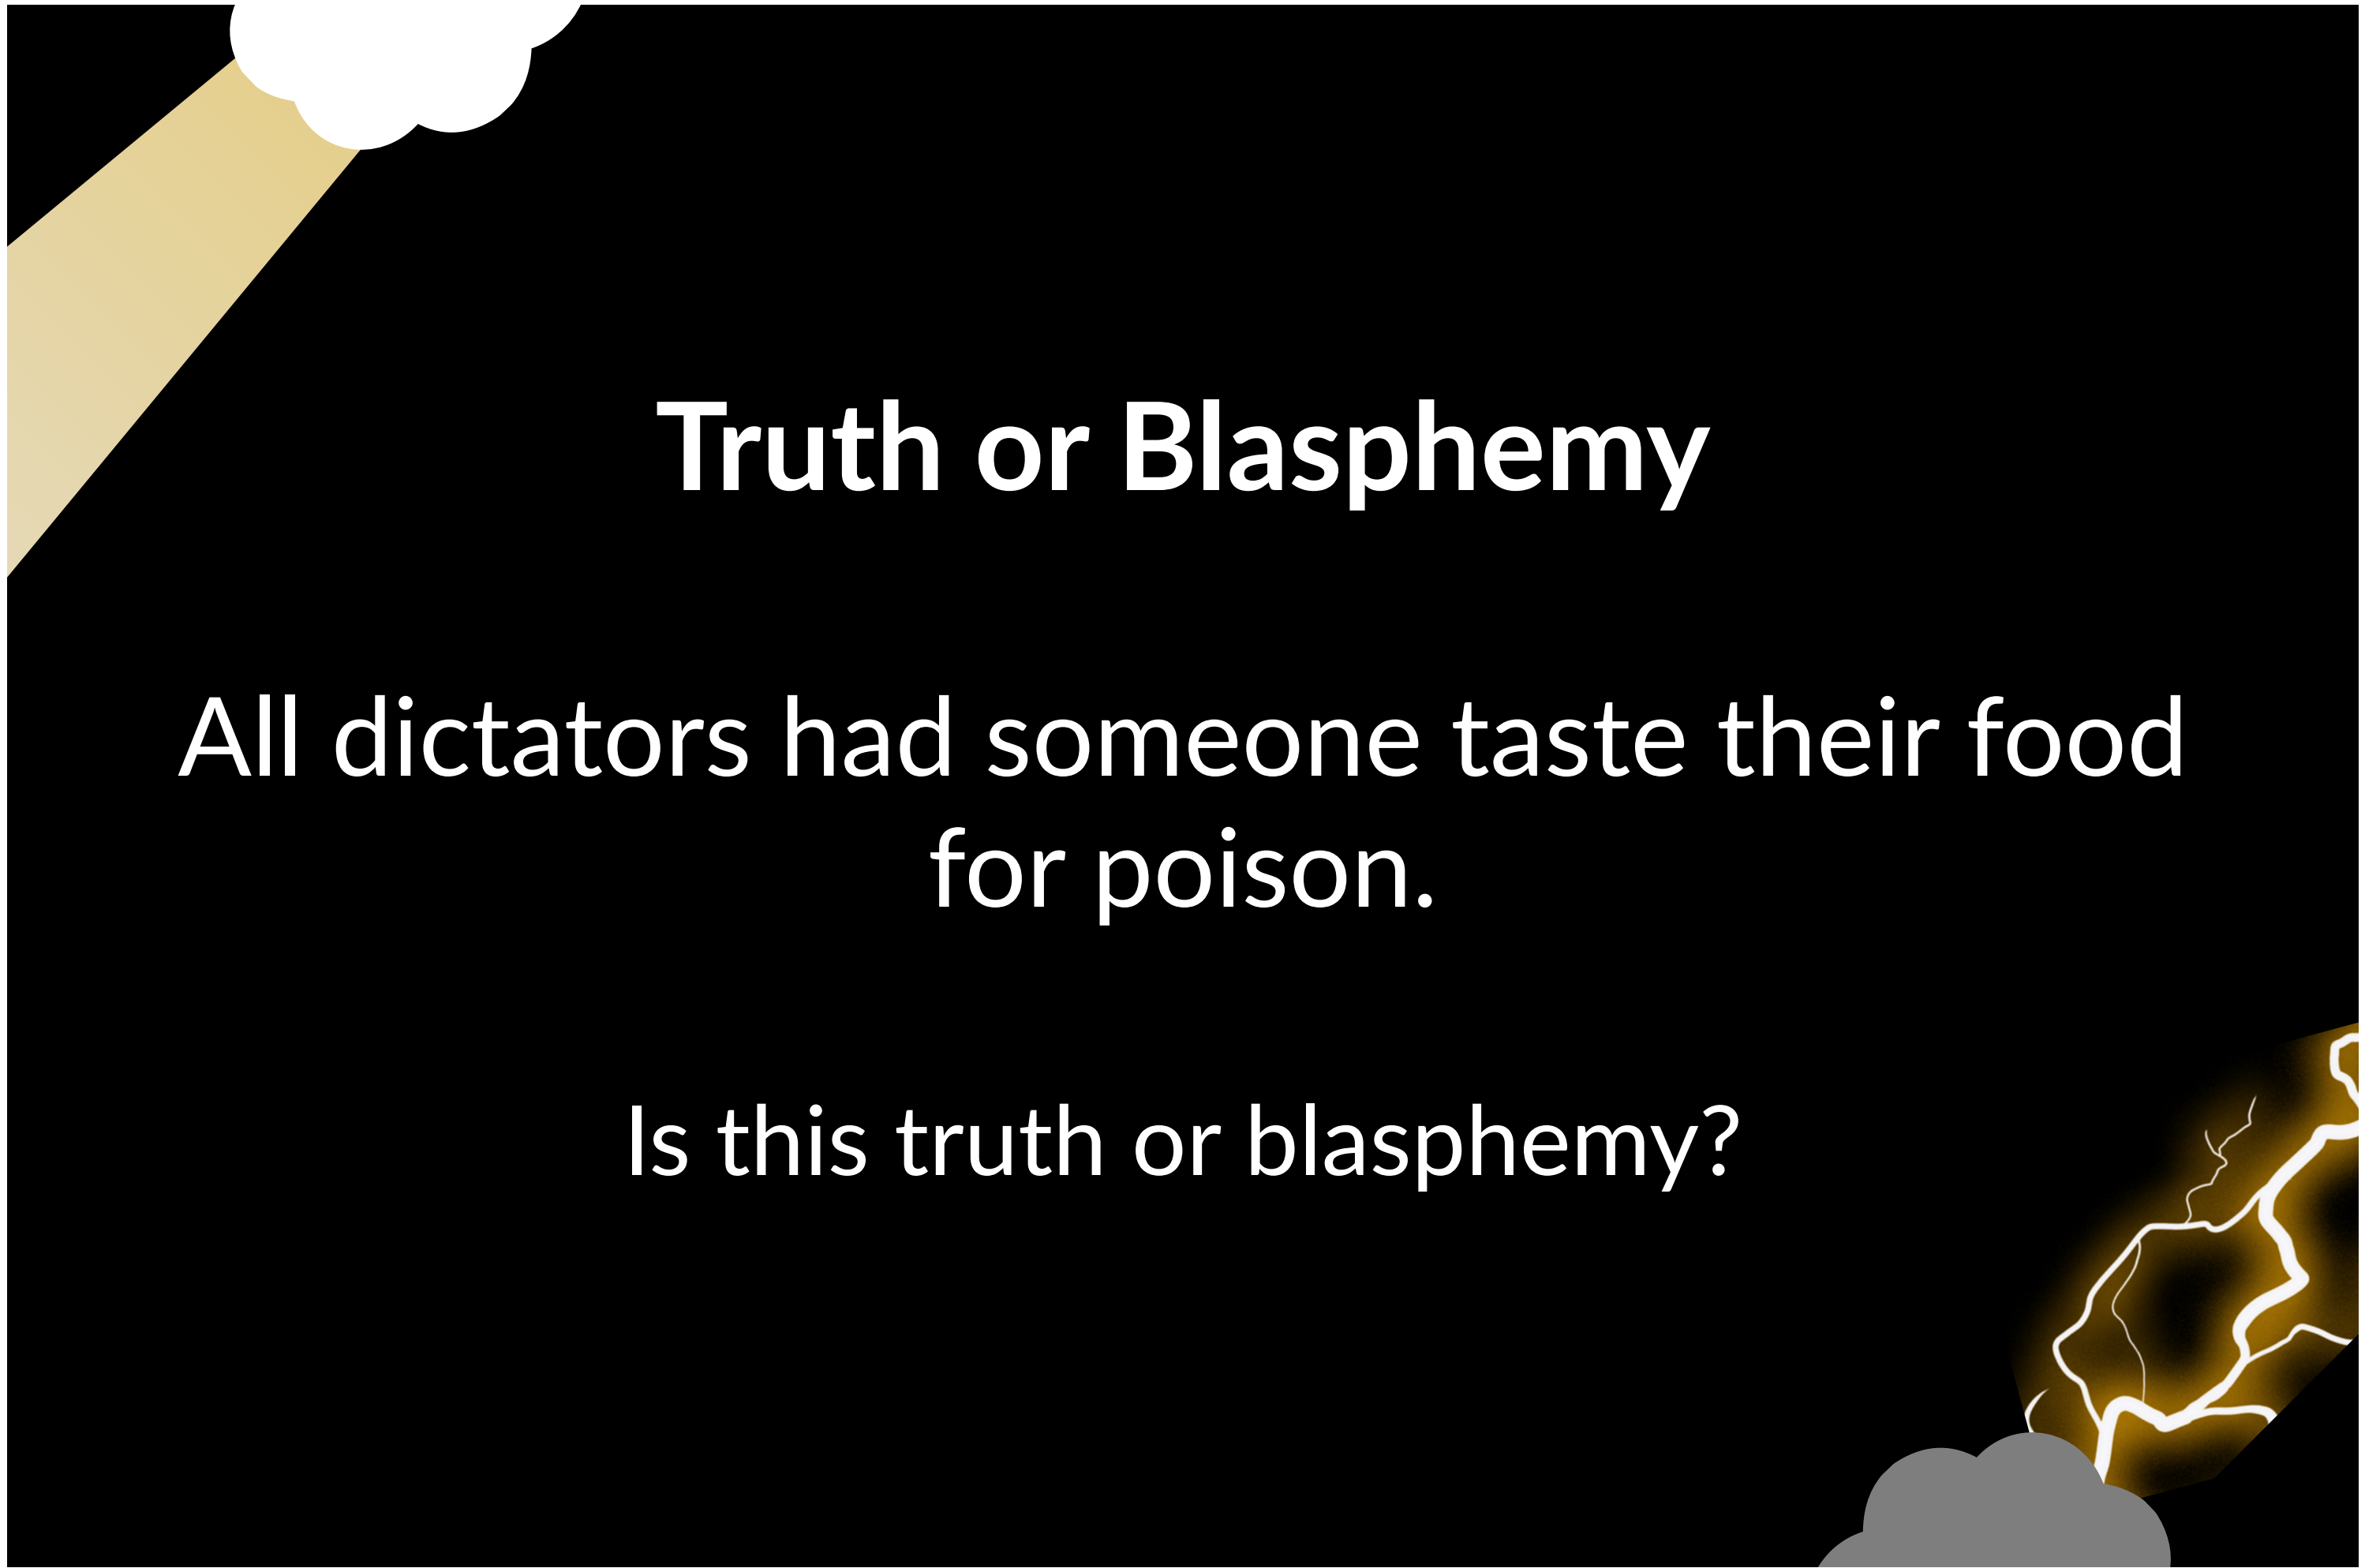

Which dictator poisoned his dog?

Hitler, Stalin, Mao, or Saddam?

Hitler

The day before taking his own life, he tested the cyanide pills on his dog and was “inconsolable” afterward.

So if you've ever said you love dogs more than people, you're literally Hitler.

Truth or Blasphemy

All dictators had someone taste their food
for poison.

Is this truth or blasphemy?

Blasphemy

Mao didn't, but US presidents do. Obama is said to have once stared 'longingly' at a lunch being eaten by Republicans, debating if they were willing to die to poison him.

Simpler times.

Nazi Business?

Jaguar
car company

Did they help the Nazis?

No

Jaguar is a British company that worked on Allied airplanes during WWII.

The company was originally called SS Cars, but the Nazis kind of ruined that too.

micro-oppression

A lot of car companies worked with the Nazis. **A lot.** This card's for all the automobile allies out there.

Oppression on back

Shifting Gears

Winners: Choose one team to salute you for 2 turns. They must maintain unwavering eye contact the entire time.

It's rare that a company is on the right side of history, you know?

Unholy Trinity

Who had two teenagers fed to lions?

Mao, Saddam, or Muhammad?

Saddam

Saddam's son had two 19-year-olds thrown to the lions because they were pursuing women he was interested in.

Further proof that dating is literal torture.

Which Dick

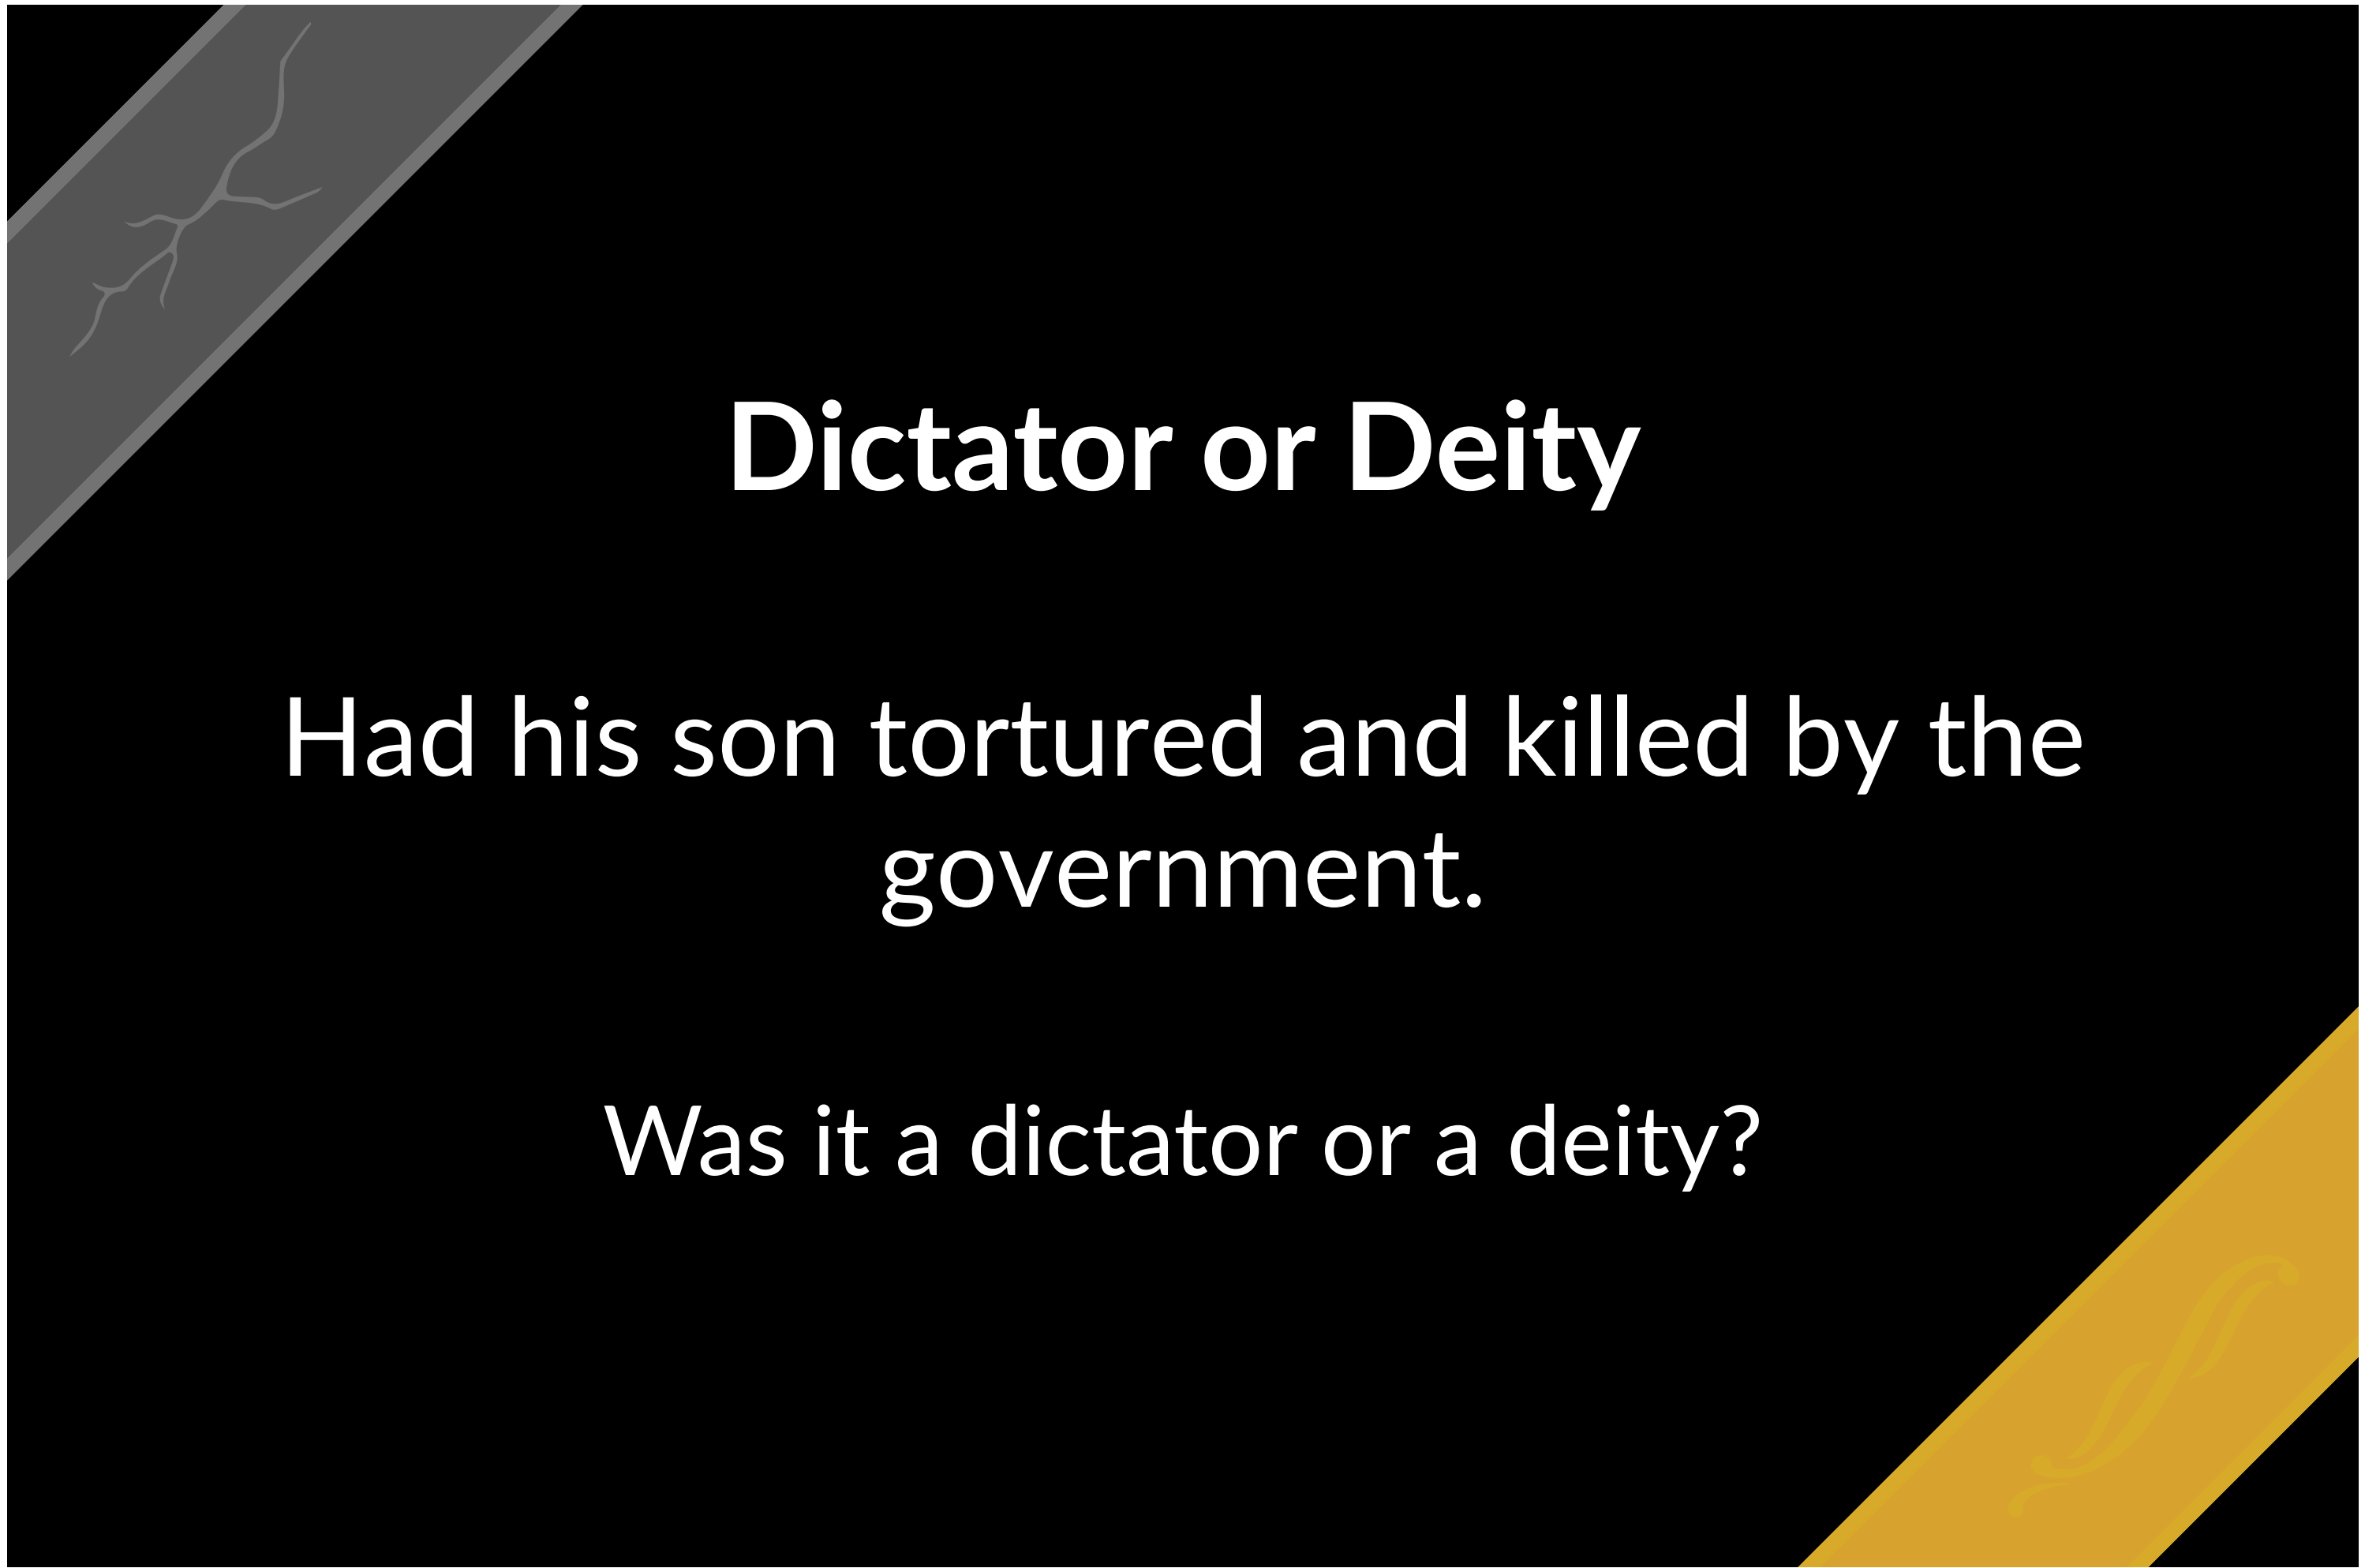

Who had such bad constipation that his
followers once rejoiced when he
finally defecated?

Hitler, Stalin, Mao, or Saddam?

Mao was constipated for 9 days straight,
and staff members had to help unclog him.
Don't ask how.

Winners: Make someone wall sit for 30
seconds. Be sure to cheer them on too.

Dictator or Deity

Had his son tortured and killed by the
government.

Was it a dictator or a deity?

Deity

God knew the Romans would kill Jesus but sent him anyway. And in his final moments, God had Jesus drink vinegar from a sponge.

Winners: Have a team drink water from a cup. Even I have limits.

Matthew 27:48

 Brutality Break

Satan bet God that Job wouldn't worship him if his life sucked. So God let Satan bankrupt Job and kill his __ children.

Closest guess wins

10 children

And I thought my friends had a gambling problem. But really, props to God for this one. This game wouldn't exist without Job.

Losers: Give God a hand. Stand and clap continuously for 2 minutes.

Job 1:1-22

Nazi Business?

Associated Press
news company

Did they help the Nazis?

Yes

The AP made a deal to operate in Germany, which involved running state-approved photos, with some even selected by Hitler.

Personally, I would've gone for a different kind of headshot.

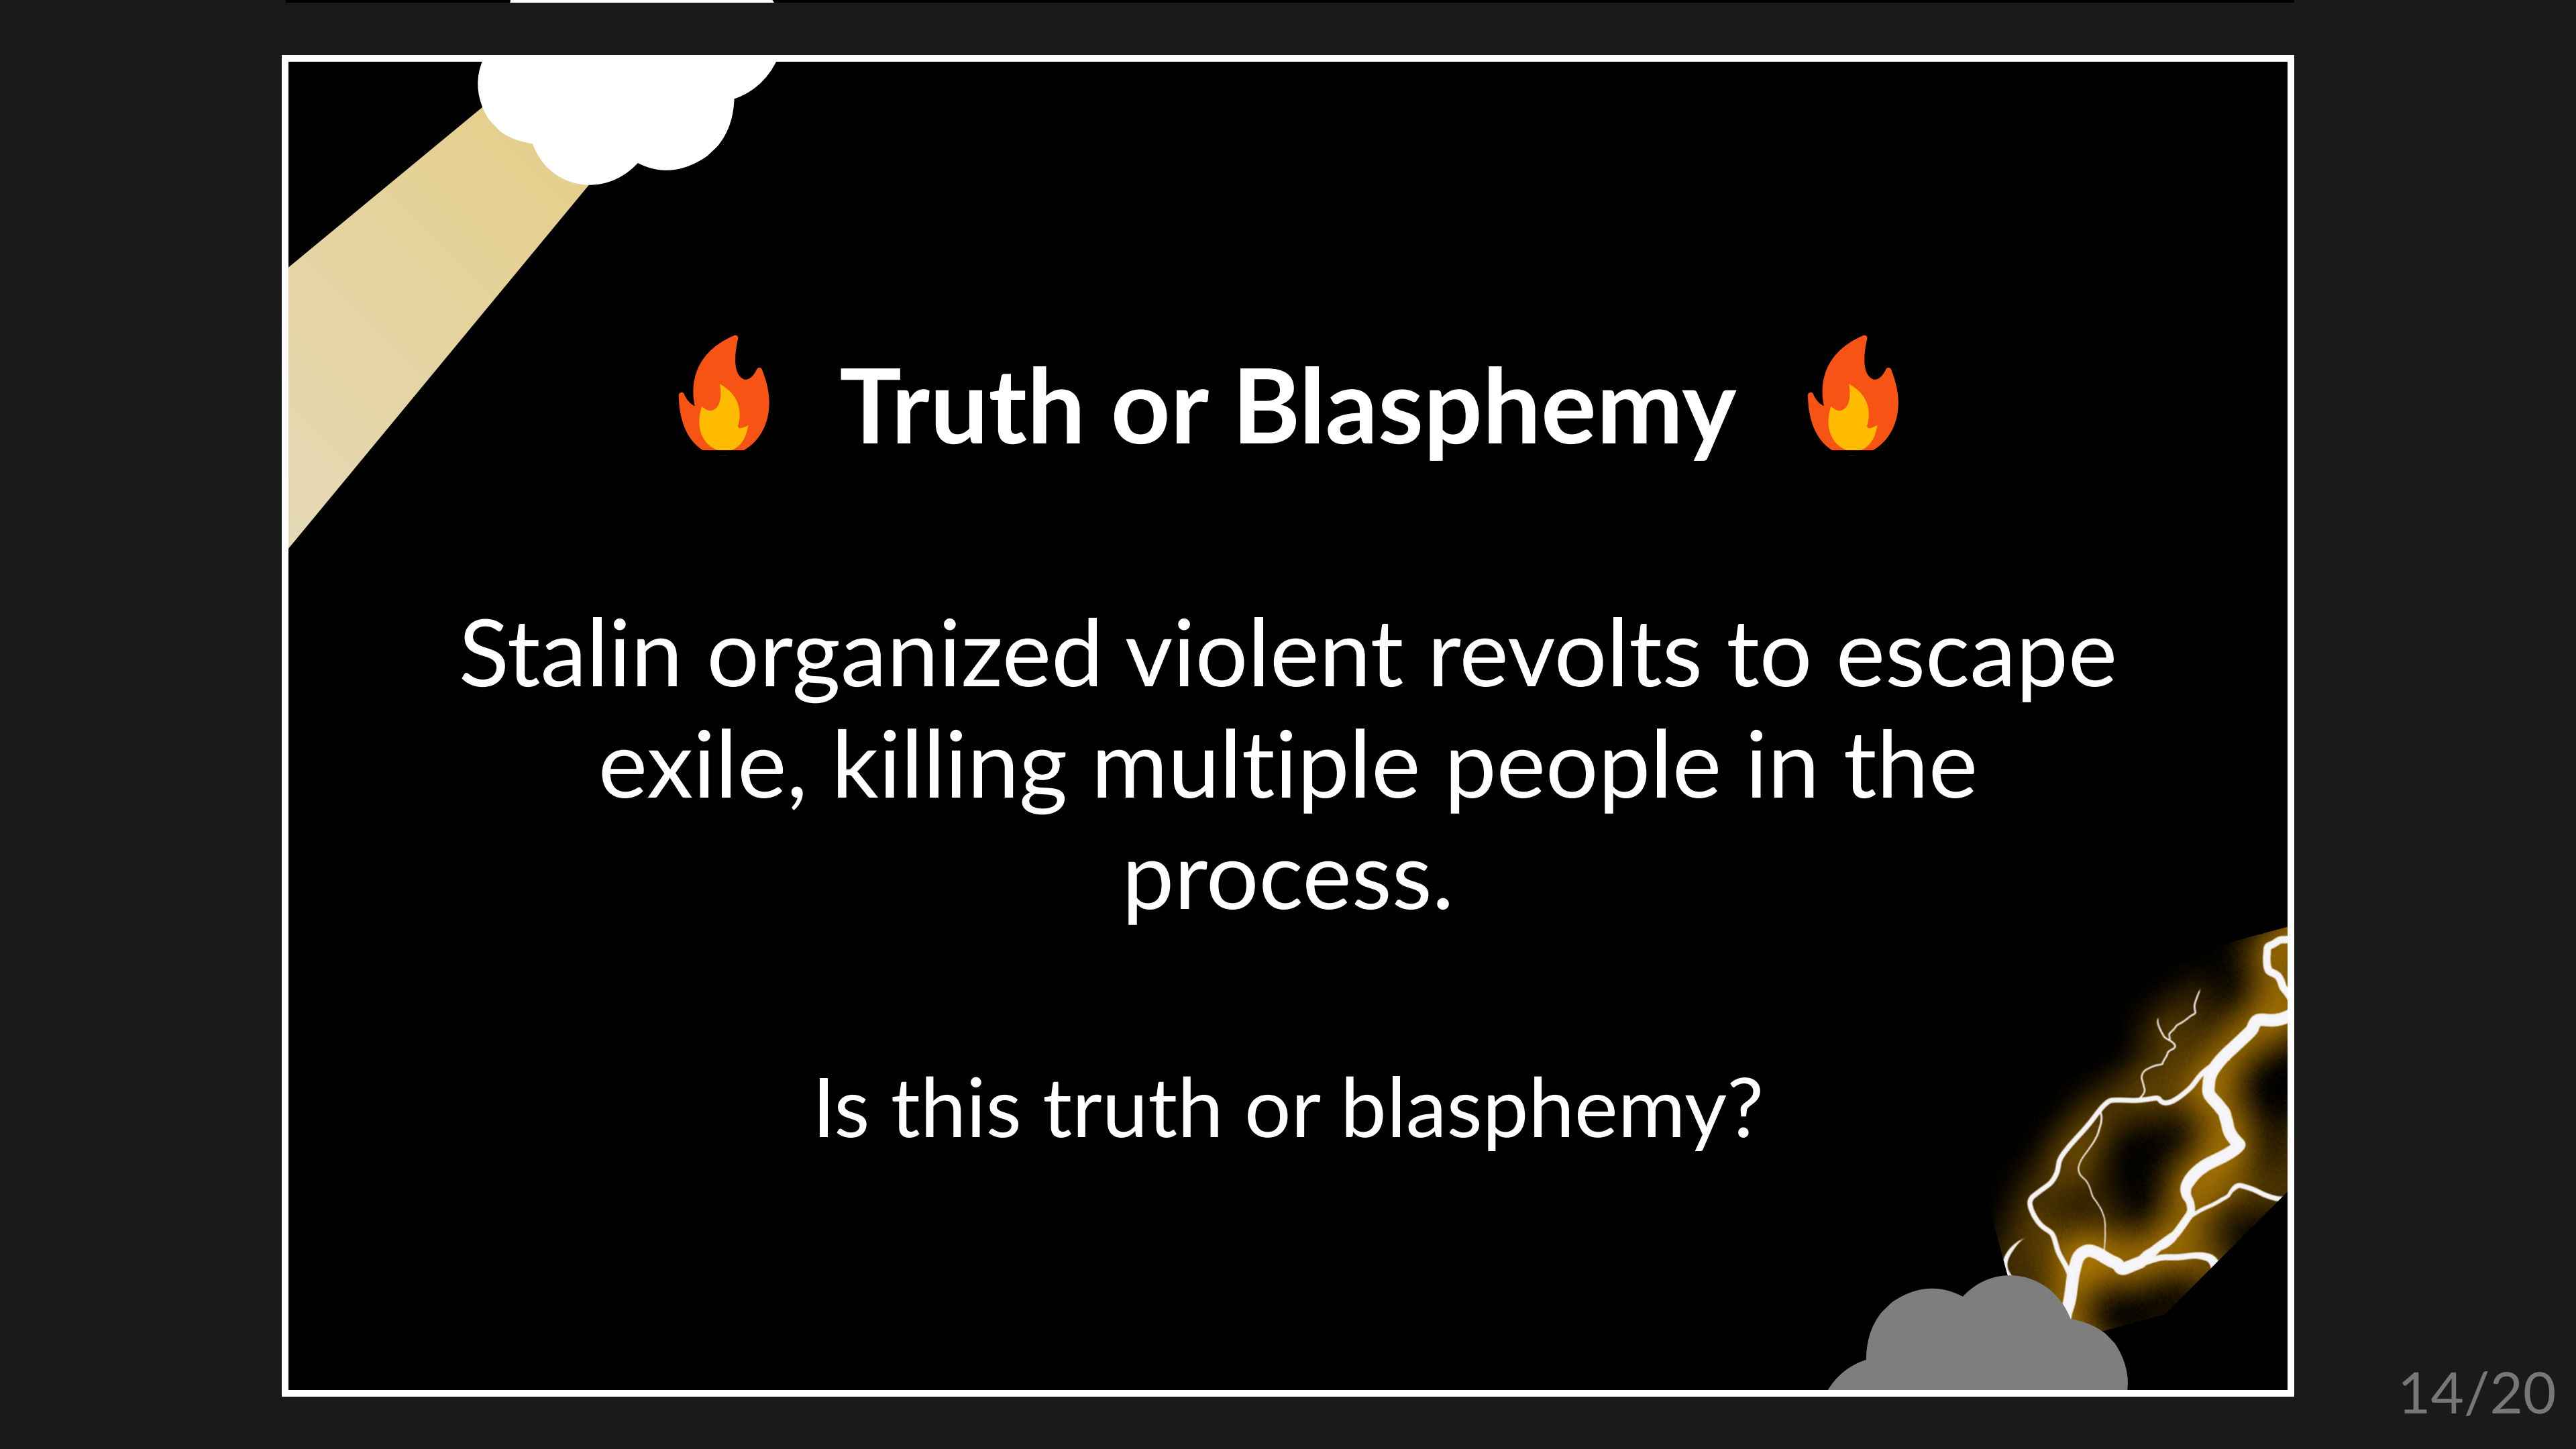

Blacked Out

To increase agricultural output, peasants under Mao's rule allegedly planted and grew seeds in their c____s.

Guess the missing word

Coats

There's definitely a funnier five letter answer, though.

🔥 Truth or Blasphemy 🔥

Stalin organized violent revolts to escape exile, killing multiple people in the process.

Is this truth or blasphemy?

Blasphemy

Stalin escaped exile five times, but he used nonviolent strategies like disguising himself as a woman.

The dude is honestly like a real life Bugs Bunny.

micro-oppression

Aside from the deportations, labor camps
and murder, Stalin seems like a fun guy.
Always keeping people on their toes.

Oppression on back

The Last Dance

Stalin would make his top officials slow dance together because he thought it was funny. I too think it's funny.

Winners: Choose two players to waltz together for 1 minute.

Special Thanks

As we wrap up, I want to give credit to those who inspired me. Particularly, my church. But which Christians raised me?

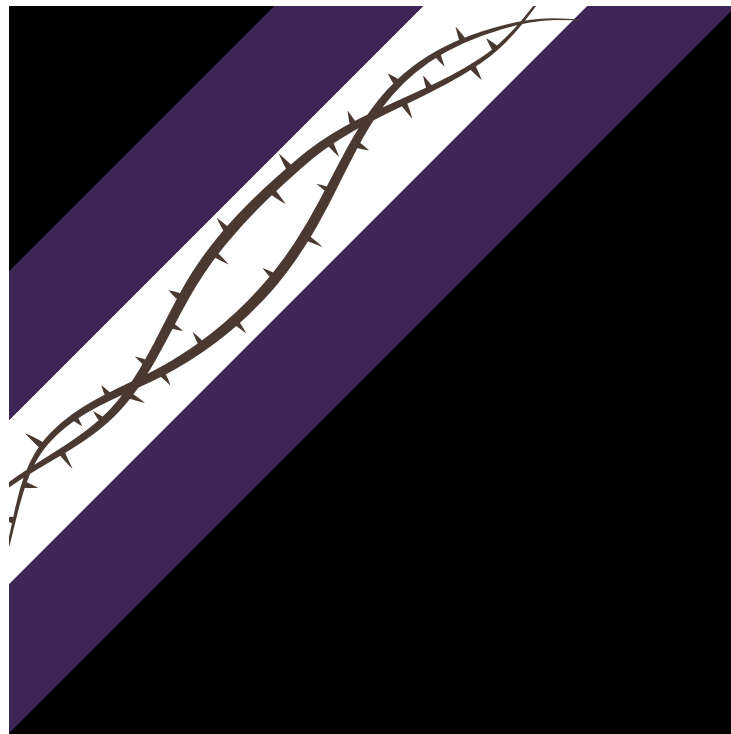

Catholics, Lutherans, or Baptists?

Lutherans

I spent my formative years in Lutheran school where I learned about the Bible and acquired this... unique sense of humor.

Make sure you thank a Lutheran for making this game possible.

Die For Our Win

The end times grow near, and you've probably laughed at some pretty damning jokes. Time to repent, sinner.

Optional oppression on back

For Twenty, Praise It

Losing team only: For 20 seconds, the whole team must get on the floor, face the winning team, and do a head-down bow.

And yes I am quite proud of this title.

3 points

Blacked Out

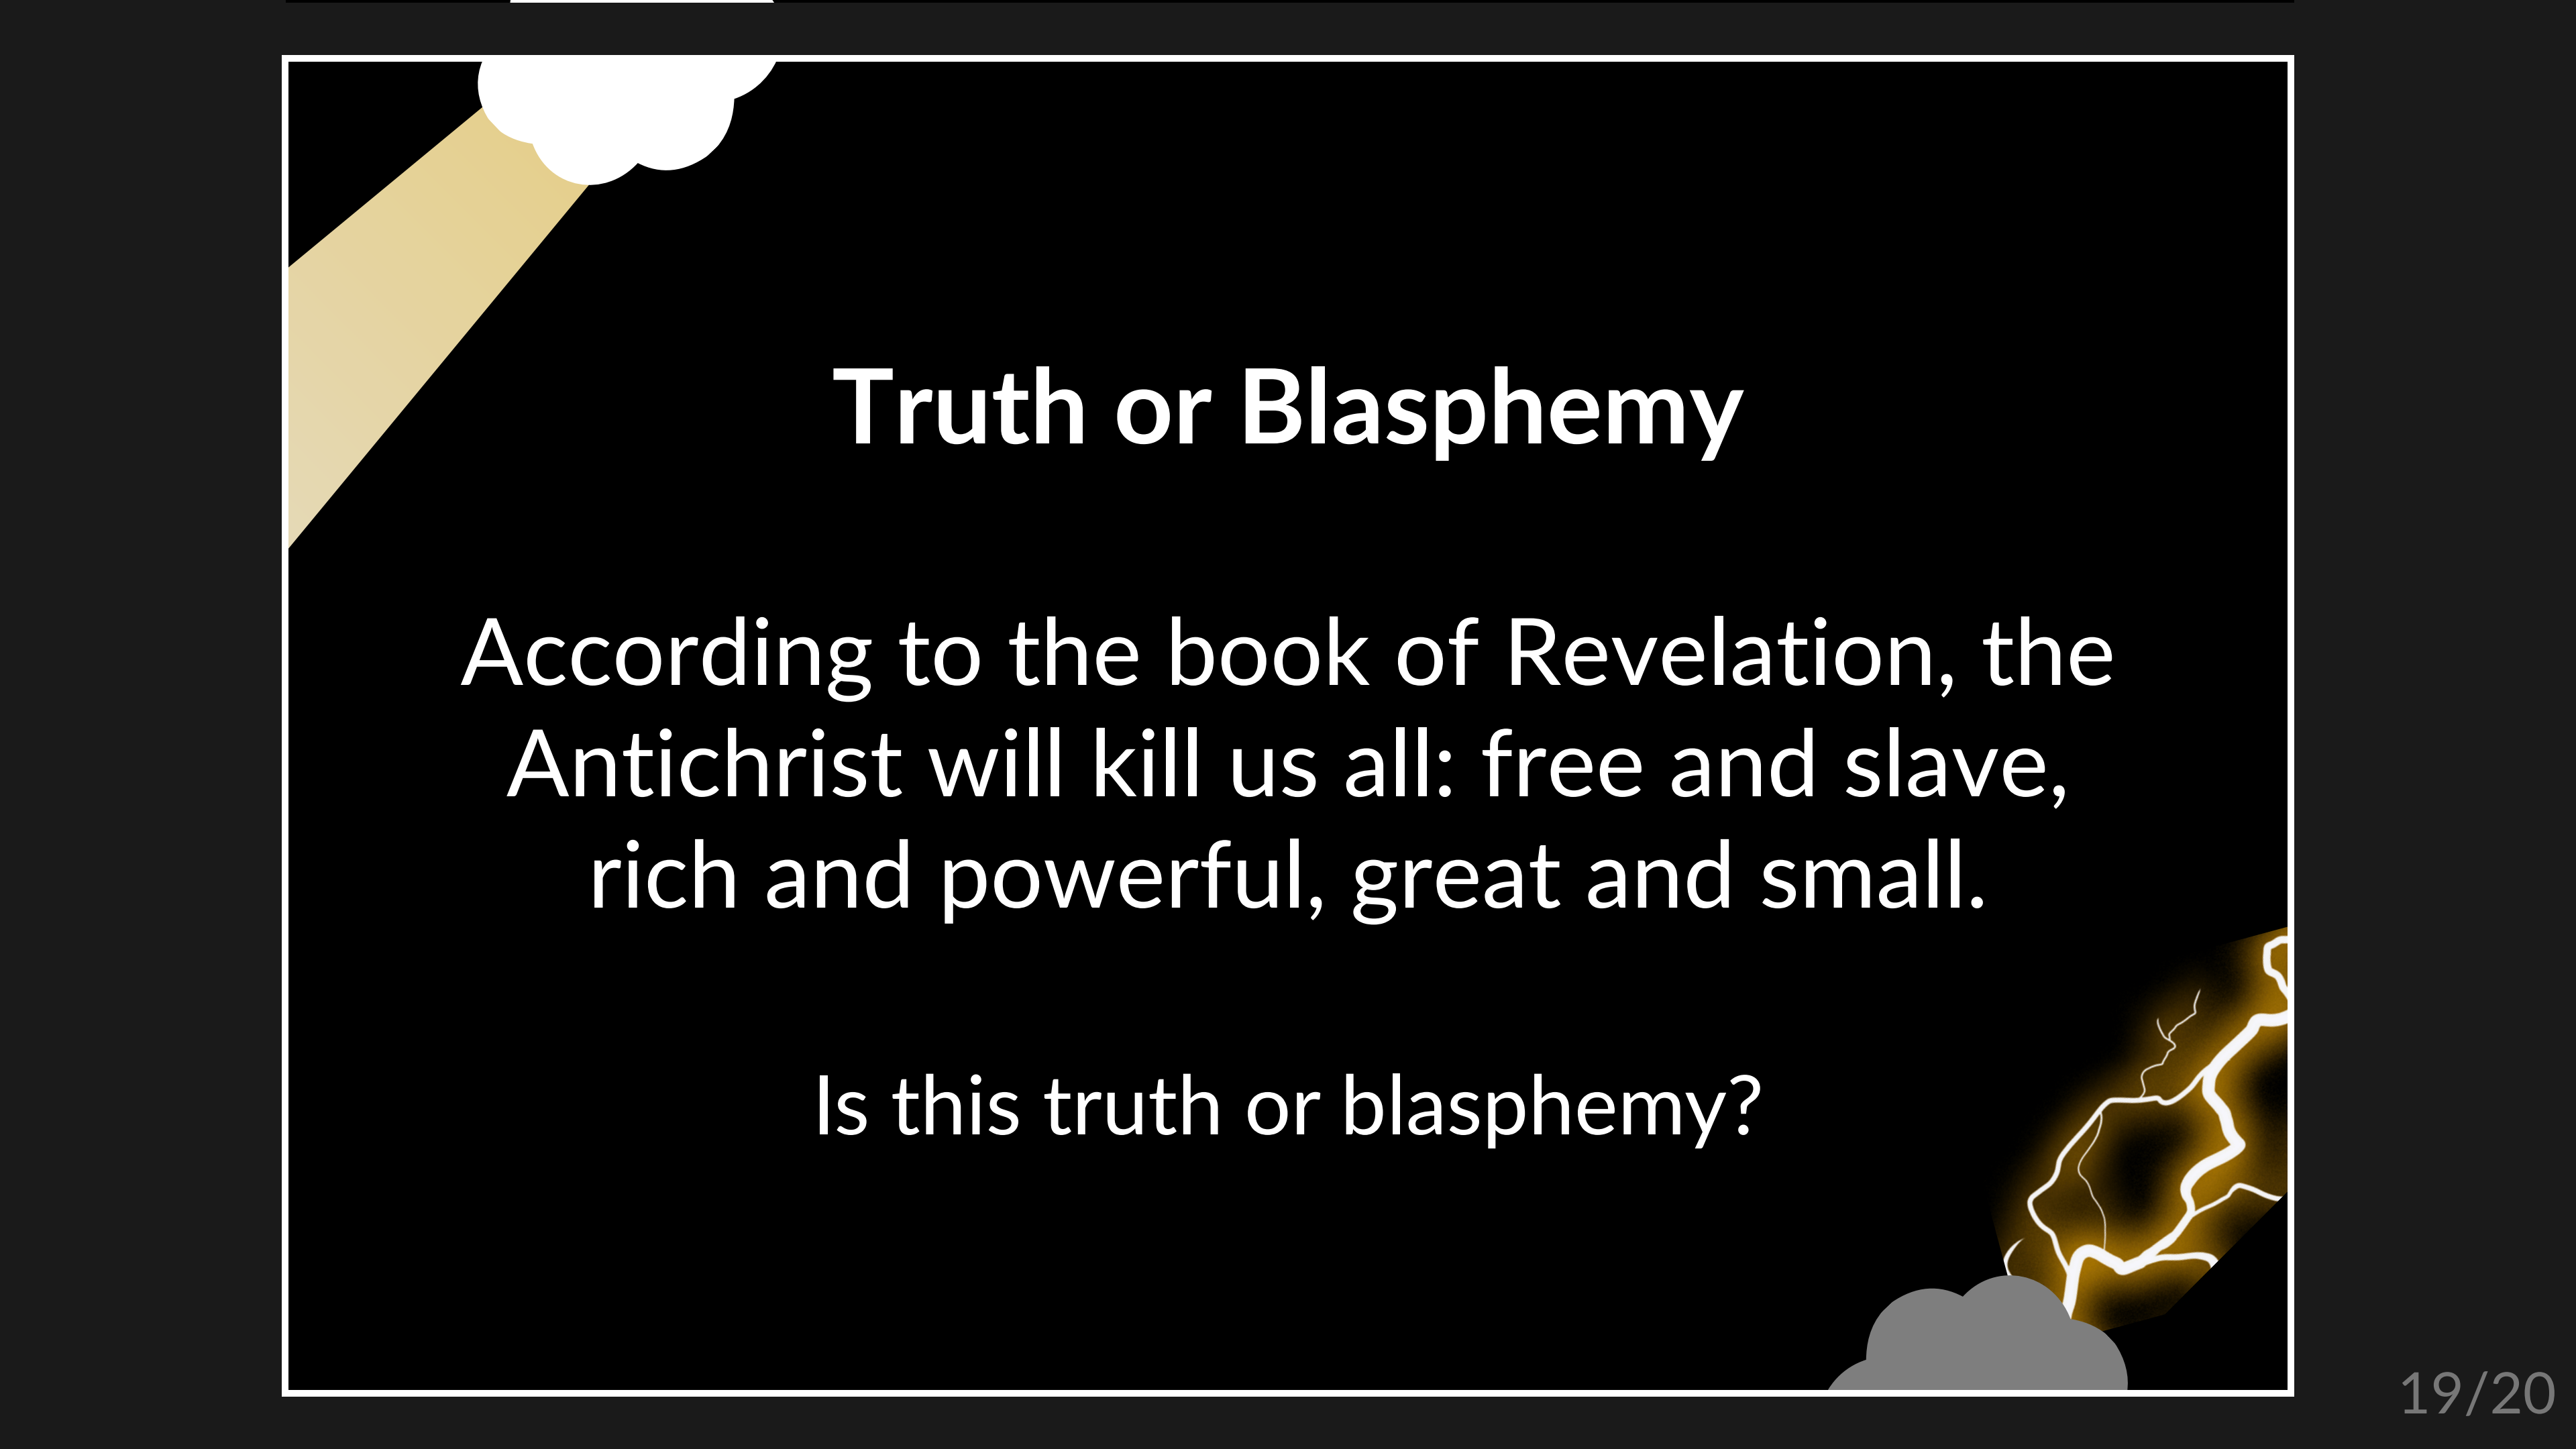

Stalin devised clever ways to collect and analyze _____ samples from Mao and other leaders.

Closest guess wins

Poop samples

Stalin's goal was to gauge the leader's disposition based on what they found. I mean it works for dogs, so... maybe?

He probably had to wait a bit for Mao's sample, though.

Truth or Blasphemy

According to the book of Revelation, the Antichrist will kill us all: free and slave, rich and powerful, great and small.

Is this truth or blasphemy?

Blasphemy

Jesus ain't got a sword coming out his mouth for nothin'. And when he's done, the little birdies are gonna "gorge themselves" on our bodies. Yum.

Read the whole story:
Revelation 19:11-21

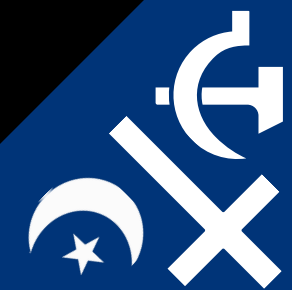

Unholy Trinity

Who lost a wrestling match to one of his followers?

Stalin, Saddam, or God?

5 points

God

God wrestled Jacob until the break of dawn and got completely embarrassed. I can't write a joke funnier than that.

Genesis 32:22-31:

I hope you liked it!

If you did, consider backing it on Kickstarter for \$5. I mean I paid triple that to see *Star Wars: Episode 9*. And *that* was torture.

Support more dumb ideas like this one:

The End

One last thing: Please tell your grams about Revelation Jesus for me.

I'd love to tell mine, but she's a bit busy rolling in her grave.

Sam Theo Schmitt
